Leaving Ordinary - Donna Gaines 2014-03-11

The deepest longing of the human heart is to know and be known by God. God longs for an intimate

relationship with us as well. But how do we develop that kind of relationship with a holy God? It is one thing to long for such a relationship, but quite another to experience intimacy with Him. In Leaving Ordinary,

Donna Gaines shares from her personal experience how prayer can become the channel that links the believer's heart to the heart of God. God gave the pattern of the tabernacle to the Israelites. It was a temporary and portable dwelling for His glory. Through it God taught them how to approach and worship Him before He led them to their reward—the promised land. Using the tabernacle and its articles as a guide, Donna teaches readers how to interact with God in that secret place of true intimacy that leads to worship. Your ordinary daily practice of prayer can become an extraordinary encounter with the living Lord. Leaving Ordinary is essential reading for anyone who desires to enter into and experience the reality of God's presence. As you read, you will: Explore the tabernacle and discover how it can be a guide for prayer today. Learn how to gain a stronger, more intimate relationship with God. Develop your own personal prayer testimony as you experience His presence.

Living His Story - Hannah Steele 2021-02-19

Stories tell us who we are, where we belong and how we relate to the world around us. The gospel of Jesus Christ is the story at the heart of the universe, and yet the Church now finds itself in a culture that has largely forgotten this good news. How can we convey the extraordinary love of God to our neighbours in such a strange post-Christian world?

Creating Christian Communities - Richard R. Diefenderfer 2003

Give Me This Mountain - R. Michael Baldock 2019-09-06

The reason I decided to write this book was seeing so many Christians struggling in their life to receive and walk in the promises of God. Sometimes we as believers don't get what we are looking for in the time we think it should come. It took one man by the name of Caleb forty-five years to inherit what was promised. Within this book, you will discover some of the characteristics of Caleb that kept him holding onto his promised inheritance. If these principles are applied to your life, you can walk in what God has promised! *Nurturing your Hidden Spirit: Straight Talk about Spiritual and Psychological Development* - Frank J. Steffler and Dorothy J. Steffler

Your Most Powerful Question - John Olesnavage, PhD 2022-03-15

"Your Most Powerful Question" offers a practical, simple discernment tool to help Catholics find their purpose and define their role in God's plan. Dr. Olesnavage provides clear, easy-to-follow steps to identify the powerful question embedded in your own life story—no matter where you are on your journey. Readers will also discover an energizing lens that empowers them to see service as a gift to themselves as well as to God. Dig a little and you will find that extraordinary people, including the apostles Peter and Andrew, were called not with a command or request, but rather with a life-changing question: "What do you want?" (John 1:38). This book introduces the reader to faithful Catholics who have found their passion and their purpose through the lens of their finding their most powerful question. Throughout the year, you will learn and be encouraged by the saints, follow feasts and fasts, tune into the Liturgy of the Hours, and offer up a penance on Fridays in commemoration of Jesus' sacrifice for you. Most importantly, you'll grow closer to the Lord. Practical and easy to use, you'll find opportunities to connect to your faith in meaningful and extraordinary

ways, including ideas for finding time to pray, making seasonal snacks for the whole family, observing a meaningful Lent, celebrating the full Octave of Christmas, and so much more! Discover how you can grow closer to the Lord as you connect with him through the Church, her rhythms, and the many celebrations and observances she offers us.

