Second Chance Bride - Jane Myers Perrine 2009-01-01
Second chances are rare in Annie MacAllister's life, and the sudden opportunity to pose as a respectable schoolteacher is too good to pass up. Annie plans to stay in the friendly Texas town of Trail's End just long enough to earn money for a new start. But she never dreams that in helping herself, she would help her students—and the one man who could uncover her truth... As Trail's End's most righteous citizen, John Sullivan thinks that believing in God is only about right and wrong. But he's challenged by the new schoolteacher's unconventional methods—and her unexpected past. Now, he and Annie will need some divine forgiveness to reignite their faith...and find a future together.

Second Chance Christmas - Betsy St. Amant 2022-09-27
Holiday wishes can come true... If they work together. Charlie Bussey is ready to fight the corporation threatening to shut down the local animal shelter—she just didn't expect

the enemy would be her former best friend, Blake Bryant. To adopt his newly discovered niece, Blake needs this property deal to succeed. But when he discovers Charlie is his niece's child advocate, can he help his childhood crush...and gain a family for Christmas? From Love Inspired: Uplifting stories of faith, forgiveness and hope.

Opening Night - Sandra Alex 2021-06-05

A successful guitarist. Broken by one, made by another...and wrecked by the one person he's trusted since birth. Jimmy Trent wasn't born with a guitar in his hand, but his big brother Ken showed him the ropes at a tender age. Jimmy was hooked, and when the band Brainchild was born, he began to fulfill his childhood dream. With Ken by his side, Jimmy soars with his band, reaching milestones most rock stars simply get to witness from their parent's garages. But when Mandy, Jimmy's first love, comes into the picture, all bets are off. When the supermodel doesn't bring him all the promises a proper wife

should, the rock star finds himself in a hole that he can't dig himself out of. Cindy Kilgore never thought her beloved husband would stoop to the level that fifty percent of men have, but when she receives the news that he's warmed another woman's bed, she packs her bags to move back to the hometown she's missed. With her mother suffering from a recent stroke, it's all the more reason for Cindy's return. And with her two-bit a-hole boss driving a stake through her budding career, it gives her three reasons to move on. She never expects to find the job of a lifetime at a recording studio. But the job comes with strings attached that she's bluntly acquainted with the second she sees rock star Jimmy Trent answer the door. With Cindy's surprisingly apt skills, Jimmy quickly notices that Cindy is cut out for more than just an assistant's position, and this realization could not have come at a better time, since they're missing one head in the team. She quickly takes on more and

more responsibility with ease and enthusiasm, until an unexpected visit to the emergency room threatens to bring Cindy's new career to a grinding halt. Jimmy has a tough decision to make, and with the growing pressure of a new record and a recording contract's ink that isn't even dried yet, the rock star and his band need to make some quick, impossible changes. Jimmy finds himself unable to turn his cheek on Cindy. What's worse, she doesn't even know it...yet. Filled with heartache, heartbreak and a handsome helping of triumph, 'Opening Night' is the perfect complement to 'Dress Rehearsal'. Get your tissues out, this one is a tearjerker! Fair warning: this story covers sensitive adult subject matter and has course language, violence, drug use and explicit sex. Readers will see rock stars in a whole new light and find themselves with aching hearts. HEA (Happily Ever After) Rock star romance Second chance romance Medical romance Medium heat Drug abuse Mild

Good stuff." - 5 Stars from Avidreader4ever, Amazon reviewer "As always with this author, the book is so well-

written, with a unique story line that kept my interest throughout." - 5 Stars from Karenc, Booksprout reviewer

Reunited with the Cowboy Cream and Punishment - Susannah Nix 2022-01-18
I thought this new job would be the fresh start I desperately needed. I didn't expect the woman who broke my heart to be my new coworker. Do you believe in love at first sight? I didn't. Not until the night I looked up from my book and saw Lucy Dillard sitting in the same noisy bar as me with her nose buried in her own book. It felt like we were made for each other. When I fell for Lucy, I fell hard. Everything was perfect between us—until she suddenly dumped me. The worst part was she wouldn't even tell me why. Now, not only am I stuck staring at my ex's face in the office all day long, but she's also the one assigned to train me. As if

there's not already enough tension between us, she thinks I'm here to steal the promotion she's been promised. But the more we're forced to work together, the better I understand her. And the more I realize how much we kept hidden from each other. Now that I know what Lucy's had to go through and how different her world is from mine? I'm more in love with her than ever. I just need to convince the girl who got away that I'm worth a second chance—and pray she doesn't break my heart all over again. CREAM AND PUNISHMENT is a swoony, full-length second chance romance packed with small town feels and messy family shenanigans. Featuring an unforgettable menstrual cup mishap, a nerdy book-loving heroine who's in over her head, and a cinnamon roll hero with a spicy side, it stands alone and promises an HEA ending.
