The Man I Love - Suanne Laqueur 2014-06-16

"A watershed moment exists in every man's life, Fish—the moment when you stop being your mother's son and start being your lover's man. When you transition from protected to protector." Erik "Fish" Fiskare is only a college junior when a gunman walks into the campus theater, intent on stopping the show. From the lighting booth, Fish sees his girlfriend, Marguerite "Daisy" Bianco, get caught in the line of fire. Everyone runs away from the stage but Fish, in a watershed moment, runs toward it. Spanning fifteen years, *The Man I Love* explores how a single act of violence reverberates through a circle of friends. At the center are Fish and Daisy, two soul mates who always brought out the best in each

other. Both are hailed as heroes after the shooting, yet the tragedy starts to bring out the worst in them, tearing the circle apart. Soon, Fish is running again—not toward Daisy this time, but as far away as possible. But can you really leave the one you were born to love? And is leaving always the end of loving? "You never got over her, Fish. You just left. You may think that's closure, but it isn't. You may think a woman like Daisy comes along twice in a lifetime, but she doesn't." Fearlessly touching on today's social and mental health issues, *The Man I Love* follows Erik Fiskare's journey back to the truth of himself and a woman he can't forget. With its gripping story and an unforgettable cast of characters, this epic novel of love and forgiveness lingers long after the last page is turned. "A new kind of romance, well-crafted and intelligently written. Suanne Laqueur deftly explores what it means to be vulnerable, resilient and human." "A compelling, heartfelt, intense read. *The Man I Love* raises important and tough social topics that are relevant and timely." "An intelligent, perfectly-pitched modern romance. NOT your typical boy meets girl, but a story of first love and how people handle extreme situations." "The *Man I Love* looks love, sex, depression and PTSD in the face and calls them by name. An astounding journey of forgiveness and recovery." "Laqueur combines the dynamics of a circle of friends with a school shooting. The result is *The Man I Love*, a gripping, angsty psychological romance that explores second chances at first love. Book clubs will find plenty to discuss in this coming-of-age emotional journey of forgiveness and recovery. The characters are flawlessly crafted and deserving of love after tragedy. You'll be thinking about them long after you've finished." "From university to adulthood, through love and loss, devotion and betrayal, estrangement and forgiveness, the *Fish Tales* series will bring you on an emotional journey of love and truth."

Man in Love - Laurelin Paige 2020-11-24

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew

they owned this city. Now I'll find out if they also own their son.

Waking The Core Of Man - Selna Kim 2020-09-28

Club Promoting - The shady organization that lies behind the scenes of the world's biggest nightclubs where men, who are chosen, go to transform themselves from loser and reject to undoubtedly irresistible with the opposite sex. Waking up at 21 years old, Connor (Selna Kim) McCanless realized he would be a failure forever with the opposite sex unless he did something about it. In less than 2 years, he was able to turn his life completely around, starting with discovering a secret organization. One that laid in the shadows, pulling the strings behind the success of the Midwest's most famous clubs. 'Letter-Jay' was a codename for a member that had all of the secrets behind meeting, attracting, dating, and winning the heart of the women he's always dreamed of. They met as kids when they both were living broke and next to an Indianapolis train yard, but Jay had weaseled his way from poverty to riches in 18 months using only his attraction, seduction, and networking skills. The Midwest recruited him to pack the clubs with people; beginning to make most people's monthly income in just a few nights. Learning under Letter-Jay for a few months, he unlocked the secrets to spark desire with any woman. When Letter-Jay began to notice his rapid acceleration in success with the opposite sex, he was introduced by Letter-Jay to the top dog - the leader of the industry. They quickly witnessed Kim's potential, classifying him a permanent spot in this community as 'Letter-C'. Discovering the other members, who were on par if not better than Letter-Jay, including Letter-H, X, Z and more, Letter-C sapped their skills and knowledge with the opposite sex. These skills catastrophically impacted the clubbing industry, bringing finer women into the clubs and more men that followed them in there. With that, it became a lifestyle of private jets, raves, VIP, models, and celebrities. Clubs across the Midwest hired them to turn their gasping-for-air clubs into region hot spots. He joined the community to find love, but he became addicted, cold, and dark. Power created greed, and it was rotting him. Either he would relearn what it takes to love, or dive so deep into greed that he would lose himself forever. "This stuff is powerful

material," Selna Kim quotes. "It's the gateway to becoming the man all men want to be and all women desire. Use this power for good, for if you let it use you then it will consume you, it will hurt others, and it will leave you with nothing."

For the Love of Men - Liz Plank 2019-09-10

A nonfiction investigation into masculinity, *For The Love of Men* provides actionable steps for how to be a man in the modern world, while also exploring how being a man in the world has evolved. In 2019, traditional masculinity is both rewarded and sanctioned. Men grow up being told that boys don't cry and dolls are for girls (a newer phenomenon than you might realize—gendered toys came back in vogue as recently as the 80s). They learn they must hide their feelings and anxieties, that their masculinity must constantly be proven. They must be the breadwinners, they must be the romantic pursuers. This hasn't been good for the culture at large: 99% of school shooters are male; men in fraternities are 300% (!) more likely to commit rape; a woman serving in uniform has a higher likelihood of being assaulted by a fellow soldier than to be killed by enemy fire. In *For the Love of Men*, Liz offers a smart, insightful, and deeply-researched guide for what we're all going to do about toxic masculinity. For both women looking to guide the men in their lives and men who want to do better and just don't know how, *For the Love of Men* will lead the conversation on men's issues in a society where so much is changing, but gender roles have remained strangely stagnant. What are we going to do about men? Liz Plank has the answer. And it has the possibility to change the world for men and women alike.

