Liars in this compelling story of survival and the power of female friendships, perfect for fans of *A Good Girl's Guide to Murder*. Everyone loses something to the Tox; Hetty lost her eye, Reese's hand has changed, and Byatt just disappeared completely. It's been eighteen months since the Raxter School for Girls was put in quarantine. The Tox turned the students strange and savage, the teachers died off one by one. Cut off from the mainland, the girls don't dare wander past the school's fence where the Tox has made the woods wild and dangerous. They wait for the cure as the Tox takes; their bodies becoming sick and foreign, things bursting out of them, bits missing. But when Byatt goes missing, Hetty will do anything to find her best friend, even if it means breaking quarantine and braving the horrors that lie in the wilderness past the fence. As she digs deeper, she learns disturbing truths about her school and what else is living on Raxter Island. And that the

[Love Under Quarantine](#) - Kylie Scott 2020-05-05
While the world is ravaged by a global pandemic, hotshot NFL running back Evan Sparks is locked in his own personal hell. With a career-ending scandal on his back, Evan hides out in his best friend's empty San Francisco home, the full city shutdown locking him in a lonely twenty-story apartment in the sky. Romance writer Sadie Walsh is having the worst case of writer's block ever...until the incredible, muscular stranger staying next door gets her muse going strong. The pair of loners, never expecting to find a friend in all the madness, meet each day out on their balconies like a modern-day Romeo and Juliet. Each new day brings unique challenges for the pair as they navigate the unknown and find solace together. They

quickly figure out that as long as they have one another, they can handle anything. Even falling in love under quarantine. *** Writing together for the first time, New York Times bestselling authors Kylie Scott and Audrey Carlan team up to tell a story that not only is a beautiful escape during a trying time, but a true lesson on the power of humanity's ability to survive. Through a sexy, hopeful, strangers-to-lovers romance, the authors prove with love, trust, and faith, we can conquer anything. "Kylie Scott and Audrey Carlan weave a charming and witty romance into a confusing and stressful real-life scenario and the result is magic. Sexy, humorous and sweet, this is a quarantine must-read!" --Devney Perry, USA Today bestselling author *Repeat* - Kylie Scott 2019-04-07 "A page-turning romantic feast that will have you desperate for more. I was immediately hooked." —#1 New York Times bestselling author Rachel Van Dyken From New York Times bestselling author Kylie Scott

comes an irresistible new romance. When a vicious attack leaves 25-year-old Clementine Johns with no memory, she's forced to start over. Now she has to figure out who she was and why she made the choices she did - which includes leaving the supposed love of her life, tattoo artist Ed Larsen, only a month before. Ed can hardly believe it when his ex shows up at his tattoo parlor with no memory of their past, asking about the breakup that nearly destroyed him. The last thing he needs is more heartache, but he can't seem to let her go again. Should they walk away for good, or does their love deserve a repeat performance? "Kylie Scott delivers an utterly unputdownable, unique rendering of true love and second chances."—Natasha is a Book Junkie "A beautiful, realistic tale of one woman's courage, and strength, and the man that's brave enough to love her. Truly amazing." —Audrey Carlan, #1 New York Times bestselling author of the International Guy series "Kylie

minute investigation of the interplay of forces---biological, political, technological--that shape our modern world. Quarantine is our most powerful response to uncertainty: it means waiting to see if something hidden inside us will be revealed. It is also one of our most dangerous, operating through an assumption of guilt. In quarantine, we are considered infectious until proven safe. *Until Proven Safe* tracks the history and future of quarantine around the globe, chasing the story of emergency isolation through time and space—from the crumbling lazarettos of the Mediterranean, built to contain the Black Death, to an experimental Ebola unit in London, and from the hallways of the CDC to closed-door simulations where pharmaceutical execs and epidemiologists prepare for the outbreak of a novel coronavirus. But the story of quarantine ranges far beyond the history of medical isolation. In *Until Proven Safe*, the

authors tour a nuclear-waste isolation facility beneath the New Mexican desert, see plants stricken with a disease that threatens the world's wheat supply, and meet NASA's Planetary Protection Officer, tasked with saving Earth from extraterrestrial infections. They also introduce us to the corporate tech giants hoping to revolutionize quarantine through surveillance and algorithmic prediction. We live in a disorienting historical moment that can feel both unprecedented and inevitable; *Until Proven Safe* helps us make sense of our new reality through a thrillingly reported, thought-provoking exploration of the meaning of freedom, governance, and mutual responsibility.

