**Aries Ascendant Secrets** Saket Shah 2020-01-05 There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the

time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

To Have, to Hold, and to Never Let Go Cattina C. Coleman 2012-12-28 I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

Love on the Ninth Floor Aries Skye 2023-10-24 Trending on TikTok takes on an entirely new meaning when the 'for you' becomes a viral love story in the making. Aries Skye makes a sizzling debut in this flirty feel-good romance, perfect for fans of Jasmine Guillory and Farrah Rochon. Zany and vivacious Nissi Richards always had her sights set on one goal—her career. As the youngest doctor at Optimal Dentistry, Nissi is the epitome of Black Girl Magic and a #GoalCrusher. Dating, however, was a different topic, or rather more of a non-existent headline. Despite her best friend's botched matchmaking attempts and her meddlesome sisters who insist she hook a man, love and marriage were never on Nissi's to-do list—at least not that she'd admit. Kannon Jordan was a man of simplicity. Unimpressed with the whims of every short skirt that flitted by, or the sexy social media prospects, the ravishing fireman was content with the bachelor's life. A cosmic shift in his beliefs takes a nosedive once he crosses paths with a dazzling doctor in distress. When Kannon rescued Nissi from a malfunctioned elevator, she never thought she'd see the handsome fireman again. Suddenly, when a TikTok video goes viral, the two strangers are miraculously reconnected. Will Nissi and Kannon surrender to their feelings, or will they deny their chemistry and the possibility of love at first sight? “You will root for Aries Skye’s swoon-worthy characters in this powerful testament to kindred connections and destined love!”—N'TYSE, national bestselling author and film producer

Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars?

Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Friends on a Rotten Day Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer

I want to talk to you about something in which I don't consider myself an expert in anything, but as a feeling and perceiving being, I've had enough time to analyze and know how to define what love is and what it isn't, and all those infinite things that have the do with that word. If you never believed in love or suffered a lot of damage because of that word; if you've always wanted to find the love of your life or you've simply decided not to hear or utter that word again; Either way, this book is for you.
