Think Again Fabulous Fabel 2012-06 I was born 1966 as Randall Fabel. When I was young I moved from Minnesota to Louisiana. I have lived in Florida, Texas, and Arkansas. Now Louisiana is my home. I ve been everything from a truck driver to a painter, now I m a construction foreman. They have been calling me fabulous Fabel for many years. I don t really know why, I guess it s just because of my creative mind. I have been married twice and have two step kids as well as two of my own. I also a proud step-grandfather I ve always thought that I was born to do something else. Music always has been part of my life. With every word I write there s a melody in my head. I can sing along to any one of these song. Although when I was younger I never would write down these melodies in my head. Now that I m older I have two teenage kids of my own that I love very much. I tell them to follow their dreams. I have been sitting on my dream all along, which is to be an acknowledged song writer. My kids give me all the inspiration that I need to succeed in life. I am up and down in this crazy life, and I think it s about time to become who I was meant to be. Maybe something good will happen here, who knows the sky s the limit so they say. So peace love and happiness.

Excerpt: "Sunny" is the name of a song written by Bobby Hebb. It is one of the most covered popular songs, with hundreds of versions released. BMI rates "Sunny" number 25 in its "Top 100 songs of the century." Hebb wrote the song after November 22, 1963, the day U.S. President John F. Kennedy was assassinated and Hebb's older brother Harold was killed in a knife fight outside a Nashville nightclub. Hebb was devastated by both events and many critics say that those events inspired the tune. According to Hebb, he wrote the song as an expression of a preference for a "sunny" disposition over a "lousy" disposition. Certainly, events influenced Bobby's songwriting, but his timeless melody, crossing over into R&B (#3 on U.S. R&B chart) Country and Pop (#2 on U.S. Pop chart), together with the optimistic lyrics, came from the artist's desire to express that one should always "look at the bright side" - a direct quote from the author.
