Ladyparts - Deborah Copaken 2021-08-03

A frank, witty, and dazzlingly written memoir of one woman trying to keep it together while her body falls apart—from the “brilliant mind” (Michaela Coel, creator of *I May Destroy You*) behind *Shutterbabe* “The most laugh-out-loud story of resilience you’ll ever read and an essential road map for the importance of narrative as a tool of healing.”—Lori Gottlieb, bestselling author of *Maybe You Should Talk to Someone* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE I’m crawling around on the bathroom floor, picking up pieces of myself. These pieces are not a metaphor. They are actual pieces. Twenty years after her iconic memoir *Shutterbabe*, Deborah Copaken is at her darkly comedic nadir: battered, broke, divorcing, dissected, and dying—literally—on sexism’s battlefield as she scoops up what she believes to be her internal organs into a glass container before heading off to the hospital . . . in an UberPool. *Ladyparts* is Copaken’s irreverent inventory of both the female body and the body politic of womanhood in America, the story of one woman brought to her knees by the one-two-twelve punch of divorce, solo motherhood, healthcare Frogger, unaffordable childcare, shady landlords, her father’s death, college tuitions, sexual harassment, corporate indifference, ageism, sexism, and plain old bad luck. Plus seven serious illnesses, one atop the other, which provide the book’s narrative skeleton: vagina, uterus, breast, heart, cervix, brain, and lungs. Copaken bounces back from each bum body part, finds workarounds for every setback—she transforms her home into a commune to pay rent, sells her soul for health

insurance, turns FBI informant when her sexual harasser gets a presidential appointment—but in her slippery struggle to survive a steep plunge off the middle-class ladder, she is suddenly awoken to what it means to have no safety net. Side-splittingly funny one minute, a freak horror show the next, quintessentially American throughout, *Ladyparts* is an era-defining memoir.

The New Men's Studies - Eugene R. August 1994

Contains some 1000 annotated entries that describe books about men. Coverage includes men's awareness, health, rights, heterosexuality and homosexuality, patriarchy and minority males. Each entry describes the book's content and, where appropriate, its political stance.

Know My Name - Chanel Miller 2020-08-18
A NEW YORK TIMES BESTSELLER "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post
Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. *Know My Name* will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain,

resilience, and humor, this memoir will stand as a modern classic.

Men's Studies - Eugene R. August 1985

Books included in this bibliography focus on males and exhibit some of the following criteria: awareness of male gender role; awareness of other works in men's and women's studies; transcends stereotypes; contribute insight into the universal experience of being male; explore issues of important to males such as men's rights or vasectomy.

The Publishers' Trade List Annual - 1985

Secret Bad Girl - Rachael Maddox 2018-05-28

Secret Bad Girl is a deeply healing memoir and trauma resolution guide for women who've suffered secret rapes or sexual abuse - and want both stories and instructions for being set free. Rachael Maddox bravely shares her own story of statutory rape and recovery, inviting readers into the possibility that their current sex issues, fears, stunted confidence or self-worth troubles, private addictions, private depressions, or impossible-seeming dreams, could in fact be resulting from unresolved sexual trauma. There's a myth that so many women bear the burden of in today's world. The myth is that we're bad for the violations that happen to us, as well as the mess of the aftermath of those abuses. Secret Bad Girl not only dispels this myth, but illuminates exactly how you can transcend it, embodying the aliveness, resilience, and vitality available to you. Secret Bad Girl reads like works by Eve Ensler mixed with Peter Levine and a dash of Andrea Gibson. Stories. Science. Poetry. Most people never resolve their trauma because fear of entering into the territory of violation is so abrasive that they freeze. Rachael Maddox understands this fear and meets her readers in a place of compassion and grace, creating safe space for sacred healing.

The Culture of Narcissism: American Life in An Age of Diminishing Expectations -

Christopher Lasch 2018-10-23

The classic New York Times bestseller, with a new introduction by E.J. Dionne Jr. When The Culture of Narcissism was first published in 1979, Christopher Lasch was hailed as a "biblical prophet" (Time). Lasch's identification of narcissism as not only an individual ailment

but also a burgeoning social epidemic was groundbreaking. His diagnosis of American culture is even more relevant today, predicting the limitless expansion of the anxious and grasping narcissistic self into every part of American life. The Culture of Narcissism offers an astute and urgent analysis of what we need to know in these troubled times.

The Mystery Fancier (Vol. 3 No. 1) March-April 1979 - Kim Philby 2010-08-01

Volume 3 Number 1 of The Mystery Fancier contains: "Gene Stratton-Porter: Mistress of the Mini-Mystery," by Jane S. Bakerman, "The Len Deighton Series," by Jeff Banks and Harry Dawson, "Kim Philby, Master Spy in Fact and Fiction," by Theodore P. Dukeshire, "Bouchercon, 1978: IX and Counting," by Donald A. Yates, "The Nero Wolfe Saga, Part XI," by Guy M. Townsend, and "An Index of Books Reviewed in TMF Volume 2," compiled by David H. Doerrer.

Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the

humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

The Boy They Tried to Hide - Shane Dunphy
2016-02-04

The Boy They Tried to Hide is the startling, true account about a troubled young boy who disappears into the woods by his house. Sometimes truth is stranger than fiction ... Shane Dunphy was working as a resource teacher in a rural town when he was approached by the mother of one of his pupils, seeking help. She is worried for her troubled young son, who has been found leaving the house late at night to go deep into the woods near their home. He has spoken of meetings with a friend, Thomas, but no one else has seen him or knows who he is. As

Shane tries to discover what's going on, a sexual predator he helped bring to justice years before reappears. The man is looking to settle a score, and has picked someone close to Shane as his next victim. In The Boy They Tried to Hide, Shane Dunphy revisits cases he encountered during his time as a child protection worker and journalist and, in doing so, once again discovers that leaving the past behind is harder than it seems.
