The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you

and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Bye Felipe - Alexandra Tweten 2018-08-21

From the creator of the viral Instagram account comes an empowering guide to navigating the hazards and horrors of online dating. After one too many hostile dating app encounters, Alexandra Tweten set up the Instagram account @ByeFelipe, a place for women to protest the horrors of online dating, and to share stories and screenshots of their own experiences. Three years later, the account has become a forum where women can fight back against the men who have made them uncomfortable, scared, and embarrassed -- and to laugh at the appalling men they encounter. The name of Bye Felipe is a nod to the "Bye Felicia" meme, which Urban Dictionary defines as a cool dismissal of a noxious person. In that spirit, the book helps women navigate the perils that come with swiping right and provides practical steps to overcome the harassment rampant in the dating app ether. Blending humor, feminist theory, and solidarity, this "field guide" provides profiles of the worst types of guys (also known as "Felipes") -- from the classic fat shamer to the mansplainer to the surprise sociopath -- answers questions like "How do I react when a guy sends me a dic pic?," and gives women the tools they need to take control of their dating life. With stories, screenshots, and Riot Grrrl-esque graphic art throughout, Bye Felipe empowers women to stand up for themselves and uphold the confidence and self-worth Felipes try so desperately to steal.

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive

answers everything you need to know about attracting women if you do not look like Prince Charming.

[Think Like a Feminist: The Philosophy Behind the Revolution](#) - Carol Hay 2020-09-01

An audacious and accessible guide to feminist philosophy—its origins, its key ideas, and its latest directions. *Think Like a Feminist* is an irreverent yet rigorous primer that unpacks over two hundred years of feminist thought. In a time when the word feminism triggers all sorts of responses, many of them conflicting and misinformed, Professor Carol Hay provides this balanced, clarifying, and inspiring examination of what it truly means to be a feminist today. She takes the reader from conceptual questions of sex, gender, intersectionality, and oppression to the practicalities of talking to children, navigating consent, and fighting for adequate space on public transit, without deviating from her clear, accessible, conversational tone. *Think Like a Feminist* is equally a feminist starter kit and an advanced refresher course, connecting longstanding controversies to today's headlines. *Think Like a Feminist* takes on many of the essential questions that feminism has risen up to answer: Is it nature or nurture that's responsible for our gender roles and identities? How is sexism connected to racism, classism, homophobia, transphobia, and other forms of oppression? Who counts as a woman, and who gets to decide? Why have men gotten away with rape and other forms of sexual violence for so long? What responsibility do women themselves bear for maintaining sexism? What, if anything, can we do to make society respond to women's needs and desires? Ferocious, insightful, practical, and unapologetically opinionated, *Think Like a Feminist* is the perfect book for anyone who wants to understand the continuing effects of misogyny in society. By exploring the philosophy underlying the feminist movement, Carol Hay brings today's feminism into focus, so we can deliberately shape the feminist future.

[Get the Guy](#) - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep

him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

A Girl Aboard the Titanic - Eva Hart 2014-02-15

The remarkable memoir of Eva Hart, a 7-year-old survivor of the Titanic Disaster

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I -

Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you. *Me And The Pandemic* - Veer Bathija 2022-01-11

First Date Stories - Jodi Klein 2021-09-14

Ellen meets Jim at a posh restaurant, hoping for an evening of fine wine and better conversation. Maria sets out on a walk with a man she's been looking forward to meeting. In *First Date Stories*, these women, and others, enter into initial liaisons with well-honed expectations—and come out on the other side with extraordinary tales to tell. Chances are, every woman in her mid-thirties and over who is seeking a loving companion has a first date tale of triumph or disaster. Each of the candid and memorable stories Jodi Klein shares here imparts a bit of wisdom—with the help of takeaway tips and inspirational quotes—to guide readers through what can be a baffling, intimidating, and sometimes lonely journey. Before a promising first date, or after an awful one, *First Date Stories* offers readers the reminder that being single should be celebrated, that not all first dates are created equal, and that every initial encounter has the possibility to become something long-lasting and wonderful.

Dating Sucks, But You Don't - Connell Barrett 2021-05-11

From renowned international dating coach comes an essential, must-have dating guide for men looking to gain confidence and find lasting love in the #MeToo era. Rejection. Ghosting. Not knowing how to talk to women. For many men, dating just sucks. But it doesn't have to. There's a simple, yet powerful, way to gain instant confidence and attract a great

girlfriend: Be authentic. Whether you want to confidently approach women, get quality matches on dating apps, or learn how to avoid the “friend zone,” *Dating Sucks, but You Don’t* is your step-by-step blueprint for landing your soulmate. Using the power of “radical authenticity,” you’ll unlock your most awesome self and learn how to: -Be magnetic as you...even if you’re not rich, tall, or great-looking -Always know what to say to ignite chemistry -Get dates and connect with great women without using creepy “pickup artist” tricks -Conquer fear and anxiety and confidently approach women (in a way they love) -Get great matches and dates on Tinder, Bumble, Match, Hinge, or any other dating app -Be a true gentleman of the #MeToo era who respects women and understands the boundaries surrounding consent -Create a healthy, supportive relationship with someone who loves you for you You definitely don’t suck. And when you have total self-confidence and great results, neither does dating.

