The Best American Erotic Poems - David Lehman  
2008-02-05

There is a deep tradition of eroticism in American poetry. Thoughtful, provocative, moving, and sometimes mirthful, the poems collected in *The Best American Erotic Poems* celebrate this exuberant sensuality. These poems range across the varied landscapes of love and sex and desire -- from the intimate parts of the body to the end of an affair, from passion to solitary self-pleasure. With candor and imagination, they capture the delights and torments of sex and sexuality, nudity, love, lust, and the secret life of fantasy.

David Lehman, the distinguished editor of the celebrated *Best American Poetry* series, has culled a witty, titillating, and alluring collection that starts with Francis Scott Key, Emily Dickinson, Walt Whitman, and Hart Crane, encompasses Frank O'Hara, Anne Sexton, John Updike, Charles Simic, Billy Collins, Kevin Young, and Sharon Olds, and concludes with the rising stars of a whole new generation of versifiers, including Sarah Manguso, Ravi Shankar, and Brenda Shaughnessy. In a section of the book that is sure to prompt discussion and further reading, the living poets write about

**The Poetry of Sex** - Sophie Hannah 2014-01-30

The Poetry of Sex - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah 'We've been at it all summer, from the Canadian border to the edge of Mexico . . .' It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York,

from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere. Sophie Hannah has published five collections of poetry. Her fifth *Pessimism for Beginners* was shortlisted for the T.S. Eliot Award in 2007. Her *Selected Poems* is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently *The Carrier*. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

Charmed, I'm Sure - D. L.

Forbes 2019-11-29

I grew up in a particularly primitive era and society â the United Kingdom in the 1950's and 60's â which deemed it imperative that the moors of archaic religions and laws of

the State should control the private and consensual sexual activity of the adult population. As a young lad, I wondered why most adults were so concerned and fidgety about what other adults did sexually in private, and I knew instinctively, as the young often believe they do, that many of the conventions and laws that adults perpetrate were simply a load of old malarkey. I decided that when and if I made it to puberty and beyond, I would ignore all such specious and aberrant strictures and work out the precepts of my own life and my own sexuality for myself, which I did, and do, and here in these poems is a small chunk of that. These poems span a period of over forty years, and are not presented chronologically, but are those that drew my interest or a specific remembrance, and taken randomly from many note and sketchbooks, as a rambling sampler. These poems are of sexual content, often explicitly so, and are intended for adult readers, ideally by

**Ovid's Erotic Poems** - Ovid  
2014-10-22

The most sophisticated and daring poetic ironist of the early Roman Empire, Publius Ovidius Naso, is perhaps best known for his oft-imitated *Metamorphoses*. But the Roman poet also wrote lively and lewd verse on the subjects of love, sex, marriage, and adultery—a playful parody of the earnest erotic poetry traditions established by his literary ancestors. The *Amores*, Ovid's first completed book of poetry, explores the conventional mode of erotic elegy with some subversive and silly twists: the poetic narrator sets up a lyrical altar to an unattainable woman only to knock it down by poking fun at her imperfections. *Ars Amatoria* takes the form of didactic verse in which a purportedly mature and experienced narrator instructs men and women alike on how to best play their hands at the long con of love. Ovid's *Erotic*

*Poems* offers a modern English translation of the *Amores* and *Ars Amatoria* that retains the irreverent wit and verve of the original. Award-winning poet Len Krisak captures the music of Ovid's richly textured Latin meters through rhyming couplets that render the verse as playful and agile as it was meant to be. Sophisticated, satirical, and wildly self-referential, Ovid's *Erotic Poems* is not just a wickedly funny send-up of romantic and sexual mores but also a sharp critique of literary technique and poetic convention.

salsa, part Nas and Sonia Sanchez, part Shakespeare and John Leguizamo. It is inherited history as well as traditions remixed and invented. Del Valle creates autobiographical narratives that utilize spoken word poetry and music, intended equally for the page and live performance. Rooted in the aesthetics of hip-hop and the urban Latino experience, the poems here explore themes of healing, transformation, and the recovery of ancestral memory in the modern-day diaspora. The beauty of this collection is that the poet manages to curate the flow such that the reader can DJ the poems-arrange their own set and thus, to borrow a phrase from that system, "spin" their own performance. Book jacket.

