

Jasmin Sex Positive Meaning

Canadian Islamic Schools - Jasmin Zine

2008-01-01

Based on eighteen months of fieldwork and interviews with forty-nine participants, *Canadian Islamic Schools* provides significant insight into the role and function that Islamic schools have in Diasporic, Canadian, educational, and gender-related contexts.

The Roommate Risk - Talia Hibbert 2018-04-21

Two best friends. Seven years of pining. One explosive summer... Romance is weakness, and Jasmine Allen doesn't have time for either. Lifelong cynic Jas is the queen of one-night things—until a plumbing disaster screws everything up and leaves her temporarily homeless. Luckily, she has someone to turn to: her best friend Rahul. For seven years, Rahul Khan has followed three simple rules. Don't touch Jasmine if you can help it. Don't look at her arse in that skirt. And don't ever—ever—tell her you love her. He should've added another rule: Do not, under any circumstances, let Jas move into your house. Now Rahul is living with the friend he can't have, and it's decimating his control. He knows their shared dinners aren't dates, their late-night kisses are a mistake, and the tenderness in Jasmine's gaze is only temporary. One wrong word could send his skittish best friend running. So why is he tempted to risk it all?

Muslim Women, Transnational Feminism and the Ethics of Pedagogy - Lisa K. Taylor 2014-06-27

Following a long historical legacy, Muslim women's lives continue to be represented and circulate widely as a vehicle of intercultural understanding within a context of the "war on terror." Following Edward Said's thesis that these cultural forms reflect and participate in the power plays of empire, this volume examines the popular and widespread production and reception of Muslim women's lives and narratives in literature, poetry, cinema, television and popular culture within the politics of a post-9/11 world. This edited collection provides a timely exploration into the

pedagogical and ethical possibilities opened up by transnational, feminist, and anti-colonial readings that can work against sensationalized and stereotypical representations of Muslim women. It addresses the gap in contemporary theoretical discourse amongst educators teaching literary and cultural texts by and about Muslim Women, and brings scholars from the fields of education, literary and cultural studies, and Muslim women's studies to examine the politics and ethics of transnational anti-colonial reading practices and pedagogy. The book features interviews with Muslim women artists and cultural producers who provide engaging reflections on the transformative role of the arts as a form of critical public pedagogy.

Delivered to the Light - Kenneth D. Hubler

2021-09-13

In this day and age, many people throughout the world suffer with many types of addictions, some more damaging to the body and spirit than others. Nevertheless, they are all damaging to the soul. Don't let anyone ever tell you otherwise. Sadly, far too many of these tortured individuals don't even know they have them or, if they do know, want to overcome them. To be certain, a person who has an addiction will always have it. This is a well-known established medical fact. However, through various positive and inspired means, that addiction can be managed so that person will be able to live a happy and so-called "normal" life, staying "clean and sober" till the day he or she dies. In *Delivered to the Light: My Sex, Porn, and Drug Addictions, and How I Overcame Them*, the author details and describes how over approximately a ten-year period of his middle-aged life these addictions and some others, with which the author suffered, brought him immense pain, suffering, and sorrow, even to the gates of hell and the edge of a tragic death. However, miraculously, through the grace of a loving and merciful God, and with the help of wonderful and extremely skilled doctors and counselors, and finally through the long-suffering of loved

ones and friends, he was saved and delivered to the light of God's mercy! The author strongly maintains that this book, in its entirety, is true. There is nothing in it that is fiction except for any person's name mentioned in it. It is the prayer of the author that all who are suffering with any type of addiction may find hope that they may be delivered in time from these afflictions. It is possible. It truly is!

Revelation or Damnation? Depictions of Violence in Sarah Kane's Theatre - Lea Jasmin Gutscher
2014-11-01

With her controversial stage art, the young playwright Sarah Kane broke new dramaturgic ground and made a lasting impression that changed British drama forever. Even though it is part of the canon covering post-war drama, Kane's work has often met with misunderstanding and fierce criticism due to the uncountable representations of atrocities. How can we make sense of Kane's seemingly crude and bleak theatre? Mainly concentrating on the play *Cleansed*, the author examines the nature of violence in Kane's writing. What purpose does it serve? Is it simply employed for its shock value? Or is it rather used as a metaphor? Kane herself considered her third full-length play as a play about love. In suggesting a figurative reading of the late playwright's texts, the author shows how Kane embraces violence as a metaphor of the various sufferings both love and life perpetrate upon the human being. Locked beneath the revolting cruelties, we can find a vivid theatricality, powerful images, and a unique rhythm and sound of language.

