from your life with every woman, what would it be? Stylist magazine has asked that question of remarkable women from the worlds of entertainment, politics, sport and fashion. With honesty, wit and a serious no-BS attitude, their lessons address the challenges every woman faces today, from climbing the career ladder and finding inner fulfilment, to forging authentic relationships and overcoming life's setbacks. Each of these impressive women, including actress Romola Garai and comedian Francesca Martinez, has a tale to tell and an experience to share.

**Women Who Ruled** - Claudia Gold 2015-04-02

'Poisoners', 'whores', 'witches' and 'murderers' - or so their enemies claimed. From Queen Nefertiti of Egypt, to the villainous Catherine de Medici and her flying squadron, to

England's 'Gloriana' Elizabeth I, and the modern phenomenon of female prime ministers - Golda Meir, Indira Gandhi, Margaret Thatcher and Benazir Bhutto - Claudia Gold looks at three and a half thousand years of history to examine the lives of fifty of the world's most exceptional rulers - all of them women. Each biographical profile sets its subject clearly in the culture and context of its time, enabling the author not only to tell the stories of these 50 astonishing women, but also to provide a fascinating and informative alternative social history.

[A Remarkable Woman](#) - Valerie S. Pearson 2010-04-08

My eyes are now open to the reality of the remarkable woman that I am. When I began this journey, I was experiencing personal trauma as I suffered from a broken heart, broken spirit and loss of direction. This journey was challenging, but the great reward was finding me again by uncovering my unique self which ultimately has forever changed my life. I have discovered my own special brand of beauty and the uniqueness of my personal blend of great qualities. I have new 'sister girl' relationships that I anticipate will last my lifetime. I thank God for ordering my steps to embark upon this journey of self-discovery and renewal of my spirit and identity. I have found freedom through setting

boundaries within my life. God has given to me the strength and confidence to press forward in my life with the assurance of "Yes, I am more than a Conqueror!" I stand taller, stronger, brighter, and more capable of facing the world being my authentic self. Stephanie Coates, ARW This workbook is designed to take you on a journey of transformation to be all that God created you to be. God has so much more for you. He wants to transform you from a caterpillar into a beautiful unique butterfly, ready to fly and soar to new heights. Using a combination of spiritual and practical applications, Rev. Valerie S. Pearson has developed a program that ministers to the heart of women. Along the journey, you will be equipped with tools in the areas of:

How Remarkable Women Lead

- Joanna Barsh 2009-09-29

The Remarkable discoveries about what drives and sustains successful women leaders.

Based on five years of proprietary research, How Remarkable Women Lead speaks to you as no other book has, with its hopeful outlook and unique ideas about success. It's the new "right stuff" of leadership, raising provocative issues such as whether feminine leadership traits (for women and men) are better suited for our fast-changing, hyper-competitive, and increasingly complex world. The authors, McKinsey & Company consultants Joanna Barsh and Susie Cranston, establish the links between joy, happiness, and distinctive performance with the groundbreaking model of Centered Leadership. The book's personal stories and related insights show you the magic that happens when you put the five elements of

Centered Leadership—meaning, framing, connecting, engaging, and energizing—to work. They include:

- How Alondra de la Parra built on her strengths and passions to infuse her life with meaning and make her way in the male-dominated world of orchestra conducting
- How Andrea Jung, the CEO of Avon, avoided a downward spiral when the company turned down by "firing herself" on Friday and re-emerging on Monday as the "new" turnaround CEO
- How Ruth Porat's sponsors at Morgan Stanley not only helped her grow but were also her ballast for coping with difficult personal and professional times
- How Eileen Naughton recovered after losing her dream job, landing on her feet at Google and open to a new leadership opportunity
- How Julie Coates of Woolworth's Australia makes energy key to her professional success, with reserves for her "second shift" as wife and mother

How Remarkable Women Lead is both profoundly moving and actionable. Woman or man,

New Jersey's Remarkable Women - Lynn Wenzel  
2016-07-01

More than Petticoats: Remarkable New Jersey Women features 12 exceptional women born prior to 1900. Portraits include Alice Huyler Ramsey, the first woman to drive across America; Hannah Silverman, a labor activist during the Paterson silk strikes who fought fearlessly for better working conditions; Abigail Goodwin, a gentle Quaker who bravely conducted many slaves to freedom from her home on the Underground Railroad; and Clara Maass, a nurse who gave her life to stop the scourge of yellow fever. Each woman in this book made lasting contributions to society and embodied a fierce determination and independent spirit that is as inspiring now as it was then.

'A pretty awesome present for the feminist in your life' -

Caroline Criado Perez, OBE, author of Do It Like a Woman

At the last count, the Blue Plaque Guide honours 903 Londoners, and a walking tour of these sites brings to life the London of a bygone era. But only 111 of these blue plaques commemorate women. Over

the centuries, London has been home to thousands of truly remarkable women who have made significant and lasting impacts on every aspect of modern life: from politics and social reform, to the Arts, medicine, science, technology and sport. Many of those women went largely unnoticed, even during their own lifetimes, going about their lives quietly but with courage, conviction, skill and compassion. Others were fearless, strident trail-blazers. Many lived in an era when their achievements were given a male name, clouding the capabilities of women in any field outside of the home or field. A Woman Lived Here shines a spotlight on some of these forgotten women to redress the balance. The stories on these pages commemorate some of the most remarkable of London's women, who set out to make their world a little richer, and in doing so, left an indelible mark on ours.
