### **ALPHA MALE DATING The Essential Playbook** - Sean

Wayne

□ There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her □ If you had read Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading

her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □ She's never met a man like you, a man who listens with intent and responds smartly. □ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. □ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. All this because you read this essential

playbook on dating and you are fully aware how to keep your relationship and take it to the next level; marriage ...if you want. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. ☐ You're her King and you make her feel like a Queen. ☐ You're not jealous, but confident, always. ☐ You're passionate but you don't overwhelm her. ☐ You know exactly how to touch her, reach her hot spots and after

years of being together, making love to you is always fresh, fun and new. ☐ This is how an Alpha Male dates and builds his game into a long-term relationship, if he chooses, with confidence. You know what you want. You know how to get it. **Always a Rogue, Forever Her Love** - Christi Caldwell  
2014-09-15

Miss Juliet Marshville is spitting mad. With one guardian missing, and the other singularly uninterested in her fate, she is at the mercy of her wastrel brother who loses her beloved childhood home to a man known as Sin.

Determined to reclaim control of Rosecliff Cottage and her own fate, Juliet arranges a meeting with the notorious rogue and demands the return of her property. Jonathan Tidmore, 5th Earl of Sinclair, known to the ton as Sin, is exceptionally lucky in life and at the gaming tables. He has just one problem. Well...four, really. His incorrigible sisters have driven off yet another governess. This time, however, his mother demands he find an appropriate replacement. When Miss Juliet Marshville boldly demands the return of her precious cottage, he takes advantage of his sudden good

fortune and puts an offer to her; turn his sisters into proper English ladies, and he'll return Rosecliff Cottage to Juliet's possession. Jonathan comes to appreciate Juliet's spirit, courage, and clever wit, and decides to claim the fiery beauty as his mistress. Juliet, however, will be mistress for no man. Nor could she ever love a man who callously stole her home in a game of cards. As Jonathan begins to see Juliet as more than a spirited beauty to warm his bed, he realizes she could be a lady he could love the rest of his life, if only he can convince the proud Juliet that he's worthy of her hand and heart.

### **Contemporary Romance -**

Melissa Foster 2022-09-21

Some fates are too tempting to deny... If you love single-parent romances, you won't want to miss *Always Her Love*, an emotionally gripping, funny, and sinfully-hot story of forbidden love, with a much deserved and epic happily ever after. Fall in love on the sandy shores of Silver Island, home to coffee shops, boat races, midnight rendezvous, and the sexy, sharp-witted Steeles. They have a penchant for pranks, a passion for loyalty, and a trunk full of secrets. All Steele novels may be enjoyed as standalone romances. In *ALWAYS HER LOVE...* "I'm pregnant. It's yours. I'm having it, and unless you want it, I'm putting it up for adoption." Those were the words that changed Levi Steele's life before he was even legally allowed to drink. There was never any question about whether he would keep his daughter, and eight years later, he doesn't have a single regret.

He owns a successful contracting company, he's part of the Dark Knights motorcycle club, and Joey's happiness is his top priority. None of that would be possible without the help of Joey's beautiful and selfless aunt Tara, who's going to be staying with them over spring break and who he's been thinking about in ways he shouldn't. But Tara's older sister is Joey's birth mother, and she's the last woman the dirty-talking biker should want to get his hands on. Tara Osten has been crushing on Levi for as long as she can remember. He's a loving father, a loyal friend, someone with whom she can always be herself, and six-plus feet of deliciously hard, tattooed muscle. At twenty-four, she's finally realized he will never see her as more than his baby mama's younger sister. It's time to let go of her lustful fantasies starring Levi Steele and move on with her life. Step one: Buy her own place and start dating. Step two: Survive spring break without falling harder for the one man she can never have.

[How to Attract Women](#) - Zac Miller 2020-03-08

Can I Ask You a Question?  
What would life be like if you knew exactly how to attract women? If you could get the girls you've always wanted? If you could be a man women were sexually drawn to... would

that change your life? Hi, my name is Zac Miller. In my many years here on earth I've had my share of experiences with women. And like most men, I wasn't born knowing what attracts women or what they want, but there came a point in my life where I was fed up and did something about it. Many men just say "women are crazy," and they leave it at that, not trying to understand them. I couldn't have that... While women are in fact crazy, I have put together a book which explains what they want, what attracts them to men, and how you can start attracting women. It's taken me many, many years, and many, many sleepless nights, but after all was said and done, I believe I have made the best book available when it comes teaching men everything it takes to successfully attract women. Here's What You'll Learn in This Book Chapter 1: Appearance - While it's been this way for many years, the advent of website profiles and dating apps has made a masculine appearance much

more important for men in this day and age. Here I share with you the many ways you can appear more attractive to women, as well the ideal body type women are looking for in a man (hint: it's not abs).

Chapters 2 & 3: Attractive & Unattractive Qualities - Ever notice how women are attracted to jerks and "bad boys?" It's because they display many attractive qualities women desire. In these chapters, I share with you what exactly these qualities are, while also going over attributes you need to stay away from, which push women away.

Chapter 4 & 5: Talking to Women - Next, we go over how to talk to women and connect with them, in turn attracting them to you. I show you how to approach girls, get their contact information, and how to conversant with them afterwards to secure a date. I go over the number one mistake most guys make during this process, as well as the one quality that will put you above all other men when talking to women (hint: it's not a lifted

truck). Chapter 6: The Date - We then go over how to handle the date. I show you exactly how to ask for the date, where to go, and what to do during the date. This includes conversation topics that release dopamine (feel good) chemicals in a woman's brain, as well as techniques you can employ during the date to keep her attention. I then go over what to do after the date to keep her interested in you for the long run to make her your girlfriend. Chapter 7: The What If's? - What if she flakes on the date? What if she says maybe? What if she starts losing interest? All these questions and more are handled in this chapter, showing you the exact techniques to employ to handle each situation, which will keep a woman interested in you.

Appendix - I provide 70 opening messages, original to this book, to use when texting girls. These are unique, funny messages, which will make you stand out from other men. As a FREE bonus, only to buyers of this book, I provide you with my special report,

Subconscious Attraction: 3 Techniques that Will Attract Her Subconsciously. These are perfect to use during the first date! If you want to become more successful with women and start getting the girls you've always desired, you can't risk not knowing this information. Do you know what women really expect from you on the First Date? Having sex on the First Date is possible! If yes, you've probably made one or more of these 7 mistakes: Trying to create a romantic atmosphere by overdoing it with compliments and gifts Do not give an emotional/sexual direction to the conversation Trying to impress her by showing how rich you are or how cool you are Being afraid to touch it Dating women you

don't like Waiting for the last moment to kiss her Expecting to have sex with her just because you took her to an expensive restaurant When a woman goes out with a man, she would like to get excited about the enormous sexual tension, let herself go to safety, feel the chills for the deep emotions she feels. ...guess what?! it's not up to them, it's up to you!