Get A Life, Chloe Brown - Talia Hibbert
2019-11-05

'I loved every page' Helen Hoang, USA Today bestselling author of *The Kiss Quotient* 'Smart, funny, and sexy' Meg Cabot, author of *No Judgments* and the *Princess Diaries* series Talia Hibbert delivers a witty, hilarious romantic comedy about a woman who's tired of being 'boring' and recruits her mysterious, sexy neighbour to help her get a life - perfect for fans of Sally Thorne, Jasmine Guillory and Helen

Hoang! Chloe Brown is a chronically ill computer geek with a goal, a plan and a list. After almost - but not quite - dying, she's come up with a list of directives to help her 'Get a Life': - Enjoy a drunken night out - Ride a motorbike - Go camping - Have meaningless but thoroughly enjoyable sex - Travel the world with nothing but hand luggage - And . . . do something bad But it's not easy being bad, even when you've written out step-by-step guidelines. What Chloe needs is a teacher, and she knows just the man for the job: Redford 'Red' Morgan. With tattoos and a motorbike, Red is the perfect helper in her mission to rebel, but as they spend more time together, Chloe realises there's much more to him than his tough exterior implies. Soon she's left wanting more from him than she ever expected . . . maybe there's more to life than her list ever imagined? *** Why readers love *Get A Life*, Chloe Brown 'Funny, sexy and intensely romantic' Lucy Parker, author of *The Austen Playbook* 'Clever, sweet, sexy and brilliant' Carrie Ann Ryan, *New York Times* bestselling author 'So so so so good' Andie J. Christopher, *USA Today* bestselling author of *Not the Girl You Marry* 'A pure exuberant delight. I loved this book' KJ Charles, author of *Proper English* '[An] awesome book, so full of heart and warmth and feels!' Charlotte Stein, author of *Never Sweeter* 'Hilarious, heartfelt and hot' *Kirkus Reviews* (starred review) 'If you liked Jasmine Guillroy's *The Proposal*, you'll love Talia Hibbert's *Get A Life*, Chloe Brown' Marie Claire

The Case for Marriage - Linda Waite
2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is

Downloaded from
legacy.opendemocracy.net on 2023-02-20
by guest

better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

Los Angeles Magazine - 2003-11

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The Jasmine Project - Meredith Ireland
2021-09-07

Jenny Han meets The Bachelorette in this "sparkling, witty, warm-hearted gem" (Karen M. McManus, #1 New York Times bestselling author of One of Us Is Lying) of a romantic comedy about a teen Korean American adoptee who unwittingly finds herself at the center of a competition for her heart, as orchestrated by her

overbearing, loving family. Jasmine Yap's life is great. Well, it's okay. She's about to move in with her long-time boyfriend, Paul, before starting a nursing program at community college—all of which she mostly wants. But her stable world is turned upside down when she catches Paul cheating. To her giant, overprotective family, Paul's loss is their golden ticket to showing Jasmine that she deserves much more. The only problem is, Jasmine refuses to meet anyone new. But...what if the family set up a situation where she wouldn't have to know? A secret Jasmine Project. The plan is simple: use Jasmine's graduation party as an opportunity for her to meet the most eligible teen bachelors in Orlando. There's no pressure for Jasmine to choose anyone, of course, but the family hopes their meticulously curated choices will show Jasmine how she should be treated. And maybe one will win her heart. But with the family fighting for their favorites, bachelors going rogue, and Paul wanting her back, the Jasmine Project may not end in love but total, heartbreaking disaster.

Neuroimaging Personality, Social Cognition, and Character - John R Absher 2016-01-30

Neuroimaging Personality, Social Cognition, and Character covers the science of combining brain imaging with other analytical techniques for use in understanding cognition, behavior, consciousness, memory, language, visual perception, emotional control, and other human attributes. Multidimensional brain imaging research has led to a greater understanding of character traits such as honesty, generosity, truthfulness, and foresight previously unachieved by quantitative mapping. This book summarizes the latest brain imaging research pertaining to character with structural and functional human brain imaging in both normal individuals and those with brain disease or disorder, including psychiatric disorders. By reviewing and synthesizing the latest structural and functional brain imaging research related to character, this book situates itself into the larger framework of cognitive neuroscience, psychiatric neuroimaging, related fields of research, and a wide range of academic fields, such as politics, psychology, medicine, education, law, and religion. Provides a novel innovative reference on the emerging use of

neuroimaging to reveal the biological substrates of character, such as optimism, honesty, generosity, and others Features chapters from leading physicians and researchers in the field Contains full-color text that includes both an overview of multiple disciplines and a detailed review of modern neuroimaging tools as they are applied to study human character Presents an integrative volume with far-reaching implications for guiding future imaging research in the social, psychological and medical sciences, and for applying these findings to a wide range of non-clinical disciplines such as law, politics, and religion Connects brain structure and function to human character and integrates modern neuroimaging techniques and other research methods for this purpose

