**Feels Like Family (A Sweet Magnolias Novel, Book 3)** - Sherryl Woods 2009-03-01

Out Now on Netflix Life can be full of surprises... Helen Decatur spent a lifetime setting goals - getting through university and opening her own law practice, becoming financially secure and establishing herself as one of the most highly respected marriage lawyers in South Carolina.

**On Her Own Ground** - A'Lelia Bundles 2002-01-01

Soon to be a Netflix series starring Octavia Spencer, *On Her Own Ground* is the first full-scale biography of "one of the great success stories of American history" (The Philadelphia Inquirer), Madam C.J. Walker—the legendary African American entrepreneur and philanthropist—by her great-great-granddaughter, A'Lelia Bundles. The daughter of formerly enslaved parents, Sarah Breedlove—who would become known as Madam C. J. Walker—was orphaned at seven, married at fourteen, and widowed at twenty. She spent the better part of the next two decades laboring as a washerwoman for \$1.50 a week. Then—with the discovery of a revolutionary hair care formula for black women—everything changed. By her death in 1919, Walker managed to overcome astonishing odds: building a storied beauty empire from the ground up, amassing wealth unprecedented among black women, and devoting her life to philanthropy and social activism. Along the way, she formed friendships with great early-twentieth-century political figures such as Ida B. Wells, Mary McLeod Bethune, W.E.B. Du Bois, and Booker T. Washington.

**Sex Education: The Road Trip** - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have now accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

*Unpregnant* - Jenni Hendriks 2020-01-02

Veronica is top of her class - and somehow she's found herself gazing in disbelief at a positive pregnancy test. Even worse, her ex-best friend and the high school's legendary malcontent, Bailey, is the only one there to help. In this warm and darkly funny road trip story, Veronica and Bailey drive a thousand miles to an out-of-state abortion clinic - rediscovering their friendship in the process

**Love This For You** - Deni Todorović 2022-11-01

A guidebook to being your best, most authentic self, from Instagram sensation Deni Todorović aka Style by Deni How can I love myself? How do you live so authentically? Deni Todorović never meant to become a poster child for self-love. On their popular Instagram page, Style by Deni, they show their followers what it means to lead a joyous, open-hearted life - but this wisdom has been hard-won, and in this book Deni shares how they've learned to live on their own terms. As a queer, non-binary person and as a child of migrants, Deni knows firsthand what it means to exist between worlds and to step into one's truth. We all grow up in a society that teaches us the rules about how to fit in, but Deni has learnt from a career in fashion that it's not always a good idea to follow the dress code. Full of intimate, insightful reflections on everything from family and culture to friendship, dating and career goals, and packed with useful tips, tools and techniques, *Love This for You* invites you to explore each pillar of your identity in order to start healing and live with great intention. If you've ever felt lost, walking through your life with the light switch off, this book is here to guide you into your light. Are you ready to go on your own journey to self-love?

**The Innocent Man** - John Grisham 2010-10-28

"John Grisham's first work of non-fiction, an exploration of small town justice gone terribly awry, is his most extraordinary legal thriller yet. In the major league draft of 1971, the first player chosen from the State of Oklahoma was Ron Williamson. When he signed with the Oakland A's, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits - drinking, drugs and women. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept 20 hours a day on her sofa. In 1982, a 21 year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution's case was built on junk science and the testimo"

