

Sex And The City Movie Imdb Parents Guide

The Zone of Interest - Martin Amis 2014-08-21

Amidst the horrors of Auschwitz, German officer, Angelus Thomsen, has found love. But unfortunately for Thomsen, the object of his affection is already married to his camp commandant, Paul Doll. As Thomsen and Doll's wife pursue their passion - the gears of Nazi Germany's Final Solution grinding around them - Doll is riven by suspicion. With his dignity in disrepute and his reputation on the line, Doll must take matters into his own hands and bring order back to the chaos that reigns around him. 'It is exceptionally brave.... Shakespearean.... It's exciting; it's alive; it's more than slightly mad. As the title suggests, it is dreadfully interesting.' Sunday Times

Mastering the Art of French Cooking, Volume 1 - Julia Child 2011-10-05

NEW YORK TIMES BESTSELLER • The definitive cookbook on French cuisine for American readers: "What a cookbook should be: packed with sumptuous recipes, detailed instructions, and precise line drawings. Some of the instructions look daunting, but as Child herself says in the introduction, 'If you can read, you can cook.'" —Entertainment Weekly "I only wish that I had written it myself." —James Beard Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way, Mastering the Art of French Cooking offers something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine. Julia Child, Simone Beck, and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes—from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring-green peas. Throughout, the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations—bound to increase anyone's culinary repertoire. "Julia has slowly but surely altered our way of thinking about food. She has taken the fear out of the term 'haute cuisine.' She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique, and she has elevated our consciousness to the refined pleasures of dining." —Thomas Keller, *The French Laundry*

The Road - Cormac McCarthy 2019-03-07

The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

The Boys in the Boat - Daniel James Brown 2021-03-30

The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. Soon to be a major motion picture directed by George Clooney For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by

defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

The City of Ember - Jeanne DuPrau 2009-07-15

Many hundreds of years ago, the city of Ember was created by the Builders to contain everything needed for human survival. It worked - but now the storerooms are almost out of food, crops are blighted, corruption is spreading through the city and worst of all - the lights are failing. Soon Ember could be engulfed by darkness-But when two children, Lina and Doon, discover fragments of an ancient parchment, they begin to wonder if there could be a way out of Ember. Can they decipher the words from long ago and find a new future for everyone? Will the people of Ember listen to them?

Fleishman Is in Trouble - Taffy Brodesser-Akner 2020-07-07

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • "A masterpiece" (NPR) about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Alma's Best Jewish Novel of the Year • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book

The Man in the High Castle - Philip K. Dick 2011

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

Ender's Game - Jed Alger 2013-10-15

Based on the best-selling novel, *Ender's Game* tells the thrilling story of the fight to save the world from a devastating future. Now, in this official companion volume, the behind-the-scenes world of the film is brought into stunning focus. Following an attack by an alien race known as the Formics—narrowly countered thanks only to the efforts of legendary war hero Mazer Rackham (Ben Kingsley)—Earth has been preparing itself for the next wave in the conflict. The fate of humanity lies in finding the next Mazer from a crop of the brightest young minds on the planet. Under the watchful eye of the International Fleet, the venerated Colonel Hyrum Graff (Harrison Ford) has been tasked with overseeing their training. Before

long, a standout emerges among them: Ender Wiggin (Asa Butterfield), a shy but prodigiously talented misfit. His potential discovered, Ender is promoted to Command School, where he will soon find the war with the Formics to be more complex than he could have ever imagined. Packed with in-depth interviews, removable posters and army badges, stunning concept art, unparalleled access to the visual effects archives at Digital Domain, and countless full-color images, this insightful insider's view of the making of Ender's Game will bring fans closer into the world of the movie, following cast and crew as it is brought to dazzling life. Also featuring Hailee Steinfeld (True Grit) as Petra Arkanian, Viola Davis (The Help) as Major Gwen Anderson, and Abigail Breslin (Little Miss Sunshine) as Ender's brilliant older sister, Valentine.

Luckiest Girl Alive - Jessica Knoll 2015-09-08

"In a riveting debut novel that reads like Prep meets *Gone Girl*, a young woman is determined to create the perfect life--husband, home, and career--until a violent incident from her past threatens to unravel everything and expose her most shocking secret of all. Twenty-eight-year-old New Yorker Ani FaNelli seems to have it all: she's a rising star at *The Women's Magazine*, impossibly fit, perfectly groomed, and about to marry Luke Harrison, a handsome blueblood. But behind that veneer of perfection lies a vulnerability that Ani holds close and buries deep--a very violent and public trauma from her past that has left her constantly trying to reinvent herself. And only she knows how far she would go to keep her secrets safe. When a documentary producer invites Ani to tell her side of the chilling incident that took place when she was a teenager at the prestigious Bradley School, she hopes it will be an opportunity for public vindication.

Armed with the trappings of success--expensive clothes, high-powered byline, a massive engagement ring--she is determined to silence the whispers of suspicion and blame from her past, and prove once and for all how far she's come since Bradley. She'll even let them film her lavish wedding on Nantucket, the final step in her transformation. But perfection doesn't come without cost. As the wedding and filming converge, Ani's meticulously crafted facade begins to buckle and crack--until an explosive revelation offers her a final chance at redemption, even as it rocks her picture-perfect world. Equal parts glitz and darkness, and with a singular voice and twisting plot, *Luckiest Girl Alive* reads like *Sex & the City*--if Carrie Bradshaw had a closet full of skeletons instead of shoes. In Ani FaNelli, Jessica Knoll has created a complex and vulnerable heroine who you'll be rooting for to the very last page"--

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

The Complete The Killer - Matz 2018-07-11

Artist Luc Jacamon and writer Matz (*The Black Dahlia*) deliver the definitive collection of the Eisner Award-nominated crime saga, *The Killer*, a hardboiled, noir series following a hitman lost in a world without a moral compass. Get inside the mind of a professional assassin, a man of few scruples, nerves of steel, and a steady trigger finger. A man whose crimes might be catching up with him. A man on the verge of cracking... After misadventures in Central and South America and having earned enough money to retire comfortably, the Killer retires to Mexico, but his colleagues are still in need of his irreplaceable skills... and before long he's drawn back into the great geopolitical game between Cuba, Venezuela, and the United States.