[SEX and the Single Girl Revisited](#) - Mary-Margaret (anand sahaja) Stratton  
2018-06-19

Anand's third collection of poetry is a book of sometimes erotic poems is entitled appropriately enough, Sex and the Single Girl Revisited. Yes, even the cover is a fun nod to

the first edition of the famous 1962 classic piece of literature written by Helen Gurley Brown. Sexuality is a hot topic these days and anand provides us with some hot topic poems, witty, wildly imaginative and super-real. The influence of Bukowski shows up most in this collection with tales of wild nights, drinking, and other frolics. Her succinct twisted sensibility comes out strong in "Winning," "missing your vibes," "Problems With Superiority" and "green pants." Each and every poem is accompanied by a hand-drawn piece of unique artwork by anand herself, and also by a talented illustrator from Croatia, Bernarda Saldo. In addition, outstanding work by artists from around the world (United States, Bosnia and Herzegovina, India, Romania, the Ukraine and Poland) were included. From the author, "a collection of writings written about clandestine situations that I have witnessed... imagined... or quite possibly experienced..."

*The Second Sex* - Michael

Robbins 2014-09-30

A second collection from a poet of "sheer joy and dizzy command" (The New York Times) Upon its publication in 2012, *Alien vs. Predator*, the debut collection by Michael Robbins, became one of the hottest and most celebrated works of poetry in the country, winning acclaim for its startling freshness and originality, and leading critics to say that it was the most likely book in years to open up poetry to a new readership. Robbins's poems are strange, wonderful, wild, and irrationally exuberant, mashing up high and low culture with "a sky-blue originality of utterance" (The New York Times). The thirty-six new poems in *The Second Sex* carry over the music, attitude, hilarity, and vulgarity of *Alien vs. Predator*, while also working deeper autobiographical and political veins.

*Gay Erotic Poems - Hot Rhyming Sex* - L. Dawson  
2013-03-12

Enjoy 30 poems. Rhyming sex

stories of passion, fun, romance and action. Excerpt: I met this soldier when he arrived home from Iraq, His body was ripped and looking jacked. Said he had an itch like a cat, And that he wanted to slide into something tight, muscular and fat. I smiled and said, "Is that a matter of fact? Soldier boy I have all that." So, he seductively took off his uniform, As I danced and performed. This book is for adults only.

**Ode to Sex** - Abby Gold 2017  
Ode to Sex is a collection of erotic writings. It includes 16 erotic stories on themes from spanking and SM, to threesome and group sex, to some perhaps more serious and intimate explorations of sexual relationships. Titles include, Love Tunnel, A Letter from Mistress Slut, The Punishment School and A Gentleman's Agreement. It also includes a longer story called Anything, about a submissive girl

involved in a passionate triangle with two dominant men. Then follow 27 short sex fantasies, each presenting the reader with an erotic idea or scenario. Titles include, Harem Heaven, Ice Maiden, Spanking, Lovebites and My Masters. The book concludes with a selection of sex poems, including Ode To My Favourite Lover, Men On My Mind, Submission and Stripper. In all there is no question that this explicit, emotional and imaginative writing is inspired by a true passion for sex.

"*And Never Know the Joy*" -  
2016-08-29

"*And Never Know the Joy*" : Sex and the Erotic in English Poetry promises the reader much to enjoy and to reflect on: riddles and sex games; the grammar of relationships; the cunning psychology of bodily fantasies; sexuality as the ambiguous performance of words; the allure of music and its instruments; the erotics of death and remembrance, are just a few of the initial themes that emerge from the twenty-five articles to be found in this

volume, with many an invitation "to seize the day". Reproduction, pregnancy, and fear; discredited and degraded libertines; the ventriloquism of sexual objects; the ease with which men are reduced to impotence by the carnality of women; orgasm and melancholy; erotic mysticism and religious sexuality; the potency and dangers of fruit and flowers; the delights of the recumbent male body and of dancing girls; the fertile ritual use of poetic texts; striptease and revolution; silent women reclaimed as active vessels, are amongst the many engaging topics that emerge out of the ongoing and entertaining scholarly discussion of sex and eroticism in English poetry.

Lyrical Afrodisiac - Kamilah A. McNeil 2013-07-02

senses with vivid imagery. Lyrical Afrodisiac ranges from playful poems like "Thank You" which expresses the humor in sexual satisfaction to poems like "Assibey" delving into love at first sight. Haiku's will never be looked at the same, Lyrical Afrodisiac reunites nature and nudity with clever comparisons in each short poem. Amerikah The Beautiful captures the essence of love, lust, passion

and playfulness in her lines as she removes the literary chastity belt from the minds of her readers.

Spicy, Freaky, Sex Poems -
