**Weird Scenes Inside The Canyon** David McGowan 2014-03-19 The very strange but nevertheless true story of the dark underbelly of a 1960s hippie utopia. Laurel Canyon in the 1960s and early 1970s was a magical place where a dizzying array of musical artists congregated to create much of the music that provided the soundtrack to those turbulent times. Members of bands like the Byrds, the Doors, Buffalo Springfield, the Monkees, the Beach Boys, the Turtles, the Eagles, the Flying Burrito Brothers, Frank Zappa and the Mothers of Invention, Steppenwolf, CSN, Three Dog Night and Love, along with such singer/songwriters as Joni Mitchell, Judy Collins, James Taylor and Carole King, lived together and jammed together in the bucolic community nestled in the Hollywood Hills. But there was a dark side to that scene as well. Many didn't make it out alive, and many of those deaths remain shrouded in mystery to this day. Far more integrated into the scene than most would like to admit was a guy by the name of Charles Manson, along with his murderous entourage. Also floating about the periphery were various political operatives, up-and-coming politicians and intelligence personnel - the same sort of people who gave birth to many of the rock stars populating the canyon. And all the canyon's colorful characters - rock stars, hippies, murderers and politicians - happily coexisted alongside a covert military installation.

**Incubus Dreams** Laurell K. Hamilton 2010-04-01 An Anita Blake, Vampire Hunter, novel 'The bride was a witch who solved preternatural crimes. When I'm not up my elbows in sacrificial gore, I've got serious preternatural issues to deal with. Psychotic shape-shifters, duplicitous vampires and sexually deviant were-leopards. And that's just my friends. I'm Anita Blake, Vampire Hunter and Federal Marshall. My life is more complicated than ever, caught up between obligations to the living and to the undead. Now there is a vampire serial killer preying on strippers. And I've been called in to help the police.

**F\*cked** Krystyna Hutchinson 2018-10-09 Are You a Dirty, Nasty Slut? Or a Sexually Repressed Nightmare? Regardless of your background or bedroom resume, someone or something has probably made you feel that way at some point. This was what Corinne Fisher and Krystyna Hutchinson discovered when they created the wildly popular Guys We Fucked: The Anti Slut-Shaming Podcast. What started as an outlet to interview— You guessed it!—guys they'd fucked, quickly evolved into an enormous community of Fuckers around the world, and a place to share stories of kinks gone wild, trauma, assault, and the overall confusion among people who don't know what the fuck they are doing (in other words, everyone). F\*CKED brings these raw, ridiculous, and serious conversations from the podcast to the page. It is a guide to love and sex for anyone -- female, male, trans, or undecided—who is fed up with double standards and the stigma surrounding sexual beings. It is for anyone who has ever felt afraid to be their authentic self. Corinne and Krystyna won't talk down to you or coddle you because you're better than that. They won't explain why he's just not that into you, because it doesn't fucking matter. This book will teach you how to deal with shit, brush your shoulder off, and move on. You'll also learn

about: Why shame is completely made up and how we can stop giving into it Sexual exploration and how it sometimes ends in a trip to the ER Stuff we should stop doing: Snooping, nitpicking our bodies, and faking orgasms Asking your sexual partner uncomfortable questions Masturbation, threesomes, porn, sex toys, butt stuff, and much, much more Despite what Rom-Coms and magazines tell you, you can handle sexual exploration without the assistance of a man, a glass of rose, and a Xanax. More importantly, you're fine all by yourself. This is the book Bridget Jones should've read instead of writing that shitty diary in the first place.

**Debauching the Babysitter** Anonymous 2017-02-26 "You're a damned good sitter, Alice," James said as they drove. "I'm glad we found you." "Thank you, Mr. Masterson," Alice said. "I'm glad, too. I'm very fond of you." "We're fond of you, too, honey," he said. That was all very nice, but it wasn't getting her any closer to her goal. He was just going to go on being affectionate in a sappy way if she didn't make some kind of move. As they rounded a sharp corner, an inspiration came to her. She squeaked and fell against him, rubbing his arm. She stayed there as they completed the turn, clutching his thigh as if to keep her balance. "Oh, gosh, sorry," she cried. James flashed her a quick grin. "That's all right," he said. I don't mind being grabbed by a pretty girl. Alice gathered her nerve and slipped her hand right onto his crotch. They were driving straight again, but she didn't move away from him. James moaned and quickly pulled over to the side of the road, leaving the motor running. "Young lady," he said hoarsely, "what in hell do you think you're doing?" "Just what it feels like," Alice said softly. "I think you're so sexy, James. Couldn't we make out a bit?" James Masterson swallowed hard. He'd had the hots for their sexy eighteen-year-old babysitter ever since he first saw her. His mind raced. He knew Amy, knew she'd be sound asleep for the rest of the night. She wouldn't notice how late he got in. "Sure, honey," he said. "Just let me find a better place to park." With lascivious husbands, their naughty but inexperienced sons, her boyfriend, and even a group of horny bikers, Alice is going to delve deeper than ever before into utmost debauchery. As she gives herself over every inch and aperture, willing and wanton to the wildest erotic abandons, how far is this nubile nymph and her curiously eager body ready to go?