struggling, sexy social media professional, Luna James, meets a mysterious undiscovered musician, Stryker Caine. What is Stryker's secret? Stryker, a narcissist who thinks the world revolves around him. While Luna, although beautiful, is shy and hates attention. Will their love flourish under Quarantine? Will Luna come into her own? Featuring original songs. Stryker Caine, an aspiring musician, and a notorious flirt, finds himself in an impossible situation. He is a man with a mysterious past and is among the thousands of people suffering through the aftermath of the coronavirus pandemic in New York City. With his lustrous blond hair and magnetic blue eyes, Stryker is used to getting any girl he wants, women never deny him. Now he is stuck, his sex life crippled by social distancing. Luna James, a beautiful brown skinned young woman makes heads turn wherever she goes. Yet she possesses the personality of an anguished introvert. A social

media manager at a top online publication, she writes social posts under the guise of her employer, not as Luna James. Her secret desire is to become an extrovert, knowing it could propel her career and finally make her an Influencer. She longs to be taken seriously for her talents as a writer. When Luna James and Stryker Caine's worlds suddenly collide, like the Pandemic, what happens next is anything but predictable! An engaging quick read. A provocative interracial love story that is fast paced and filled with humor. You won't be able to put this book down! The novella by Elena Greyrock is the first book in The Luna James Trilogy.

Under Quarantine - Paolo Cuciniello 2020-06-16

Under quarantine, a gripping story thanks to a dynamic narrative and the topicality of the issues involved. Paolo Cuciniello, a young Italian engineer, tells of his experience of quarantine in China, where he graduated in engineering and currently

Downloaded from
legacy.opendemocracy.net
on 2019-09-07 by guest

lives. The aspects of everyday life of the months spent in isolation emerge as the narrative develops: the rigour in observing the rules, the worry for the spread of the infection, but also the ability to eke out moments of happiness. In the story, the author probes the remotest corners of his soul and does so with the wisdom and sensitivity of someone who, freed from the restrictions of the mind, feels at peace and free. He is guided by Siddhartha. Paolo Cuciniello takes the reader by the hand on a trip to discover his world, his sentiments and the most profound and spiritual aspects of his nature. Coral, his great love, is part of the journey.

"Coral is my family now" writes Paolo, who feels an ardent desire to take care of the people he loves from afar, his family of origin, and who continues to preserve a little bit of Italy, even in China.

Kings of Quarantine -

Caroline Peckham 2022-09-16
Cruel. Heartless.

Quarantined. The ruthless boys of Everlake Prep never saw

lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know.

Things my dad has hidden from

Downloaded from
legacy.opendemocracy.net
on 2019-09-07 by guest

me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs.

This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

The Rich Boy - Kylie Scott
2020-03-09

I'm the type of girl who's given up on fairy tales. So when Beck - the hot new busboy at work - starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this

Downloaded from
legacy.opendemocracy.net
on 2019-09-07 by guest

world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. "Rich Boy takes you on a literal ride! Funny. Angsty. There's mean rich people and people you root for. It's a definite recommend from me! -Tijan, New York Times bestselling author "Rich Boy was witty, exciting and had the most intense slow burn romance I've read in a long time. The complexity of the characters was refreshing and made me wish for more!"—Audrey Carlan, #1 New York Times bestselling author

Quarantine: A Love Story -
Katie Ciatelli-Kuc 2019-03-26

Love can be contagious in this infectiously fun romance by debut author Katie Ciatelli-Kuc. Oliver wants a girlfriend, and there's a girl back home who might be interested in him. The problem is, he has to spend his spring break on a volunteer trip in the Dominican Republic. Flora, on the other hand, isn't really looking for a boyfriend. She just wants to end a miserable spring break visiting her dad and her new stepmom in the D.R. The solution to both their problems? Get back home to New York ASAP. Sadly, they won't be getting there anytime soon. Their hopes are dashed when Flora's impulsiveness lands them in quarantine -- just the two of them. Now, the two teens must come together in order to survive life in a bubble for 30 days. In that time, love will bloom. But is it the real thing, or just a placebo effect? In her debut novel, Katie Ciatelli-Kuc delivers an introspective and witty story about finding love in the most unexpected place.