Your Brain's Politics - George Lakoff
2016-11-08

At first glance, issues like economic inequality, healthcare, climate change, and abortion seem unrelated. However, when thinking and talking about them, people reliably fall into two camps: conservative and liberal. What explains this divide? Why do conservatives and liberals hold the positions they do? And what is the conceptual nature of those who decide elections, commonly called the "political middle"? The answers are profound. They have to do with how our minds and brains work. Political attitudes are the product of what cognitive scientists call Embodied Cognition — the grounding of abstract thought in everyday world experience. Clashing beliefs about how to run nations largely arise from conflicting beliefs about family life: conservatives endorse a strict father and liberals a nurturant parent model. So-called "middle" voters are not in the middle at all. They are morally biconceptual, divided between both models, and as a result highly susceptible to moral political persuasion. In this brief introduction, Lakoff and Wehling reveal how cognitive science research has advanced our understanding of political thought and language, forcing us to revise common folk theories about the rational voter.

The Little Black Book for Girlz - St. Stephen's Community House 2006

A guide to healthy sexuality by teenage girls for teenage girls discusses relationships, birth control, pregnancy, and sexual assault through

fiction, poetry, interviews, how-tos, articles, and drawings.

Reclaim Your Superpowers - Ava Miles
2020-08-17

"An exquisite exploration..." Dr. Shawne Duperon, Nobel Peace Prize Nominee "A life-changing journey..." Crystal Andrus Morissette, S.W.A.T. Institute "A must-read..." Angela Polidoro, former Editor for Random House's Ballantine Bantam Dell International Bestselling Author Ava Miles shows readers how to overhaul the false power ruining their lives and reclaim their true power—their superpower—to live their best life, perfect for fans of Brene Brown. "Here are all the tools you need to save your own world—cape, supersuit, and a new bad-ass attitude implied." -Kathia Zolfaghari, International Bestseller and Kung Fu Master Do you remember the last time you believed you could do anything? When you were your own superhero—strong and capable and in charge of your life? Many of us were plugged into our true power in childhood, but it was disconnected as we grew up and graduated as adults in our communities, the work force, and our relationships. Now current events have kicked us in the gut and plunged us into new depths of powerlessness. Never before have we needed to relearn and reclaim our true power. Ava worked with top leaders in the world's greatest power centers, formulating plans to rebuild war zones and implementing them on the ground. Through her work, she learned true power creates a better life; false power destroys it. Her ring-side seat to zero-sum power led her to search for a new kind: true, instinctive personal power. In *Reclaim Your Superpowers*, Ava guides us through the steps she took to reclaim her own life, going from a rat-race professional to an international bestselling author living her dream life from zero-to-sixty. This cutting-edge guide gives you a practical blueprint on: · The ins and outs of real personal power · Diving into your fears and misuses around power · How to assess where you're using false power and getting nowhere · Spotlight Tools to identify the origin stories holding you back · Take Back Tools to reconnect you to your true power · Super Tools to tease out your winning traits to plan and manifest what you really want It's time to take back your power—your superpowers. It's time to

start living your best life. Reclaim Your Superpowers is part of The Lost Guides to Living Your Best Life series, a complete system to help us reclaim the nine superpowers essential to rocking life. *** Ava Miles is the international bestselling author of powerful books about love, happiness, and transformation. As a former conflict expert, Ava rebuilt warzones in places like Lebanon, Colombia, and the Congo to foster peaceful and prosperous communities. While rewarding, Ava recognized she could affect more positive change in the world by addressing the real roots of conflict and unhappiness. In becoming an author, she realized her best life: healing the world through books. Her novels have received praise and accolades from USA Today, Publisher's Weekly, and Women's World Magazine in addition to being chosen as Best Books of the Year and Top Editor's picks. However, Ava's strongest praise comes directly from her readers, who call her books life changing. The Lost Guides to Living Your Best Life represent the culmination of her work as a conflict expert, life coach, and wellness expert. *** Reviews "Ava gives us the tools we need to reclaim our everyday joy and honest expression. Rediscover my inner superpowers? Yes, please! The Lost Guides are a world changer. Well done, Ava." ~ International Bestseller and Kung Fu Master Kathia Zolfaghari "A life-changing journey every woman will want to take." ~ Crystal Andrus Morissette, Founder of the S.W.A.T. Institute (Simply Woman Accredited Trainer) "Miles' series is an exquisite exploration of internal discomfort and courage, allowing you to reclaim your divine soul and fully express your womanhood. I highly recommend." ~ Dr. Shawne Duperon, Project Forgive Founder, Nobel Peace Prize Nominee, on The Lost Guides "Miles provides us with essential advice on how we can shed the beliefs that are making us miserable and find our way back to our inner goddesses... She guides us through the sometimes turbulent waters of the issues that matter most to us (relationships, sex, finances, self-expression, self-image, etc.). This is must read..." ~ Angela Polidoro, former Editor for Random House's Ballantine Bantam Dell "Pushing the envelope is edgy. Change is never comfortable. Ava Miles takes us out of our comfortable chitchat cocoon and shows us how