*Happy Single Mother* - Sarah Thompson 2023-02-25

Being a single mother wasn't always part of the plan. The fear of it kept me and my family in a situation that wasn't good for any of us. I never thought it could be the life change we all needed. Yes, it can be exhausting, lonely, and financially tough. But it can also be empowering and joyful, in ways you might never have imagined. At first, I felt like a big failure. And how was I supposed to feed and clothe my children, keep a roof over our heads, and work wearing something other than pyjamas, while also remembering to at least once a week drink a glass of water? But as I began to let go of other people's expectations, I started to enjoy the freedom of being a single parent: I was liberated, empowered and able to be the authentic mother I wanted to be. In this book, I share my own experience of single motherhood, alongside insights from fellow solo parents, child psychologists and other experts, providing reassurance and tips to help you: Raise resilient, emotionally intelligent children Manage your money Navigate the world of dating Forge meaningful friendships Discover the untold joys of the single-mother life From one single mother to another, this book celebrates solo parenting and tackles the issues that we face daily, offering a fresh perspective and practical advice for anyone who has ever felt the weight of disappointment and guilt at their single parent status, declared themselves a failure or worried about their children's 'outcomes.' I hope reading about my experiences will help you feel excited and proud to be a single mother. 'Full of real advice, hopeful and uplifting, Sarah Thompson is the friend every single mother needs in her life.' Emma Bunton 'Refreshing... I related so much... it felt like I was being seen... empowering. I found myself laughing out loud quite often while reading it.' Goodreads reviewer 'As a single mother it's so wonderful to feel validated and know you're not alone. There is hope in this journey. Enjoyable and helpful read!' Goodreads reviewer 'A really good read... interesting, informative, entertaining... a well-researched and intriguing book that was exactly what I needed.' Goodreads reviewer 'I really enjoyed this... I'm a single

mum and it's great to know there are others out there feeling the same way... reminded me to appreciate the good that has come from being a single mother. I highly recommend this.' Goodreads reviewer

**The Alienist (TNT Tie-in Edition)** - Caleb Carr 2017-11-21

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • “A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—Entertainment Weekly “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—The Washington Post Book World “Mesmerizing.”—Detroit Free Press “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News

“Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unfailingly smart thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

**Influenced** - Brian Boxer Wachler MD 2022-12-31

“This engaging, eye-opening book covers everything anyone would ever want to know about social media influencers.” —Booklist, Starred Review Unpacks and pulls the curtain back on what happens to our brains and our behaviors each time we addictively engage social media and the influencers we encounter there. Individuals seeking to widen their tribes of friends, fans, and followers have an abundance of resources for building their digital footprints and social media popularity. All of this seems well and good from the perspective of revenue, exposure, and perhaps ego-building, but what is the impact of this on the human brain and our behavior? Is anyone paying attention to the lurking side effects of the social media influencer revolution? As “Dr. Brian” Boxer

Wachler—one of the world’s most esteemed authorities on human perception—reveals in *Influenced: The Impact of Social Media on Our Perception*, we are oblivious to the mental evolution that is already in process. Science is proving that our addictive reliance upon social media and its influencers is having a demonstrable impact on how we think, feel, and perceive everything around us— and even how we react to stimuli. One might think that a “Like” is nothing more than a split-second tap on a device. However, brain scans tell a different story. Our brains literally light up with every buzz, ding, alert, and ring in anticipation of how our network is responding to us. As we tap away at our devices, we anxiously seek the approval of others—often people we don’t know. *Influenced* unpacks what happens to our brains and our behaviors each time we click “Like”; follow an influencer; consume a video; share or reshare an article; post or repost a photograph; write a comment; pile on a trend;; just scroll for new content; and why do we keep coming back for more. Dr. Boxer Wachler includes his own social and medical findings and highlights them with interviews with top influencers, the latest studies, and pop-culture anecdotes.

**Sex Education: A Guide to Life** - Jordan Paramor 2022-01-25

The official, must-have modern fully fleshed out guide to relationships, sex, and much more from the original Netflix series, *Sex Education*. Questioning your body? Not sure about how you feel? Worried if that thing is normal? Unlikely educator Otis Milburn and his friends offer frank, feminist, and positive guidance in this life-changing book. Cover everything from knowing your anatomy, feeling confident about how you look, and understanding how you feel, along with the topics of consent, sexuality, and the minefield that is modern love--this guide answers all the questions you are too scared to ask, in a language you will understand. With insight from your favorite *Sex Education* characters, quotes to live your life by, therapy notes, diagrams, tips, takeaways, and a whole lot of fun, this fully illustrated book is both a companion to the popular Netflix original series and a practical guide to navigating the real world.

