

# How To Live To Be 100 Or More The Ultimate Diet Sex And Exercise

**George Burns and Gracie Allen** - Cynthia Clements 1996-08-23

In the minds of today's audiences, George Burns was a solo act. But in the history of show business, he will long be remembered for his work with Gracie Allen. Few performers have enjoyed so much popular and critical acclaim. Together they enjoyed phenomenal success in vaudeville, radio, television, and film. Although they were celebrities, the two performers enjoyed a life remarkably free of scandal. After the death of Allen in 1964, Burns made commercials, a music video, and an exercise video. He wrote books and won numerous awards, and his nightclub and convention appearances did not stop until shortly before his death. Through a thoughtful biography and detailed entries, this book serves as a comprehensive reference to the careers of Burns and Allen together and individually. The biography summarizes their rise as vaudeville performers, their work in a range of media, and Burns' continued achievements after Allen's death. Sections of the book cover their work on the stage, on radio, on television, and in films. Each section provides detailed entries for their performances, including cast and credit information, plot synopses, and review excerpts. Appendices list their awards, personal appearances, and archives; and an extensive annotated bibliography cites and discusses sources of additional information.

**George Burns** - Lawrence J. Epstein 2011-09-07

Having entered the world in 1896 as a poverty-stricken child named Naftaly (Nathan) Birnbaum, George Burns rose from New York's Lower East Side to the uppermost heights of celebrity in the entertainment industry. His storied romance with Gracie Allen led to their success in vaudeville, films, radio and television as one of the greatest comedy teams in history. Burns experienced both tragedy and triumph during his 100-year lifespan, ultimately recovering from the death of his beloved Gracie in 1964 to re-emerge as a solo performer and an Oscar-winning actor. This all-inclusive biography explores George Burns's career against the backdrop of American entertainment history in the 20th century. His loves, his close friendship with Jack Benny, his rivalry with Groucho Marx, and his latter-day success in films are all carefully detailed.

**Book Review Digest** - 1984

Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

**Focus On: 100 Most Popular Vaudeville Performers** - Wikipedia contributors

**Coping Skills** - Library of Congress. National Library Service for the Blind and Physically Handicapped 1993

This annotated bibliography lists approximately 150 braille books and 300 audiocassettes of books which address coping skills for people in a variety of situations. All items listed are available in the network library collections provided by the National Library Service for the Blind and Physically Handicapped of the Library of Congress. Cassettes and braille formats are listed separately under each of the following topical areas: self development; relationships; marriage and divorce; families; child abuse; health and healing; alcohol, drug, and other addictions; aging; disabilities (subdivided into general, visual issues, and mobility issues); providing care for a loved one; death and bereavement; and general. A list of other bibliographies of books available in disc, cassette, and braille formats is provided. An order form and general information about the free reading program of the National Library Service are also provided. *The Publishers Weekly* - 1984

Talking Books Adult - Library of Congress. National Library Service for the Blind and Physically Handicapped 1985

*The Encyclopedia of Vaudeville* - Anthony Slide 2012-03-12

The Encyclopedia of Vaudeville provides a unique record of what was once America's preeminent form of popular entertainment from the late 1800s through the early 1930s. It includes entries not only on the entertainers themselves, but also on those who worked behind the scenes, the theatres, genres, and historical terms. Entries on individual vaudevillians include biographical information, samplings of routines and, often, commentary by the performers. Many former vaudevillians were interviewed for the book, including Milton Berle, Block and Sully, Kitty Doner, Fifi D'Orsay, Nick Lucas, Ken Murray, Fayard Nicholas, Olga Petrova, Rose Marie, Arthur Tracy, and Rudy Vallee. Where appropriate, entries also include bibliographies. The volume concludes with a guide to vaudeville resources and a general bibliography. Aside from its reference value, with its more than five hundred entries, The Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten. Many of the vaudevillians here, including Jack Benny, George Burns and Gracie Allen, Jimmy Durante, W. C. Fields, Bert Lahr, and Mae West, are familiar names today, thanks to their continuing careers on screen. At the same time, and given equal coverage, are forgotten acts: legendary female impersonators Bert Savoy and Jay Brennan, the vulgar Eva Tanguay with her billing as "The I Don't Care Girl," male impersonator Kitty Doner, and a host of "freak" acts.
