

Sex Offenders Near Me Los Angeles

The Registration and Monitoring of Sex Offenders - Terry Thomas 2012-03-29

This book seeks to track the origins of sex offender registers, their purpose and the law and policy that underpins them in various parts of the world. Sex offender registers are not really registers at all but a set of 'legal requirements' that fall automatically on a person convicted or cautioned for a designated sexual offence; the term 'register' is a form of shorthand for these requirements, designed to be a contribution to greater public protection and community safety. This book provides the first serious and detailed narrative of the conception and implementation of the sex offender registers. It seeks to do so in a clear and easy-to-follow text that will be both informed and critical and will also serve as a resource book for those wanting to make further study of the process of registration and monitoring. It looks in detail at the practice of implementing registers and considers questions about their effectiveness in monitoring sex offenders and the implications of someone being on a sex offender register. The book examines the legal challenges to registers and monitoring and the position of registrants in the context of human rights and seeks to place registers and monitoring in the wider context of what is being called the surveillance society. The Registration and Monitoring of Sex Offenders will be key reading for students of criminology and criminal justice, surveillance and human rights and practitioners in criminal justice fields of policing, probation, social work, children's services, the judiciary, prison work and others.

It Happens Every Day - Robin Sax 2010

The author illustrates how our criminal justice system works with regard to sex crimes involving children.

Sex Offender Treatment - S. Margretta Dwyer 1996

This collection of papers discusses standards of care for the treatment of adult sex offenders as well as interpersonal violence, aggression, pedophilia and exhibitionism. Other topics include : the importance of good assessment techniques; issues affecting victims and families of sex offenders; why treatment does not work for some sex offenders; and, special types of sex offenders such as those with learning difficulties or mental retardation.

Catch and Kill - Ronan Farrow 2019-10-15

THE NEW YORK TIMES BESTSELLER 'Riveting and often shocking' Sunday Times 'Dripping with jaw-dropping revelations' Telegraph 'Absorbing' New York Times In a dramatic account of violence and espionage, Pulitzer Prize-winning investigative reporter Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost. In 2017, a routine network television investigation led Ronan Farrow to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move and weaponizing an account of abuse in his own family. All the while, Farrow and his producer faced a degree of resistance that could not be explained - until now. And a trail of clues revealed corruption and cover-ups from Hollywood, to Washington and beyond. This is the untold story of the tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability and silence victims of abuse - and it's the story of the women who risked everything to expose the truth and spark a global movement. 'Darkly funny and poignant . . . a breathtakingly dogged piece of reporting' Guardian 'Reads like a thriller' The Cut 'Meticulous and devastating' Associated Press

Sex Offender Registration and Community Notification Laws - Wayne Logan 2021-06-17

This volume is the first comprehensive empirical examination of the premises and effects of sex offender registration and notification laws.

The Clinical Presentation and Treatment of Adult Female Sex Offenders Against Children - Sarah Bione-Dunn 2009

Collective Morality and Crime in the Americas - Christopher Birkbeck 2013

This book examines the nature of collective morality as it materializes in public commentary about crime in the Americas and identifies the ways in which the moral community is talked into being and how the imagined moral universe is mapped.

International Perspectives on the Assessment and Treatment of Sexual Offenders - Douglas P. Boer 2015-06-22

International Perspectives on the Assessment and Treatment of Sexual Offenders: Theory, Practice and Research provides the first truly global perspective on the assessment and treatment of sex offenders. Presents a comprehensive overview of current theories and practices relating to the assessment and treatment of sex offenders throughout the world, including the US, Europe, and Australasia Covers all the major developments in the areas of risk assessment, treatment, and management Includes chapters written by internationally respected practitioners and researchers experienced in working with sexual offenders such as Bill Marshall, Ruth Mann, Karl Hanson and Jayson Ware

Sex Offender Placement - Elaine M. Howle 2009-02

The Oxford Handbook of Sex Offences and Sex Offenders - Teela Sanders 2017

Provides comprehensive, even-handed analysis of the myriad of topics related to sex offenses, including pornography, sex trafficking, criminal justice responses, and the role of social media in sex crimes.

Extending beyond the existing scholarly research on the topic, this volume teases out the key debates, controversies, and challenges involved in addressing sex crimes.