Men in Love - George E. Haggerty 1999

Arguing that the personally and culturally complex concepts of love and emotional intimacy offer a more useful perspective for understanding male-male relations of the eighteenth century than scholarship which focuses exclusively on sexual behavior, Haggerty examines several eighteenth-century archetypes of same-sex relations in which sensibility and sexuality emerge as interdependent.

The Will to Change - bell hooks 2004-01-06

From the New York Times bestselling author of *All About Love*, a brave and astonishing work that challenges patriarchal culture and encourages men to reclaim the best part of themselves. Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks

wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women.

My Struggle: Book One - Karl Ove Knausgaard 2014-02-04

Almost ten years have passed since Karl Ove Knausgaard's father drank himself to death. Vulnerable and assailed by doubts, he is now embarking on a new novel. With an uncanny eye for detail, Knausgaard breaks down his own life story to its elementary particles, reliving memories, reopening wounds, and examining with candor the turbulence and the epiphanies that emerge from his own experience of fatherhood, the fallout in the wake of his father's death, and his visceral connection to music, art, and literature. Karl Ove's dilemmas strike nerves that give us raw glimpses of our particular moment in history as we witness what happens to the sensitive and churning mind of a young man trying- as if his very life depended on it- to find his place in the disjointed world around him. This Proustian masterpiece opens a window into one of the most original minds writing today. Intense and vital... The need for totality . . . brings superb, lingering, celestial passages . . . The concluding sentences of the book [are] placid, plain, achieved. They have what Walter Benjamin called 'the epic side of truth, wisdom.' --James Wood, *The New Yorker* "While not unconcerned with finding objective truth in the moments he recounts, Mr. Knausgaard aims first to simply record them, to try to shape the banal into something worth remembering. Beautifully rendered and, at times, painfully observant, his book does a superlative job of finding that "inner core of human existence." --*The Wall Street Journal* Steadily absorbing, lit up by pages of startling insight and harrowing honesty, *My Struggle* introduces into world literature a singular character and immerses us in his fascinating *Underground Man* consciousness. -- Philip Lopate Karl Ove--with his shyness, his passion, his honesty--can take on any subject and make it his

own. -- Edmund White I read both books [One and Two] hungrily and find myself already missing Knausgaard just a few days after turning A Man in Love's last page, searching the Web for inexpensive crash courses in Norwegian, mostly just wishing Volume Three were available in English now. --Jonathan Callahan, The Millions Knausgaard's preternatural facility for description, the dreamy thickness of his prose, speaks not only to the sheer pleasure his fiction affords, but to the philosophical stakes of that pleasure. -- Mark Sussman, Los Angeles Review of Books

Getting Through to the Man You Love - Michele Weiner-Davis
1999-11-30

A renowned relationship expert, seminar leader, and bestselling author urges women who want to affect their man's behavior to stop analyzing their problems to death, stop nagging, and take action that works.

Men in Love - Nancy Friday 2010-09-01

An extraordinary, explicitly masculine journey, Men In Love develops a startlingly honest portrayal of what it means to be a man in contemporary America. Here are the unexpurgated dreams, fantasies and fetishes that excite and obsess men today. In creating this historic study, Nancy Friday listened--without disapproval, apology or censorship--to the candid responses of thousands of men aged fourteen through sixty. She gave them a legitimate arena where they could share their "secret gardens"--the hidden and forbidden but nonetheless real and true. Much more than a litany of erotica, this unique volume doesn't tell us how men should love. It tells us how men do love--a stunning insight into the desires that dwell within men's psyches... and their hearts.

Loving - Hugh Nini 2020-10-14

Loving: A Photographic Story of Men in Love, 1850-1950 portrays the history of romantic love between men in hundreds of moving and tender vernacular photographs taken between the years 1850 and 1950. This visual narrative of astonishing sensitivity brings to light an until-now-

unpublished collection of hundreds of snapshots, portraits, and group photos taken in the most varied of contexts, both private and public. Taken when male partnerships were often illegal, the photos here were found at flea markets, in shoe boxes, family archives, old suitcases, and later online and at auctions. The collection now includes photos from all over the world: Australia, Bulgaria, Canada, Croatia, France, Germany, Japan, Greece, Latvia, the United States, the United Kingdom, Russia, and Serbia. The subjects were identified as couples by that unmistakable look in the eyes of two people in love - impossible to manufacture or hide. They were also recognized by body language - evidence as subtle as one hand barely grazing another - and by inscriptions, often coded. Included here are ambrotypes, daguerreotypes, glass negatives, tin types, cabinet cards, photo postcards, photo strips, photomatics, and snapshots - over 100 years of social history and the development of photography. Loving will be produced to the highest standards in illustrated book publishing, The photographs - many fragile from age or handling - have been digitized using a technology derived from that used on surveillance satellites and available in only five places around the world. Paper and other materials are among the best available. And Loving will be manufactured at one of the world's elite printers. Loving, the book, will be up to the measure of its message in every way. In these delight-filled pages, couples in love tell their own story for the first time at a time when joy and hope - indeed human connectivity - are crucial lifelines to our better selves. Universal in reach and overwhelming in impact, Loving speaks to our spirit and resilience, our capacity for bliss, and our longing for the shared truths of love.