[Twenty Guys You Date in Your Twenties](#) - Gabi Conti 2020-05-26

A bitingly funny field guide to modern love from the woman who's dated them all. Through highly relatable anecdotes from a decade of dating, *Twenty Guys You Date in Your Twenties* dives into the joys, frustrations, and hilarity of swiping right on relationships. After a world-shattering breakup in her early twenties, comedian Gabi Conti logged thousands of hours on dating apps, conducting research and gathering intel on our behalf. Real and relatable, this dating guide is laugh-out-loud funny without being prescriptive or cynical. • Each chapter focuses on a different type of guy and offers advice on how to deal, from The Guy Who's Great on Paper to The Guy Who Texts "sup" at 2 a.m. • Includes charts, quizzes, and "Boy Bingo" • Captures the frustrations, heartache, and hilarity of Tinder, Bumble, Hinge, OkCupid, and all other online dating apps For the modern, app-using woman, this hilarious dating guide profiles 20 stereotypical men, from their physical appearance and dating style to red flags, tips, and success stories. Filled with charts and quizzes, hysterical anecdotes, and helpful insight from therapists and dating coaches, these pages offer advice and humor in equal measure. • Offers sincere advice to cope with dating app horror stories • Great for

[Dataclysm](#) - Christian Rudder 2014-09-09

A New York Times Bestseller An audacious, irreverent investigation of human behavior—and a first look at a revolution in the making Our personal data has been used to spy on us, hire and fire us, and sell us stuff we don’t need. In *Dataclysm*, Christian Rudder uses it to show us who we truly are. For centuries, we’ve relied on polling or small-scale lab experiments to study human behavior. Today, a new approach is possible. As we live more of our lives online, researchers can finally observe us directly, in vast numbers, and without filters. Data scientists have become the new demographers. In this daring and original book, Rudder explains how Facebook "likes" can predict, with surprising accuracy, a person’s sexual orientation and even intelligence; how attractive women receive exponentially more interview requests; and why you must have haters to be hot. He charts the rise and fall of America’s most reviled word through Google Search and examines the new dynamics of collaborative rage on Twitter. He shows how people express themselves, both privately and publicly. What is the least Asian thing you can say? Do people bathe more in Vermont or New Jersey? What do black women think about Simon & Garfunkel? (Hint: they don’t think about Simon & Garfunkel.) Rudder also traces human migration over time, showing how groups of people move from certain small towns to the same big cities across the globe. And he grapples with the challenge of maintaining privacy in a world where these explorations are possible. Visually arresting and full of wit and insight, *Dataclysm* is a new way of seeing ourselves—a brilliant alchemy, in which math is made human and numbers become the narrative of our time.

The Message Game: A Guide to Dating at the Touch of a Button - Ice White 2020-01-07

The Message Game is about many things. It's not just a dating guide for men to get dates quickly and efficiently through dating apps like Tinder,

or social media. It's about becoming a good communicator, knowing how to lead conversations and being able to set up genuinely fun activities that maximize your sexual results and relationships. With hundreds of analyzed screenshots collected from dedicated Message Game followers and Ice White himself, this is a visual guide with real stories of sex and adventures, and real conversations that have provided an understanding of successes and failures. All the learning has been done for you and compiled into a structured guide that can answer all your possible questions. From maximizing how many contacts and phone numbers you get to setting up dates quickly, from getting dates to getting laid, and from logistics to escalation. The book also features special sections that are especially useful, such as: The Situation Index - A table of common situations with references to every single page that has explained or showed the given situation. She isn't responding? She doesn't want anything serious? She says she is busy? She is only visiting your town or city? She thinks you just want sex? Whatever it is, we have the pages. Frequently Asked Questions - A summary of many common questions, such as how long you should wait to reply, how often you should message someone, if you should use Tinder superlikes, if you should swipe a certain way on Tinder, and SO MUCH MORE. Without hesitation, this book is your own personal guide to getting the dates you want as frequently as possible.

How to Not Die Alone - Logan Ury 2021-02-02

A “must-read” (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, “Why has everyone found love except me?” You’re not the only one. Great relationships don’t just appear in our lives—they’re the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn’t lead to results. You have to actually change your behavior. Ury shows you how. This “simple-to-use guide” (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You’ll learn: - What’s holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn’t) -How to overcome the perils of online dating (and make the apps work for you) - How to meet more people in real life (while doing activities you love) - How to make dates fun again (so they stop feeling like job interviews) - Why “the spark” is a myth (but you’ll find love anyway) This “data-driven” (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.