Reeve Holloway has never met a woman as sure of her own sexuality, or as ruthless in wielding it, as Leary is. But he won't be toyed with. What Leary starts, he'll finish--in the courtroom, the bedroom, or any-damn-place he wants. The sex is uninhibited, electrifying, and absolutely against the rules. Reeve's job is to ruin Leary's case...even if it destroys her in the process and costs him the woman he's come to love"--Page [4] of cover.

**Three Simple Rules** Nikki Sloane 2015-01-26 2015 Goodreads Choice Award Semifinalist for Best Debut

**What I Was Doing While You Were Breeding** Kristin Newman 2014-05-20 A funny, sexy, and ultimately poignant memoir about mastering the art of the "vacationship." Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends' weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world, often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into "Kristin-Adjacent" on the road--a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

**Sexual Personae** Camille Paglia 1990-09-10 From ancient Egypt through the nineteenth century, *Sexual Personae* explores the provocative connections between art and pagan ritual; between Emily Dickinson and the Marquis de Sade; between Lord Byron and Elvis Presley. **Behind the Bell** Dustin Diamond 2009 The teen stars of *Saved by the Bell* entertained global audiences for over a decade. On TV, the actors in this ground-breaking show portrayed characters of model behavior, though often indulging in a little innocent adolescent fun. But what was it like behind the scenes? What were these kids really like, and what was it like to live one's teenage years in front of the camera? Dustin Diamond, *Saved by the Bell*'s Samuel Screech Powers, pulls back the curtains to reveal the truth about being a child star in Hollywood. Diamond shows what happens when kids grow up too fast, too rich, and too famous. Book jacket.

**Center Mass** Lani Lynn Vale 2015-04-30 Luke Roberts came to the small lazy town of Kilgore, Texas with one thing on his mind: Forgetting. He wanted to forget why he left. Forget those emerald green eyes that haunted his dreams. And forget how it felt to have his heart ripped out of his chest by a woman who didn't like the fact that he had a child. It was something he'd been doing a damn fine job of doing, too. Until Reese smashed through every one of his defenses, and made him feel again. Reese Doherty was just trying to do the best for her little girl. So she moved to the little boomtown nearly an hour from where she grew up to be the school nurse for Kilgore's littlest people. That's where she met him. The SWAT officer and the man that would change her life forever. The sexy man who liked to drive fast, and live life like it should be lived. He drove her crazy, and became something she could barely live without. But Luke was a hero. A man used to risking his life to make the world a safer place. Something Reese had to decide whether she could handle or not. Preferably before her and her daughter became too attached. Just when she's ready to give him her whole heart, her world takes a huge hit, and everything she thought she knew wasn't as it seemed. Luke wasn't a quitter, though. Damn far from it, and he'd prove to her that he'd be there when the dust settled. Whether she wanted him to be or not.

Soror Ride 'em High and Soror Lick 'em Low, originally hail from Atlanta and, like most twins, they share a connection. In fact, their physical bond is so strong, that one can often feel a pounding while the other is engaged in sexual activity. But everything is not perfect when it comes to being a twin. Sometimes animosity and jealousy can creep in; especially when Hope and Faith find themselves both attracted to the same man on campus. Is blood really thicker than water? Or, in this case, thicker than basic carnal desires? In this long-anticipated second volume in the APF series, a follow-up to *The Sisters of APF: The Indoctrination of Soror Ride Dick*, New York Times bestselling author Zane once again proves why she is the Queen of Erotic Fiction. Over the years many have tried to emulate her but Zane's imagination is not to be replicated any time in the near future. The freak nights of APF are some of the most artistic, exhilarating, erotic experiences that have ever graced the pages of a book; evidenced by the thousands of emails Zane has received over the years from women yearning to join the sorority. The sexual revolution continues within the pages of *Head Bangers: An APF Sexcapade*.

**Bevelations** Bevy Smith 2022-01-18 "Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." —Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes."

—Pharrell Williams From the host of the fabulous and popular show Bevelations on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), Bevelations candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

*Exposed* Kristen Callihan 2021-07-13 Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

*Gender and Sexuality in Latin American Horror Cinema* Gustavo Subero 2016-05-20 Gender and Sexuality in Latin American Horror Cinema explores the different mechanisms and strategies through which horror films attempt to reinforce or contest gender relations and issues of sexual identity in the continent. The author looks at a wide range of films from countries such as Cuba, Peru, Mexico and Argentina and draws points of commonality, as well as comparing essential differences, between the way that horror fictions - considered by many as low-brow cinema - can be effective to delve into the way that sexuality and gender operates and circulates in the popular imaginary in these regions.