Jungle book stories - Rudyard Kipling 1998

The Pillow Book - Peter Greenaway 1996

Script of Greenaway's 1995 film, *The pillow book*, which was made as an homage to the 10th century story by Sei Shōnagon entitled *Makura no sōshi*, on which it is loosely based.

Love Letters of Great Men - Ursula Doyle 2008-08-05

From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, *Love Letters of Great Men* collects together some of the most romantic letters in history. For some of these great men,

love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these *Love Letters of Great Men* show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

My Life in France - Julia Child 2009-03-12

When Julia Child arrived in Paris in 1948, a six-foot-two-inch, thirty-six-year-old, rather loud and unserious Californian, she spoke barely a few words of French and did not know the first thing about cooking. What's a shallot? she asked her husband Paul, as they waited for their sole meunière during their very first lunch in France, which she was to describe later as 'the most exciting meal of my life'. As she fell in love with French culture, buying food at local markets, sampling the local bistros and taking classes at the Cordon Bleu, her life began to change forever, and *My Life in France* follows her extraordinary transformation from kitchen ingénue to internationally renowned (and loved) expert in French cuisine. Bursting with adventurous and humorous spirit, Julia Child captures post-war Paris with wonderful vividness and charm.

Sandcastle - Pierre Levy 2013-05-07

It's a perfect beach day, or so thought the family, young couple, a few tourists, and a refugee who all end up in the same secluded, idyllic cove filled with rock pools and sandy shore, encircled by green, densely vegetated cliffs. But this utopia hides a dark secret. First there is the dead body of a woman found floating in the crystal-clear water. Then there is the odd fact that all the children are aging rapidly. Soon everybody is growing older--every half hour--and there doesn't seem to be any way out of the cove. Levy's dramatic storytelling works seamlessly with Peeters's sinister art to create a profoundly disturbing and fantastical mystery. Praise for *Sandcastle* "Begins like a murder mystery, continues like an episode of *The Twilight Zone*, and finishes with a kind of existentialism that wouldn't be out of place in a Von Trier film." -- Publishers Weekly, starred review "Sandcastle is a fast 112-page read you won't be able to put down." -- Cleveland.com "Peeters and Levy convey some profound, if profoundly unsubtle, truths about the human condition. Weighty stuff, expertly told." --The Comics Bulletin

Media Review Digest - C. Edward Wall 2004

The Lost City of Z - David Grann 2010-01-26

#1 NEW YORK TIMES BESTSELLER • From the author of *Killers of the Flower Moon* comes a masterpiece of narrative nonfiction that unravels the greatest exploration mystery of the twentieth century—the story of the legendary British explorer who ventured into the Amazon jungle in search of a fabled civilization and never returned. “Suspenseful...rollicking.” —The New York Times In 1925, Percy Fawcett went into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called “The Lost City of Z.” In this masterpiece, journalist David Grann interweaves the spellbinding stories of Fawcett’s quest for “Z” and his own journey into the deadly jungle. Look for David Grann’s new book, *The Wager*, coming in April 2023!

Motherless Brooklyn - Jonathan Lethem 2014-08-07

SOON TO BE A MAJOR MOTION PICTURE, *MOTHERLESS BROOKLYN* IS RELEASED IN CINEMAS DECEMBER 2019 'A detective novel of winning humour and exhilarating originality.' Sunday Times Lionel Essrog is Brooklyn's very own self-appointed Human Freakshow, an orphan whose Tourette's Disease drives him to bark, count, and rip apart our language in startling and original ways. Together with three veterans of the St Vincent's Home for Boys, he works for mobster Frank Minna. But when Frank is fatally stabbed and his widow skips town, Lionel attempts to untangle the threads of the case.

Daughter of the Deep - Rick Riordan 2021-10-05

From the creator of PERCY JACKSON, bestselling author Rick Riordan, comes a brand-new adventure, inspired by Jules Verne's *Twenty Thousand Leagues Under the Sea*. Ana Dakkar is a freshman at Harding-Pencroft Academy, a five-year high school that graduates the best marine scientists, naval warriors,

navigators, and underwater explorers in the world. Ana's parents died while on a scientific expedition two years ago, and the only family's she's got left is her older brother, Dev, also a student at HP. Ana's freshman year culminates with the class's weekend trial at sea, the details of which have been kept secret. She only hopes she has what it'll take to succeed. All her worries are blown out of the water when, on the bus ride to the ship, Ana and her schoolmates witness a terrible tragedy that will change the trajectory of their lives. But wait, there's more. The professor accompanying them informs Ana that their rival school,

Land Institute, and Harding-Pencroft have been fighting a cold war for a hundred and fifty years. But now the heat is on and the freshman are in danger of becoming fish food. In a race against deadly enemies, Ana will make amazing friends and astounding discoveries about her heritage as she puts her leadership skills to the test for the first time. Rick Riordan's trademark humour, fast-paced action, and wide cast of characters are on full display in this undersea adventure. Rick Riordan has now sold an incredible 180 million copies of his books worldwide. 'This is the stuff of legends' - The Guardian on Percy Jackson
