

# Psychedelic Sexfunklive From Heaven

*Fornication: The Red Hot Chili Peppers Story* - Jeff Apter 2009-12-15

Here is the extreme story of the indestructible LA group from their early funk days to eventual success as one of America's top-selling bands. Despite an epic reputation for exhibitionism, drug taking and debauchery, through it all the Chili Peppers have continued to produce records that shock, challenge and intrigue their fans. Author Jeff Apter has interviewed dozens of people - many speaking openly for the first time - who have moved in and out of the Chili Peppers' circle over the past three decades. He has spoken with former Chili Peppers, life-long friends, classmates, family members, album producers and music business insiders, as he plots the band's rise from Hollywood 'latchkey kids', willing to test-drive any drug or woman they could score, to the camomile-tea sipping superstars of today, whose only true family is this band.

**Red Hot Chili Peppers - By the Way** - Dave Thompson 2004

The product of several years' research, Dave Thompson's in-depth, fully updated account of the band's private lives and public highs and lows has been extensively updated to cover the band's recent massive worldwide success.

**Funk Guitar and Bass** - Pete Madsen 2007  
Guitar- og el-basguitarskole.

**Funk** - Rickey Vincent 2014-11-04

Funk: It's the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-eared, rainbow-Afro'd warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn't received the critical attention that rock, jazz, and the blues have-until now.

Colorful, intelligent, and in-you-face, Rickey Vincent's Funk celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called "black rock" (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy's Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Kool & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. Funk tells a vital, vibrant history-the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.

*Rock Stars Encyclopedia* - Dafydd Rees 1999  
Presents year-by-year chronologies of influential artists from the past fifty years.

*Variety* - Marilyn J. Matelski 1992

**English-Czech dictionary** - Karel Hais 1991

**Maroon 5 - It Won't Be Soon Before Long (Songbook)** - Maroon 5 2007-10-01  
(Piano/Vocal/Guitar Artist Songbook). All 12 songs from the band's blockbuster sophomore album: If I Never See Your Face Again \* Back at Your Door \* Better That We Break \* Can't Stop \* Goodnight Goodnight \* Kiwi \* Little of Your Time \* Makes Me Wonder \* Not Falling Apart \* Nothing Lasts Forever \* Wake Up Call \* Won't Go Home Without You.
