**Animal Teachings** Dawn Brunke 2015-03-07 In this insightful book, Dawn Brunke reveals how animals can help us to uncover the wisdom we have forgotten. In Animal Teachings, she groups 60 species by their specific teaching - from how to find balance and be a better communicator to being more intuitive and living a joyous life. For example, Fox, Swan and Zebra are united through the teaching of Integration. All three species can help us learn to welcome diversity, reconcile opposites and maintain individuality. Meanwhile, the teaching of Healing unites Dog, Frog and Gorilla, who teach us love and loyalty, gentleness and how to connect to our deeper self. Every entry explores the presence of that species in the natural world and its traditional teaching as it is known through myth and legend or by indigenous peoples. In addition, each group presents a personalised

message for humans today: encouragement, suggestions and guidance to help us become more conscious and whole. By opening to animal wisdom, we begin to find ways to reconnect, to deepen, to communicate, to love and to more joyfully participate in the dance of life. With the help of animals, we begin to remember who we really are.

**Rex** Robert S. Bacon Sr. 2013-07-18 Is it not remarkable how a dog can have a positive impact, in some cases a profound impact on the lives of people. Canines perform remarkable services. They are employed in law enforcement, search and rescue missions, agriculture, hunting, servicing the handicapped, entertaining the public, just to name a few. Probably the most important service, however, is the ability of the dog to be a great pet and companion. In almost all instances the master becomes deeply attached to the animal at many levels and discovers the relationship to be incredibly fulfilling. Sometimes it takes years before one fully realizes how important a dog was in ones life; especially during the growing up years. The mere presence of a pet often brought comfort in the times of loneliness, discouragement, confusion, or distress. The animal was a friend with whom one could share ones deepest thoughts and childhood adventures. This writing is a collection of vignettes about one such mutt; Rex, the dog of my youth.
