Gender, Sex and Sexuality - Gerda Siann

2013-05-24

For some time sex has been defined as the biological difference between men and women, and gender as the manner in which culture defines and constrains these differences. Feminine/masculine, male/female, women/men, boy/girl - terms of sexual and gender division like these permeate the way we think and talk about ourselves and each other. On most occasions we find their use non-problematic and people employ them easily, at other times, however, particularly if we are interested in psychology, we may wonder whether this ease is illusory.; One may speculate whether being a woman necessarily implies being "feminine". One may question why young women are often referred to as girls, while men are seldom referred to as boys. Is dressing in a

stereotypically feminine manner a reliable indication that a woman is heterosexual? What about cross dressing? Why do these topics hold so much fascination for the media?; "Gender, Sex and Sexuality" examines the effects that the inequalities experienced between men and women have had on the psychologies of both sexes, and the battle to remove them. It aims to introduce the reader to current research and theories, drawing on novels, theatre, soap operas, as well as research for case histories. *Readings in Human Sexuality* - 1979

Human Sexuality - Addison-Wesley Educational Publishers, Incorporated 1995-08-01

Human Sexuality - Anne Bolin 2009
Human Sexuality: Biological, Psychological, and Cultural Perspectives is a unique textbook that

Downloaded from
legacy.opendemocracy.net on
2020-08-12 by guest

provides a complete analysis of this crucial aspect of life around the world. Utilizing viewpoints across cultural and national boundaries, and deftly weaving evolutionary and psychological perspectives, Bolin and Whelehan go beyond the traditional evolution and primatology to address cross-cultural and contemporary issues, as well as anthropological contributions and psycho-social perspectives. Taking into account the evolution of human anatomy, sexual behavior, attitudes, and beliefs, this far-reaching text goes beyond what is found in traditional books to present a wide diversity of beliefs, attitudes, and behaviors found globally. In addition to providing a rich array of photographs, illustrations, tables, and a glossary of terms, this extraordinary textbook explores: pregnancy and childbirth as a bio-cultural experience life-course issues related to gender identity, sexual orientations, behaviors, and lifestyles socioeconomic, political, historical, and ecological influences on sexual behavior early

childhood sexuality, puberty and adolescence birth control, fertility, conception, and sexual differentiation HIV infection, AIDS, AIDS globalization and sex work Fusing biological, socio-psychological, and cultural influences to offer new perspectives on understanding human sexuality, its development over millions of years of evolution, and how sexuality is embedded in specific socio-cultural contexts, this is the text for educators and students who wish to understand human sexuality in all of its richness and complexity.

Sexualities - Alessandra Lemma 2015-06-05
Sexualities: Contemporary Psychoanalytic Perspectives presents a broad selection of contemporary psychoanalytic thinking on sexuality from a wide range of psychoanalytic traditions. Sexuality remains at the heart of much psychoanalytic theory and practice but it is a complex and controversial subject. Edited by Alessandra Lemma and Paul E. Lynch, this volume includes a range of international

Downloaded from
legacy.opendemocracy.net on
2020-08-12 by guest

contributions that examine contemporary issues and trace common themes needed to understand any sexuality, including the basics of sexuality, and the myriad ways in which sexuality is lived. The clinical examples provided here demonstrate contemporary psychoanalytic techniques that uncover meanings that are both fresh and enlightening, and address heterosexuality, homosexuality, gender, and perversion from a psychoanalytic perspective. Divided into four parts, the book includes the following: Historical context Foundational concepts: Contemporary elaborations Homosexuality Perversion revisited Throughout Sexualities: Contemporary Psychoanalytic Perspectives the reader will find psychoanalytic wisdom that is transferrable to work with patients of all sexualities, and will see that the essentials of sexuality may be more similar than they are different for homo- and heterosexuality. Psychoanalysts and psychoanalytic psychotherapists, as well as academics