Factors Related to Improvement of Sex Offenders in Therapy - Charles Willis Cabeen 1955

Sex Offender Laws - Dr. Richard Wright 2009-03-16

"This volume of readings provides an excellent source of information about sex offender laws and policies." -International Journal of Offender Therapy and Comparative Criminology "Sex Offender Laws...is a good source for balanced, objective, and thorough critique of our current sex offender policies as well as a source for accurate information about a very heterogeneous population...The message that sexual abuse is often a multifaceted and complex issue and that policy based on quick fixes or knee jerk reactions do not often work will be informative and enlightening to many readers." --Sex Roles "[T]his fine book by Richard Wright and his distinguished collaborators provides the evidence that wise policy-makers would want to consider. It covers every major field of research concerning sex offenders and sexual offenses and provides evidence of bad practices and policies. Intellectually honest politicians should read this book." --Michael Tonry, LL.B, Professor of Law and Public Policy University of Minnesota Law School (From the Foreword) In response to many high-profile cases of sexual assault, federal and state governments have placed a number of unique criminal sanctions on sex offenders. These include residency restrictions, exclusionary zones, electronic monitoring, and chemical castration. However, the majority of sex offender policies are not based on empirical evidence, nor have they demonstrated any significant reductions in offender recidivism. In fact, some of these policies have unintended consequences, which actually increase the likelihood of sexual offenses. In this book, Wright critically analyzes existing policies, and assesses the most effective approaches in preventing sex offender recidivism. This provocative and timely book draws from the fields of criminal justice, law, forensic psychology, and social work to examine how current laws and policies are enacted and what to-date is known about their efficacy. The team of expert contributors includes Karen Terry, author of Sexual Offenses and Offenders, and others who bring a wealth of insight to the field of sex offense. In response to the failed policies of sex offender laws, this book presents alternative models and approaches to sex offense laws and policies. Wright also explores critical, cutting-edge topics,

such as internet sexual solicitation, the death penalty, and community responses to sex offense. Key Features: An introduction and overview of the history of sex offender laws Analyzes the role of the media in sex offense and sex offender policies Examines the political "untouchability" of sex offender laws and their adverse effects Features interviews with victims of sexual assault, investigating their points of views on what kinds of reforms need to be made to sex offender laws Thought-provoking and insightful, Sex Offender Laws serves as a vital resource for policy makers, researchers, and students of criminal justice, law, and social work.

Sex Offender Laws, Second Edition - Dr. Richard Wright 2014-07-17

FBI Law Enforcement Bulletin - 2000

Transforming Trauma - Anna Salter 1995-05-31

Practitioners helping adult survivors of child sexual abuse need to be aware of the thought processes of offenders. The premise of Anna Salter's major book is that those who do not recognize an internalized perpetrator when they hear one will often be frustrated by the tenacity of the survivor's self blame. Primarily oriented towards treating adult survivors, this invaluable book will also be useful for treating sex offenders. It includes discussion of crucial issues such as: what clinicians who treat survivors need to know about sex offenders; the different ways sadistic and nonsadistic offenders think and the resulting different 'footprints' they leave in the heads of survivors; how trauma affects survivors' world-views;

Identifying and Treating Sex Offenders - Robert Geffner 2004

Identifying and Treating Sex Offenders: Current Approaches, Research, and Techniques brings you up-to-date on the latest significant issues and state-of-the-art tools involved in the evaluation and treatment of adult sex offenders. Experts in the field discuss controversial topics, including diagnoses, classification, public notification, and risk assessment, to help psychologists, therapists, and social workers better

understand and work with this specialized population. This book also contains accurate information about sex offender statistics and research for policymakers to use in creating policies and legal statutes that successfully deter recidivism in known sex offenders.

Considering Context in Treating Male Adolescent Sex Offenders - Jennifer L. Turner 2002

How to Work with Sex Offenders - Rudy Flora 2013-06-19

How to Work with Sex Offenders is a cutting edge, state-of-the-art book that provides mental health professionals best practice techniques on how to clinically evaluate, interview, and treat this challenging patient population. Successful models of individual, family, and group models of psychotherapy are provided for the reader. In addition, this handbook walks the reader through the investigation, arrest, prosecution and court hearing process, from start to finish. Thoroughly revised, this new edition builds on additional research data and new information, adding advanced chapters on female offenders, Internet offenders, pornography, sexual addiction, rape and child and adolescent sexual misconduct. This is a must-read work for undergraduate and graduate students, law enforcement officers, prosecutors, judges, child protection service workers, therapists, and other professionals who work with sex offenders.

Treatment Programs for Sex Offenders - Edward M. Brecher 1978

National Conference on Sex Offender Registries - 1998

This document presents the proceedings of the conference. Day One of the conference focused primarily on the sex offender problem from a Federal perspective. A panel of U.S. Justice Department officials discussed various aspects of the Federal statutes and conducted an informative question-and-answer session to address the specific concerns of individual States. DayTwo began with a presentation by FBI representatives concerning preparations the Bureau is taking to assume control of registration and notification functions in States unable to establish their own effective programs.