**I'm Special** - Ryan O'Connell 2015-06-02

NOW a NETFLIX series entitled *Special* from Executive Producer JIM PARSONS starring RYAN O'CONNELL as himself. From the beloved blogger turned voice of an online generation, an unforgettable and hilarious memoir-meets-manifesto exploring what it means to be a millennial gay man living with cerebral palsy, which VICE calls “a younger, gay version of Mary Karr's *Lit*.” People are obsessed with Ryan O'Connell’s blogs. With tens of thousands reading his pieces on Thought Catalog and Vice, watching his videos on YouTube, and hanging on to each and every #dark tweet, Ryan has established himself as a unique young voice who’s not afraid to dole out some real talk. He’s that candid, snarky friend you consult when you fear you’re spending too much time falling down virtual k-holes stalking your ex on Facebook or when you’ve made the all-too-common mistake of befriending a psycho while wasted at last night’s party and need to find a way to get rid of them the next morning. But Ryan didn’t always have the answers to these modern-day dilemmas. Growing up gay and disabled with cerebral palsy, he constantly felt like he was one step behind everybody else. Then the rude curveball known as your twenties happened and things got even more confusing. Ryan spent years as a Millennial cliché: he had dead-end internships; dabbled in unemployment; worked in his pajamas as a blogger; communicated mostly via text; looked for love online; spent hundreds on “necessary” items, like candles, while claiming to have no money; and even descended into aimless pill-popping. But through extensive trial and error, Ryan eventually figured out how to take his life from bleak to chic and began limping towards adulthood. Sharp and entertaining, *I’m Special* will educate twentysomethings (or other adolescents-at-heart) on what NOT to do if they ever want to become happy fully functioning grown-ups with a 401k and a dog.

**Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution** - Meredith Ralston 2021-06-16

The sexual revolution is unfinished. A sexual double standard between men and women still exists, and society continues to punish bad girls and reward good ones. Until we eliminate good-girl privilege and bad-girl stigma, women will not be fully free to embrace their sexuality. In *Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution* Meredith Ralston looks at the common denominators between the #MeToo movement, the myths of rape culture, and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy. Weaving in history, pop culture, philosophy, interviews with sex workers, and personal anecdotes, Ralston shows how women cannot achieve sexual equality until the sexual double standard and good

girl/bad girl binary are eliminated and women viewed by society as "whores" are destigmatized. Illustrating how women's sexuality is policed by both men and women, she argues that women must be allowed the same personal autonomy as men: the freedom to make sexual decisions for themselves, to obtain orgasm equality, and to insist on their own sexual pleasure. Dispelling the myth that all sex workers are victims and all clients are violent, Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution calls out Western society's hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women.

**In at the Deep End** - Kate Davies 2019

"A fresh, funny, audacious debut novel about a Bridget Jones-like twenty-something who discovers that she may have simply been looking for love -- and, ahem, pleasure -- in all the wrong places (aka: from men)"--

**All I Ever Wanted** - Kathy Valentine 2020-04-09

At twenty-one, Kathy Valentine was at the Whisky in Los Angeles when she met a guitarist from a fledgling band called the Go-Go's—and the band needed a bassist. The Go-Go's became the first multi-platinum-selling, all-female band to play instruments themselves, write their own songs, and have a number one album. Their debut, *Beauty and the Beat*, spent six weeks at the top of the Billboard 200 and featured the hit songs "We Got the Beat" and "Our Lips Are Sealed." The record's success brought the pressures of a relentless workload and schedule culminating in a wild, hazy, substance-fueled tour that took the band from the club circuit to arenas, where fans, promoters, and crew were more than ready to keep the party going. For Valentine, the band's success was the fulfillment of a lifelong dream—but it's only part of her story. *All I Ever Wanted* traces the path that took her from her childhood in Texas—where she all but raised herself—to the height of rock 'n' roll stardom, devastation after the collapse of the band that had come to define her, and the quest to regain her sense of self after its end. Valentine also speaks candidly about the lasting effects of parental betrayal, abortion, rape, and her struggles with drugs and alcohol—and the music that saved her every step of the way. Populated with vivid portraits of Valentine's interactions during the 1980s with musicians and actors from the Police and Rod Stewart to John Belushi and Rob Lowe, *All I Ever Wanted* is a deeply personal reflection on a life spent in music.

**Come As You Are: Revised and Updated** - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.