interested in the subjects of psychoanalysis, gender, sexuality, or homosexuality will find this book an invaluable resource. Alessandra Lemma, PhD is Director of the Psychological Therapies Development Unit at the Tavistock and Portman NHS Foundation Trust. She is a Fellow of the British Psychoanalytic Society and Visiting Professor in the Psychoanalysis Unit, University College London. She is a Consultant Adult Psychotherapist at the Portman Clinic where she specializes in working with transsexuals. She has published extensively on psychoanalysis, the body and trauma. Paul E. Lynch, MD is on the faculty of the Boston Psychoanalytic Society and Institute, the Massachusetts Institute for Psychoanalysis, and the China American Psychoanalytic Alliance. He teaches about psychoanalysis, gender, and sexuality, and has been a popular speaker on issues of homosexuality and psychoanalysis. He is also a Clinical Instructor of Psychiatry at the Tufts University School of Medicine.

Human Sexuality - George D. Zgourides 1996
With its sound biopsychosocial framework, this accessible, practical, and manageable text provides an unbiased, holistic survey of the different perspectives of human sexuality.
Perspectives in Human Sexuality - Zgourides 1997

Perspectives on Human Sexuality - Anne Bolin 1999-01-01
Presents the first book-length examination of both the biological and cultural factors in human sexuality.

Demo Journey Mac - Wade 1998-03-21

Perspectives on Human Sexuality - Anne Bolin 2003-06-01
By offering approaches from biological anthropology, cultural anthropology, and social-psychology this book contributes an original perspective to understanding human sexuality, its development over millions of years, and how

sexuality is embedded in specific socio-cultural contexts. Includes a broad based analysis of human sexuality by providing a unique view of modern human, male, and female anatomy and physiology; pregnancy and childbirth as a bio cultural experience; various topics in adult sexuality, such as life course issues related to gender Identity; sexual orientations, behaviors, and lifestyles; and discussions of HIV and AIDS. Using these topics, the authors differentiate culture specific sexual behavior from what we share as a species. This helps to place sexual behavior In the United States in a larger context as well as reduces the tendency to view non-westerners as the "other" or exotic, thereby promoting a clearer understanding of the complex, phenomenon labeled "human sexuality."

Sex and Gender in the Pacific - Angela Kelly-Hanku 2023-02-24

This book examines sex, sexuality, gender and health in the Pacific with a focus on three key

sets of issues: young people, culture and education; sexual and reproductive health and well-being; and belonging, connectedness and justice. Bringing together the work of scholars from across the Pacific region, this innovative volume showcases traditional knowledge and diverse disciplinary scholarship of policy and practice relevance. In addition to focusing on relationships, health, education, family and community, chapters engage with a number of cross-cutting themes, including violence, justice and rights, and sexuality and gender diversity. Drawing on the diversity and richness of the Pacific, its cultures, languages and people, the book lays the foundations for future conversations and scholarship for, and by, those within the Pacific. Sex and Gender in the Pacific is an important resource for students, researchers and practitioners working in Pacific studies, sexuality and gender studies, public health, nursing, public policy, sociology, education and anthropology.

Human Sexuality - Eleanor Shelton Morrison 1977

Human Sexuality: Contemporary Perspectives - Vera Borosage 1973

Psychological Perspectives on Human Sexuality - Lenore T. Szuchman 2000

A comprehensive and thoroughly up-to-date examination of the most important topics in human sexuality. Psychological Perspectives on Human Sexuality offers a comprehensive and much-needed empirical examination of human sexuality. It is the first book in the field to speak to the needs of both the social scientist and the mental health professional. This important work also provides a complete scientific survey of the latest research along with guidance for its application to clinical practice. Researchers, clinicians, and students alike will value this collection of critical reviews covering a broad range of contemporary scientific inquiry into

human sexuality. The book encapsulates the state of the art in research in such new subjects as genital surgery on children and Internet sex, as well as the most current approaches to such traditional topics as sexual orientation and gender/transgender issues. You'll also find in-depth coverage of such topics as: Male and Female Sexuality Sexual Fantasy and Erotica/Pornography Disabled Sexual Partners Older Adult Sexuality HIV/AIDS and Sexuality Paraphilias The Aftermath of Child Sexual Abuse Rape and Sexual Aggression Therapists? Sexual Misconduct