Developing a Passion for God - David Martin 2013-10-16

Developing A Passion For God [Expanded Kindle Edition] is a power packed book that can be likened to spiritual dynamite. With concentrated teaching and inspiration for the hungry believer, it will move your heart to greater hunger and heights in God. If you are in pursuit of God's presence and power - don't hesitate, this is the book for you! As a Believer you have not been called to live a half-hearted Christian life. You have been called and anointed to live a life of passion and purpose! Everything you need is ALREADY IN YOU ready to be activated. You are far more powerful for God than you realise! Nothing of significance happens in this world without the engine of passion behind it. Jesus own redemption is rightly referred to as a 'passion', because it was this self-sacrificing inner desire that propelled him to go beyond what was ordinary, and to accomplish something so world changing that centuries later people still stand in awe of Him. That same world changing passion lives inside you! All of creation cries out to see the fullness of God's people, propelled and moved by God's love, passion and power. I believe that you are called to be an important part in this extraordinary group of people. People give themselves and their passions to many things. Some pour their lives into relationship after relationship, others pursue money or prestige. Still more seek knowledge or enlightenment. The list is endless. The purpose we were born for cannot be found anywhere other than right in the centre of God's perfect will however, and He calls each one of us to move by faith into that hot-spot of His favour. The Scriptures say: He has made everything beautiful in its time. He also has planted eternity in men's hearts and minds [a divinely implanted sense of a purpose working through the ages which nothing under the sun but God alone can satisfy], yet so that men cannot find out what God has done from the beginning to the end. Ecclesiastes 3:11 AMPLIFIED If you ask most Christians today what they desire in their relationship with God what would they say? * To grow in relationship with Him - enjoy spiritual closeness with the Father * To share in His purposes - to be fruitful in what they are called to do * To touch other's lives with His love - You are called to make a difference * To be a man or women who knows their God - and does exploits for Him! * To love Him more passionately, hear Him more clearly and obey Him more fully! 'Developing A Passion For God' is an easy-to-read book that can be likened to a stick of spiritual dynamite. Only the daring should pick it up - the inspired message it carries, and the proven spiritual keys it shares are not for the weak-hearted. This is not just a book about doing - It is a book about being - Living from the inside out The Scriptures promise to satisfy those who hunger for God and His Kingdom. 'Passion' will teach you... * How to acknowledge, feed and express that hunger * How to pray your passion - turn your frustrations into powerful intercessions * How 'emptiness' can actually be the key

to your fullness in God! * How you, as a believer, are called as a minister of God's Spirit * How you are anointed for the miraculous by Him. They that know their God shall do exploits! * How the mighty river of God can flow from your inner man and touch many, many of lives Your value to God is far greater than what you do for Him. Your place in His divine affections is not earned or deserved - it is a gift of grace that has made way for you to be a precious son or daughter in the household. All that Jesus did and went through was for YOU. Through His sacrifice you have been ushered into the household of God. And because you know God - you can make Him known

Holiness and Living the Sacramental Life - Fr. Philip-Michael Tangorra 2017

Just outside the realm of visibility, the sacraments of the Church lie ready to effect real change in our lives. We need only to let them in. In *Holiness and Living the Sacramental Life*, Fr. Philip-Michael Tangorra lays out the mystical and invisible realities that are present during the celebration of the sacraments and explains how they can lead us to living ever more in tune with God. Read how the sacraments aren't empty ceremonies, but rather powerful, effective signs that bring grace crashing through the cosmos and into our world. See how beauty—expressed in art, music, and architecture—can bring us deeper into the mysteries of God. Fr. Tangorra teaches the average Catholic how to abandon a lukewarm spirituality and start living a sacramental existence, allowing God to imbue life with a constant sense of union and communion with the divine.

Be Still and Know - Stuart H. Schwartz 2023-05-09

Are you ready to live your best life? To harness the loving power of God's Spirit, regardless of the physical and emotional circumstances you face? No matter how high the mountain you have to climb, let the empowering mystery of one of the most transformative psalms in the Bible provide hope in seemingly hopeless situations. Praying Psalm 46 provides support and wisdom for meeting the challenges of the stinkin' stuff of this world. It is the path to an extraordinarily powerful personal relationship with the Spirit, as told by Sharon, an ordinary woman facing the last stage of a terminal illness. Power and discernment

begins with "Be still and know that I am God." This wife and mother used the last six weeks of life to show the path opened by the sustaining power of God's word, and the wonder of a personal relationship with the

Spirit. Spiritual strength and wisdom makes even the most daunting of challenges surmountable. In the beyond-natural stillness flowing from the psalm, the mystery and application of all of the Bible are unlocked.