to become those butterflies all women are destined to become no matter what they face in life. The series is a must-read." ~ Risa Shimoda, Outdoor Leadership Consultant and President of The Shimoda Group, on The Lost Guides "Let your adventure begin and unleash by reading this series." ~ Anna Levesque, author of Yoga for Paddling, on The Lost Guides "This series delivers empowering advice without pulling any punches." ~ Liza M. Shaw, MA, Licensed Marriage and Family Therapist of PowerToThrive.com, on The Lost Guides "Ava Miles is a courageous fellow writer whose mission is to empower all women." ~ Aspen Matis, author of the internationally bestselling memoir Girl in the Woods "Ava gets to the heart of why some of us do toxic or hang around drama while helping us all realize we can have happy and loving relationships that don't clutter up our space or make us sick." ~ Courtney Cachet, Celebrity Designer & TV Personality If you enjoy books by Brene Brown, Gabrielle Bernstein, Rachel Hollis, Jen Sincero, Mark Manson, Shawn Achor, Michael Singer, Tony Robbins, Deepak Chopra, Shauna Niequist, Gary Chapman, John Leland, and Gretchen Rubin, you will love Ava's self-help books.

CMBEBIH 2017 - Almir Badnjevic 2017-03-14 This volume presents the proceedings of the International Conference on Medical and Biological Engineering held from 16 to 18 March 2017 in Sarajevo, Bosnia and Herzegovina. Focusing on the theme of 'Pursuing innovation. Shaping the future', it highlights the latest advancements in Biomedical Engineering and also presents the latest findings, innovative solutions and emerging challenges in this field. Topics include: - Biomedical Signal Processing - Biomedical Imaging and Image Processing - Biosensors and Bioinstrumentation - Bio-Micro/Nano Technologies - Biomaterials - Biomechanics, Robotics and Minimally Invasive Surgery - Cardiovascular, Respiratory and Endocrine Systems Engineering - Neural and Rehabilitation Engineering - Molecular, Cellular and Tissue Engineering - Bioinformatics and Computational Biology - Clinical Engineering and Health Technology Assessment - Health Informatics, E-Health and Telemedicine - Biomedical Engineering Education - Pharmaceutical Engineering

Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations - Jasmin Sültemeyer 2021-07-05

As striking, counter-intuitive and distasteful as the combination of children and anxiety may seem, some of the most popular children's classics abound in depictions of traumatic relationships, bloody wars and helpless heroes. This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition, as it stands out in Golden Age novels from both sides of the Atlantic and their present-day adaptations. The stories discussed in detail, so the argument goes, identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle-class identity. Apart from its audacious link between psychoanalysis and Marxist, feminist, as well as postcolonial ideology criticism, this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and (trans)national identities. In doing so, it offers a fresh look at beloved tales like Alice's Adventures in Wonderland, The Wizard of Oz and Peter Pan, contributes to the dynamic field of adaptation studies and highlights the necessity to approach children's entertainment more seriously and more sensitively than it is generally the case.

The Wedding Date - Jasmine Guillory
2018-01-30

A groomsman and his last-minute guest are about to discover if a fake date can go the distance in this fun and flirty multicultural romance debut by New York Times bestselling author Jasmine Guillory—author of the Resse Witherspoon x Hello Sunshine Book Club Pick The Proposal. THE USA TODAY BESTSELLER #5 LibraryReads Pick “A swoony rom-com

brimming with humor and charm.”—Entertainment Weekly (The Must List) “What a charming, warm, sexy gem of a novel....One of the best books I've read in a while.”—Roxane Gay, New York Times bestselling author of Hunger Agreeing to go to a wedding with a guy she gets stuck with in an elevator is something Alexa Monroe wouldn't normally do. But there's something about Drew Nichols that's too hard to resist. On the eve of his ex's wedding festivities, Drew is minus a plus one. Until a power outage strands him with the perfect candidate for a fake girlfriend.... After Alexa and Drew have more fun than they ever thought possible, Drew has to fly back to Los Angeles and his job as a pediatric surgeon, and Alexa heads home to Berkeley, where she's the mayor's chief of staff. Too bad they can't stop thinking about the other.... They're just two high-powered professionals on a collision course toward the long distance dating disaster of the century--or closing the gap between what they think they need and what they truly want.... One of...
