**The Girl from Glengarry** Ralph Connor 2022-11-22 The Girl from Glengarry by Ralph Connor follows the story of a young girl named Sylvia and her dog, Paddy. Excerpt: "The Ottawa, tawny and turbulent with spring freshets, rolled majestic, full bank to bank, and flooding the flats, marooning the great elms which stood guard over a little old solidly built log cabin. From across the river upon a curving line of hills, the sunset fell in a glow of purple and gold."

**Crush on the Shy Guy** Anne Marie Sampson 2019-01-12 If you love contemporary, inspirational-romance stories that are clean and wholesome and often include strong, career-driven women getting a second chance at love, you will love this book. Is he just not into her or is he shy? After a devastating break-up, Karrie Hudson, a writer from NYC, wasn't exactly looking for love when she joined the writers club in a small town. This writer of strong-female, self-help books wanted to stop spending so much time working alone and meet fellow authors and make friends. She just wanted to write, socialize, and bounce some ideas around. But once she was there, she knew she was in trouble. Despite signing a document stating that she was not there to use the club as a dating service, she found herself torn between two men, Kenner and Thomas. Both were filled with good qualities, from their handsome good-looks to their writing ability, but Karrie only wanted one of them. Thomas causes situations to spend more and more time with Karrie making it look like they are a couple despite the agreement of the class. Kenner is driven further away by this and Karrie is confused as to whether Kenner is shy. She hopes he is shy instead of the other option of not returning her attraction. Karrie knew quickly which man she would rather be with. And, of course, it wasn't the one who acted like he wanted her the most. Karrie must decide before she spends too much time with one of them and the other one makes the decision for her. Should Karrie choose the man who seems to care more for her? Or pursue the one she really wants? This is a book of around 12,000 words. No cliffhangers, no cheating, and has a HEA.

**The Guyde** Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**Where Good Girls Go to Die** Holly Renee 2017-04-13 It was a bad idea from the beginning. He was my brother's best friend and the definition of unavailable. But I didn't care. I had loved him for as long as I could remember. He was worth the risk. He was worth everything. But then he broke my heart as easily as I fell for him. He watched me fall, spiraling out of control, and as I reached for him, he wasn't there to catch me. So I ran. Four years later, I never expected to see him again. He was still my brother's best friend, and he was more unavailable than ever. He looked every bit the bad boy I knew he was, covered in tattoos and a crooked smile. Guarding my heart from him was top priority because Parker James was where good girls go to die. Unfortunately for him, I wasn't a good girl anymore.

**Incidents in the Life of a Slave Girl** Harriet Ann Jacobs 1861 Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. I wish I were more competent to the task I have undertaken. But I trust my readers will excuse deficiencies in consideration of circumstances. I was born and reared in Slavery; and I remained in a Slave State twenty-seven years. Since I have been at the North, it has been necessary for me to work diligently for my own support, and the education of my children. This has not left me much leisure to make up for the loss of early opportunities to improve myself; and it has compelled me to write these pages at irregular intervals, whenever I could snatch an hour from household duties.