Human Sexuality - Addison-Wesley Longman, Incorporated 1997-03

Perspectives in Human Sexuality - Gail Hawkes 2005

Perspectives in Human Sexuality is an authoritative and critical overview of key debates, research findings and theories in the important area of sex and sexuality. Written in a

clear and accessible style, controversial issues are discussed in an informative and fair, balanced manner. With its sociological orientation, Perspectives in Human Sexuality employs a range of empirical and theoretical resources, including those which utilise scientific, medical, historical and ethical knowledge in order to elucidate the critical issues affecting contemporary life. This is the first textbook written especially for undergraduate students to offer a detailed and comprehensive introduction to sex and sexuality from an Australian and New Zealand perspective. Examines controversial issues such as sex and age, sex work and gay, lesbian and queer sex in a fair and balanced manner Leading Australian and New Zealand authors in the field of sex and sexuality have contributed to the book. They have written in a clear, concise manner for the least experienced reader Each chapter provides an overview section and summary, questions to encourage reflective

approaches to the topic, a glossary of key words and concepts, and a further reading section including details of websites, associations and journals The book deals with sexuality from an Australasian perspective, addressing the specific concerns and interests of an Australasian audience, providing it with a unique standing in the current market

Contemporary Perspectives on Ageism - Liat Ayalon 2018-05-22

This open access book provides a comprehensive perspective on the concept of ageism, its origins, the manifestation and consequences of ageism, as well as ways to respond to and research ageism. The book represents a collaborative effort of researchers from over 20 countries and a variety of disciplines, including, psychology, sociology, gerontology, geriatrics, pharmacology, law, geography, design, engineering, policy and media studies. The contributors have collaborated to produce a truly stimulating and educating book on ageism

which brings a clear overview of the state of the art in the field. The book serves as a catalyst to generate research, policy and public interest in the field of ageism and to reconstruct the image of old age and will be of interest to researchers and students in gerontology and geriatrics.

The Psychology of Human Sexuality - Justin J. Lehmiller 2019-02-22

New edition of an authoritative guide to human sexual behavior from a biopsychosocial perspective The thoroughly revised and updated second edition of The Psychology of Human Sexuality explores the roles that biology, psychology, and the social and cultural context play in shaping human sexual behavior. The author - a noted authority on the topic and an affiliate of the acclaimed Kinsey Institute - puts the spotlight on the most recent research and theory on human sexuality, with an emphasis on psychology. The text presents the major theoretical perspectives on human sexuality, and details the vast diversity of sexual attitudes and

Downloaded from
legacy.opendemocracy.net on
2020-08-12 by guest

behaviors that exist in the modern world. The author also reviews the history of sexology and explores its unique methods and ethical considerations. Overall, this important and comprehensive text provides readers with a better understanding of, and appreciation for, the science of sex and the amazing complexity of human sexuality. Features broad coverage of topics including anatomy, gender and sexual orientation, sexual behaviors, sexual difficulties and solutions, prostitution, and pornography Offers more in-depth treatment of relationships than comparable texts, with separate chapters dealing with attraction and relationship processes Includes cutting-edge research on the origins of sexual orientation and gender identity, as well as new treatments for sexually transmitted infections and sexual dysfunctions Is written from a sex-positive perspective, with expanded coverage of cross-cultural research throughout and material that is inclusive and respectful of a diverse audience Includes

numerous activities to facilitate dynamic, interactive classroom environments Written for students of human sexuality and anyone interested in the topic, *The Psychology of Human Sexuality* offers a guide to the psychology of human sexual behavior that is at once inclusive, thorough, and authoritative in its approach.

Readings in Human Sexuality - Chad Gordon
1980-01

Safe, Sane and Consensual - Darren Langdrige
2007-11-08

This book includes work on sadomasochism from across the social sciences including discussions of the history and culture of SM, medical and legal issues, along with theory and original research on the topic. With contributions from academics, practitioners and activists, this book represents some of the most recent cutting edge work in the field.
