

Pursuing Sexual Wholeness How Jesus Heals The Homosexual

The Truth about Homosexuality - John Francis Harvey 1996

This book addresses the complex moral and pastoral questions involved in both homosexual orientation and activity, including an analysis of lifestyles in accord with the Christian Gospel and those running counter to Christian moral teaching.

Religious Trauma, Queer Identities - Joel Hollier 2023-04-06

In a polarised milieu that too often posits "queer" and "Christian" as competing realms, this book explores the complexities of identity development, religious traumatising, and the task of creating safe faith spaces in which LGBTQA+ people can find healing, particularly in the Evangelical context. First, Joel Hollier examines the historical path of Evangelicalism, providing context for the current terrain of the "culture war" we find ourselves in. He then parses out experiences of gender/sexuality and religious/spiritual identity development, grounding them in an evolving theoretical base. Finally, Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process, along with potential sources of healing. Central to this work are the voices of LGBTQA+ people whose stories weave together a deeper understanding of the harms the Church has perpetrated, and the path forward.

Homosexuality and Following Jesus - Paul Flaman 2012-02-22

Jesus' prayer was "that all may be one." In this clear, concise, and compelling book, Paul Flaman addresses ways in which we can contribute to fulfilling this foundational prayer of the Christian life when it comes to the issue of homosexuality -- an issue that has caused much division in countries, churches, and families around the world. Flaman argues that Jesus' example and teaching help us focus on what is most important, including his call for us to: Treat

others the way we would like to be treated
Respond to the real needs of others in loving
others as he loves us
Live according to the truth
Take up our cross to find fullness of life
Avoid sexual immorality
Forgive and be reconciled and healed

Speak Your Healing from the Homosexual Deception - Bonnie M. Egglehand 2014-10-08

The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception. Each step toward Jesus brings us closer to His image, and we are changed. We emerge free to be exactly whom Father God created us to be. Leaving all secrets with honesty and transparency before God and man, forgiving ourselves and all abusers, we emerge in our true identity with a heterosexual desire. This desire for the opposite sex is as natural as apple pie. Leaving the judgments, the facades, the sins, and all idols, the stark truth remains. Our true identity is found in Jesus Christ alone.

Jesus, the Bible, and Homosexuality - Jack Bartlett Rogers 2006-01-01

In this sure-to-be controversial book, former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual. Christianity, he observes, has moved through history in the direction of ever-greater openness and inclusiveness. Today's church is led by many of those who were once cast out: people of color, women, and divorced and remarried people. It is inevitable, he believes, that gay, lesbian, bisexual, and transgender people will one day walk in the same steps as other Christian leaders. Rogers, an evangelical, begins by discussing his own personal change of heart and mind on the issue, a change that has moved him into the middle of this controversy in his own church, the Presbyterian Church (U.S.A.). He examines how

the church misused the Bible to justify slavery and the denial of rights to women, and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians. He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians. Rogers concludes with his thoughts on how the church can heal itself and move forward.

Deliverance from Demons and Diseases - Eric M. Hill 2004

Reader's Guide to Lesbian and Gay Studies - Timothy Murphy 2013-10-18

The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals (Adrienne Rich); arts and cultural studies (Dance); ethics, religion, and philosophical issues (Monastic Traditions); historical figures, periods, and ideas (Germany between the World Wars); language, literature, and communication (British Drama); law and politics (Child Custody); medicine and biological sciences (Health and Illness); and psychology, social sciences, and education (Kinsey Report).

The Meaning of Sex - Dennis P. Hollinger 2009-06-01

Our culture is not only sex-crazed but also deeply confused about sex and sexual ethics. Unfortunately, Christians seem equally confused, and the church has tended to respond with simplistic answers. The reason for this confusion is that the meaning of sex has been largely lost. Dennis Hollinger argues that there is indeed a God-given meaning to sex. This meaning, found in the Christian worldview, provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues. *The Meaning of Sex* provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing, including premarital sex, sex within marriage, homosexuality, reproductive technologies, and faithful living in a sex-obsessed world.

Jesus, the Bible, and Homosexuality, Revised and Expanded Edition - Jack Rogers 2009-04-14

In this revised and expanded best seller, Rogers argues for equal rights in both the church and society for lesbians, gays, bisexuals, and transgendered people. He describes how he moved away from opposition to support, charts the church's history of using biblical passages to oppress marginalized groups, argues for a Christ-centered reading of Scripture, debunks stereotypes about gays and lesbians, and explores texts used most frequently against homosexuals and gay ordination. In this newly revised edition, he maps the recent progress of major U.S. denominations toward full equality for LGBT persons, adds a new chapter that examines how Scripture is best interpreted by Jesus' redemptive life and ministry, and updates his own efforts and experiences. The book also includes a guide for group study or personal

reflection.

Soul, Self, and Society - Edward L. Rubin 2015
Morality is not declining in the modern world.

Instead, a new morality is replacing the previous one. Centered on individual self-fulfillment, and linked to administrative government, it permits things the old morality forbid, like sex for pleasure, but forbids things the old morality allowed, like intolerance and inequality of opportunity.

Buddhism in the Light of Christ - Esther Baker 2014-04-18

Buddhism's influence is growing in the West, as seen in the widespread use of "Buddhist mindfulness apps" in people's attempts to unwind, or the casual use of words like "nirvana" and "karma" that have crept into the English language. Whether we meet it in the East or West, what is Buddhism? What is at the heart of its teachings? How does Buddhism differ from Christianity, and are they compatible? Through a collection of true short stories and testimonies, *Buddhism in the Light of Christ*--a sequel and companion to Esther Baker's first book, *I Once was a Buddhist Nun*--takes an insightful look at some core Buddhist beliefs and practices, and then reflects on them from a Christian viewpoint and biblical understanding. Esther tackles important questions such as: "How does the Buddhist goal nirvana and God differ?" and "Is Buddhism a form of idolatry?" Her responses reveal a penetrating understanding that helps to unravel and demystify the true nature of Buddhism. *Buddhism in the Light of Christ* also includes helpful suggestions on how to share Jesus with Buddhist friends, as well as important considerations regarding discipleship once a Buddhist has come to know Christ.

The Bible and Homosexual Practice - Robert A. J. Gagnon 2010-10-01

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

Strength in Weakness - Andrew Comiskey 2009-08-20

Help and hope for men . . . undermined by silent fathers harassed by pornography and sexual temptation afraid of failing those they love most

angered by past relationships with women Help and hope for women . . . lost in their relationships with others betrayed by fathers, husbands or male leaders wounded by sexual assault paralyzed by self-hatred Andrew Comiskey sees our weakness as "a threshold for holy power"--the point at which God can meet us for healing and equip us for service. He has seen it happen again and again. During many years of ministry, Comiskey, his wife, Annette, and their fellow "strugglers" have accompanied hundreds of wounded men and women to transformation at the cross of Christ. Telling real-life stories of despair, hope and lasting change, Comiskey lays out the foundations for healing from relational and sexual sin. With chapters focusing on particular areas of vulnerability for men and women, on the battle over homosexuality in church and culture, and on the essential role of the church in ongoing healing, Strength in Weakness makes clear the way to the cross-- God's sufficient answer to our deepest needs.
