**Seven Secrets to Sexual Purity - Dannah Gresh 2003-03-01**

Seven Secrets to Sexual Purity Leader's Guide is the biblically based sexual education program based on the book And the Bride Wore White. Presented in a two-day, one-night sleepover, or a ten week Bible Study, girls who attend say it is a blast! The seven secrets to sexual purity is presented in fifteen hours of an active curriculum in which small group discussions, individual activities, group games and fun object

lessons are utilized. Every session carries a deep scriptural challenge to the attendees on an intimate level. The young women who attend will: Begin informal mentorships with women who attend from your community. Write commitments (for their eyes only) to keep sex out of their relationships until their wedding night. Gain a deep understanding of the covenant purpose of sex as well as the earthy blessings that God rewards us with, if that covenant is protected. Write commitments to protect their love for God with undistracted devotion. Develop a list of 'Top Ten' Comeback Lines for questionable situations. Create a vision of a godly marriage by committing to only date Christians and by writing a 'shopping list' of character qualities for their husband-to-be. Write a letter to God, placing themselves and their struggles before Him. Worship the greatest love - Jesus! Begin the process of healing from sexual sin if it exists in their lives.

**MenAlive - Jed Diamond 2012**

MenAlive is for everyone who wants to keep stress from shortening their lives and damaging their relationships. It is more than a book. MenAlive is a complete tool kit for relieving stress and bringing about lasting health. "80 percent of all illnesses are stress induced," says Woodson Merrell, M.D., Chairman of the Department of Integrative Medicine at Beth Israel Medical Center. Although stress impacts everyone, men are particularly vulnerable. According to social scientist Dr. Thomas Joiner, "Males experience higher mortality rates than

females at all stages of life from conception to old age." Diamond, best-selling author of *Surviving Male Menopause and the Irritable Male Syndrome*, teaches men and women four simple, yet effective, practices that can be used to prevent stress-related problems all of us face in this fast-paced, often chaotic world. In Part I of the book, Diamond describes the hazards and blessings of being male, why perpetual stress is deadly, the science behind energy healing, and "the ultimate power tool" for guys who want their lives to work. In Part II, he details the four energy healing tools Diamond believes to be the most effective and scientifically sound: Earthing, Heart-Coherence, Attachment Love, and Emotional Freedom Techniques (EFT). In Part III, he applies the tools to the most pressing problems men face today including: Irritable Male Syndrome (IMS), male-type depression, chronic pain, sexual dysfunction and loss of desire, Andropause (male menopause) and age-related issues, and the stresses related to our economic and ecological transition. Both men and women will be interested in getting answers to the following questions: Is Irritable Male Syndrome (IMS) undermining your health and relationship? How can you treat depression without talk therapy or drugs? Which simple Energy Healing Tool can you use to relieve shoulder, neck, and back pain? What are the best tools for reducing inflammation and improving sleep? How can you keep Andropause (male menopause) from ruining your sex life? Could you and your partner be going through "double menopause?" Why do men frighten women and why do women shame men? Which tools should you use to best insure that a relationship lasts a lifetime? What are the most important things you can do when the economy hits the fan? How can you prepare for the global changes in 2012 and beyond?