And the Trees Crept In -

Downloaded from
legacy.opendemocracy.net
on 2019-09-07 by guest

Dawn Kurtagich 2017-08-29
When Silla and Nori arrive at their aunt's home, it's immediately clear that the "blood manor" is cursed. The creaking of the house and the stillness of the woods surrounding them would be enough of a sign, but there are secrets too--the questions that Silla can't ignore: Who is the beautiful boy that's appeared from the woods? Who is the man that her little sister sees, but no one else? And why does it seem that, ever since they arrived, the trees have been creeping closer? Filled with just as many twists and turns as *The Dead House*, and with achingly beautiful, chilling language that delivers haunting scenes, *AND THE TREES CREPT IN* is the perfect follow-up novel for master horror writer Dawn Kurtagich. [The Loners](#) - Lex Thomas 2012-07-01

It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher

convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

Christmas, and for the first time in years the entire Birch family will be under one roof. Even Emma and Andrew's elder daughter—who is usually off saving the world—will be joining them at Weyfield Hall. But Olivia, a doctor, is only coming home because she has to. She's just returned from treating an epidemic abroad and has been told she must stay in quarantine for a week...and so too should her family. For the next seven days, the Birches are locked down, cut off from the rest of humanity, and forced into each other's orbits. Younger, unabashedly frivolous daughter Phoebe is fixated on her upcoming wedding, while Olivia deals with the culture shock of first-world problems. As Andrew sequesters himself in his study writing scathing restaurant reviews and remembering his glory days as a war correspondent, Emma hides a secret that will turn the whole family upside down. In close proximity, not much can stay hidden for long, and as revelations and long-held

tensions come to light, nothing is more shocking than the unexpected guest who's about to arrive....

Quarantine - Jim Crace
2010-04-01

Jim Crace's novel is the brilliantly imagined story of Christ's forty days in the wilderness, a tale of three men, two women, and a curious wanderer whose peculiar fate is transformed into legend. Dazzling, gritty, and utterly compelling, Quarantine is a work at once timeless and timely - a parable for the ages.

The Rhythm Method: A Stage Dive Novella - Kylie Scott
2022-02-07

From New York Times and USA Today bestselling author Kylie Scott comes a new story in her Stage Dive series... It all started in Vegas... After a wild and tumultuous beginning to their relationship, Evelyn Thomas and her rock star husband David Ferris have been happily married for years. Nothing needs to change, their life together is perfect. Which means that change in the shape of an unexpected

pregnancy is bound to shake things up some. But could it be for the better? **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

Pause - Kylie Scott 2021-07-13

An unpausable new romance from New York Times bestselling, Audie Award winning author Kylie Scott! When Anna wakes up from a coma after a car crash, she discovers life has gone on without her. Her husband has been unfaithful—with her best friend—and she's been long since replaced at work. While her old life is a distant memory, her new life feels like an empty shell. Then she meets the stranger who saved her life during the crash, and he changes everything. Leif Larsen—tattooist, joker, and player—has his own scars thanks to the crash that put Anna in a coma. Helping her move on from her failed

marriage, and create a new life, sounds like a perfect distraction. So when he needs a new roommate, he invites Anna to begin her new life with him. Although their lives may have been put on pause, together they just might find a way to heal.

One Hundred Years of Solitude
- Gabriel García Márquez
2022-10-11

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches

Downloaded from
legacy.opendemocracy.net
on 2019-09-07 by guest

and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Quarantine - Greg Egan
2010-12-30

It's late in the 21st century and bioengineering is now so common that people are able to modify their minds in any way they wish. It is an era which has been shaped by information systems so vast that security, in any form, is easily breached. Now you can be whatever you want to be, and do whatever you want to do. On Earth anyway. One night, thirty three years ago, the stars went out. 'The Bubble' - a perfect sphere centred on the sun - appeared in the sky, isolating the solar

system from the rest of the universe. For thirty-three years, humanity has lived with the religious cults and terrorism which spawned in the wake of the darkness. We are now alone. Humanity has been cut off. Quarantined.

Love Poems in Quarantine -
Sarah Ruhl 2022-07-12

An award-winning, multi-genre writer grapples with the pandemic, death of George Floyd, and other crises of our times in gnomic poems written from inside the purgatory (and sudden revelations) of quarantine. Writing from and toward "the endless desire / to be at home in the world,"

Sarah Ruhl wrote *Love Poems in Quarantine* to mark the passage of time when all familiar landmarks disappeared. From the dawn of the COVID-19 pandemic, to the murder of George Floyd, to months of simultaneous quarantine and protest, this is—in free verse and form, lamentation and meditation—a book of days, a survival kit for spiritual malady. These poems find small solace in domestic

absurdities. Even in global crisis, there is the laundry. The dog rolls in something putrid, the child interrupts a Zoom meeting, and dinner must get made, again and again. Using language to travel and touch when bodies could not, Ruhl has drawn with great care a portrait of a year unlike any other in history.

What the Heart Wants - Audrey Carlan 2020-07-28

From the #1 bestselling author of the beloved *Calendar Girl* books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth

birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the Sweet Side* is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and
