His Revelation... Again James E. Lyman 2022-06-01 Patmos, a dry island stuck out in the Mediterranean. A man, beaten aboard a prison ship, struggles to maintain strength as he’s led out onto this forbidding, dusty rock as a prisoner of Rome. Little did he know that in this dark cave he calls home as a prisoner-laborer in the quarries, a mighty angel would appear to him, and prepare him for what would be the final, glorious climax in John’s service to the savior of the world, the Lord Jesus Christ. He was to write down the Revelation of the Lord Jesus Christ for all mankind. The long, dry, brutal months ahead were made bearable by the routine visits of the angel Fidelity, whose great strength, grace, love for his Lord, and the message he was carrying made the mission for John quite bearable, for it brought with it faith, humor, grace, and love for his fellow man.

The Collected Works Saint Rafael Arnaiz 2022-05-14 Saint Rafael Arnaiz was born in Burgos, Spain, on April 9, 1911. When he was twenty-one years old, he left behind the comforts of his wealthy family and an unfinished degree in architecture to join the Trappist-Cistercian abbey of San Isidro de Dueñas. A sudden onset of diabetes and the beginning of the Spanish Civil War (1936-1939) turned his monastic journey into an unusual one. In these unfavorable circumstances and despite the shortness of his life (he died soon after his twenty-seventh birthday), Rafael developed a solid spirituality, which in its simplicity is a straight path to holiness. He has been compared to mystics like Teresa of Ávila and John of the Cross, whose writings inspired him, and his theology of the cross, born from his prayer, places him in continuity with the best of the monastic tradition. In his letters and journals, compiled in this volume, his heart speaks of the joys and

A Castle in Spain James De Mille 2022-11-22 "A Castle in Spain" is a romantic and adventurous novel introducing a multi-sided love dodecahedron. The story has a lot of unexpected twists and turns, presupposing travel, new acquaintances, kidnapping and heroic rescue, and a real king pretending he's another person.

Lyrics from My Life Paul Her 2017-09-28 The words are from the heart of a once-shattered young man. This man did not stay bitter, nor did he let his tough experiences define him. The young man turned into a mature man who wants the world to understand the good and bad in life. Life is not just about celebration and success. Life is full of many different directions and outcomes. These written words will help the readers understand that the universe is interrelated. One element is dependent upon the other for a balance in life. There's a saying that goes, The darkest hour of the night is before the rise of the sunlight. The words, both in his lyrics and poetry, are to help people find their light through the darkest time in their lives.

The Crown of Sanctity Daniel O'Connor 2019-03-04 2,000 years ago, the Son of God prayed to His Father, "Thy Will be done on Earth as it is in Heaven." This prayer, the greatest ever uttered by the lips of man, will not go unanswered. Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment; that is, for the restoration of what was destroyed by Adam 6,000 years ago in the Fall of Man. In brief: the entire world is about to be radically transformed like never before in its history. This is probably something you should know about. This book has been written to inform you about the transformation and to enable you to take part in it and hasten it. But this transformation will not be achieved through human effort. It will be given directly from Heaven by way of God's greatest Gift: the Gift of Living in the Divine Will, which is the Crown of Sanctity, and which even now we must all strive to receive. This is none other than the Triumph of the Immaculate Heart of Mary promised at Fatima. It is the coming of the Kingdom of God. This is a long book, but its length should turn away no one, as a thorough and detailed table of contents is given so that each reader can easily select only those sections in which he is interested for his perusal. And any reader is sure to find much that interests him. Within these pages is a treasury of resources; not only concerning Luisa's revelations directly, but also on new arguments for God's existence and the truth of Christianity, extensive Catechesis on Private Revelation in general and on the spiritual life in general (including overviews of the greatest teachings on spirituality in the history of the Church), and details on the Era of Peace as revealed to Luisa and many other mystics, visionaries, and seers (Fatima, Medjugorje, Venerable Conchita, Fr. Gobbi, and dozens more). You will not regret reading this book.
