Seven Weeks to Better Sex - Domeena Renshaw 1996

Dr. Renshaw's practical program outlines the six most common sexual problems couples face and offers effective solutions. The numerous questionnaires and exercises are designed to help couples understand their attitudes about sex, intimacy, body image, and communication, and help provide the building blocks for increasing confidence and heightening enjoyment.

Coming Home to Passion - Ruth Cohn 2011-02-18

This book offers a detailed road map for overcoming sexual and relationship impasses originating from painful childhood experiences. Large numbers of adults with histories of childhood trauma and neglect suffer persistent relationship and sexual difficulties. Unfortunately, most have failed to receive adequate help with emerging from these deep and complex problems. *Coming Home to Passion: Restoring Loving Sexuality in Couples with Histories of Childhood Trauma and Neglect* explores the enduring impacts—physiological, psychological, and behavioral—of childhood trauma and neglect. Author Ruth Cohn, drawing on 25 years of experience working with trauma survivors and their partners and families, lays out a practical and actionable course for recovery in clear, accessible language. This book provides direction and hope to those with trauma backgrounds while also serving as a unique resource for professional readers. Integrating in-depth information on attachment and relationship, trauma and neglect, and sexuality, Cohn details a practical, hands-on treatment approach for revitalizing love, health, and passion.

Step 3 - Anthony Beech 1998DIY Sex and Relationship Therapy - Lori Boul 2012-11-06

This book provides a comprehensive, professional 'tool kit' that will help you: - Learn how to resolve sexual and relationship problems - Discover new techniques to improve your relationship - Practise skills that can protect your relationship - Put romance, fun and passion back into your life Drawing on her wide professional experience, Dr Lori Boul provides authentic therapy techniques in an accessible, easy to follow, step-by-step layout that can be practised effectively at home. Full of practical

exercises and innovative techniques, DIY Therapy will give you the skills you need to improve your relationship without the expense of face-to-face counselling. You will be guided through a programme of relationship and sex therapy sessions that will help you overcome your difficulties, recapture fun and romance and ensure the changes you make will truly last.

Sex Talk - Aline P. Zoldbrod 2002

Presenting 50 sex-talk techniques combined with explicit illustrative stories, the authors show readers how to determine what they want from sexual experiences and how best to communicate their desires.

Sex Therapy at Home - David J. Kass 1975-01-01**At Home with Pornography** - Jane Juffer 1998

Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals. She shows, for instance, how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women. In her pursuit to understand what women like and how they get it, Juffer delves into adult cable channels, erotic literary anthologies, sex therapy guides, cyberporn, masturbation, and sex toys, showing the degrees to which these materials have been domesticated for home consumption.

The Art of Sex Coaching: Expanding Your Practice - Patti Britton 2011-01-01

This is the essential resource for professionals seeking sex-positive approaches for their clients. Britton shows therapists and counselors how to move their practices fully into sex coaching or simply integrate sex coaching techniques for encouraging sexual self-understanding, growth, and pleasure into their existing therapeutic work. Based in the empirical science of sexology and adapted for practitioners looking to enrich their work and enlarge their client base, *The Art of Sex Coaching* covers what professionals need to know in order to participate in this exciting new field of coaching.

Sensate Focus in Sex Therapy - Linda Weiner 2017-02-24

Sensate Focus in Sex Therapy: The Illustrated Manual is an illustrated manual that provides health professionals with specific information on the use of the structured touching opportunities used regularly by Sexologists to address their clients' sexual difficulties (Sensate Focus 1) and enhance intimate relationships (Sensate Focus 2). This book is the only one to: vividly describe and illustrate the specific steps of, activities involved in, and positions associated with Sensate Focus; emphasize the purpose of Sensate Focus as a mindfulness-based practice; and distinguish between the purposes of Sensate Focus 1 and Sensate Focus 2. Through the use of artful drawings and descriptive text, this manual engages mental health and medical professionals and their clients by appealing to both the visual and the analytical. It discusses how modifications to Sensate Focus can be applied to diverse populations, such as LGBTQ clients, the elderly, the disabled, trauma survivors, and those with challenges such as Autism Spectrum, anxiety, and depression. The book also offers suggestions for dealing with common client difficulties such as avoidance, confusion, and goal directed attitudes. This comprehensive approach to Sensate Focus will remind readers of the beauty and power of touch while offering suggestions for moving from avoidance to sensory transcendence.

Systemic Sex Therapy - Katherine M. Hertlein 2015-02-20

This comprehensive textbook, intended for graduate students in couple and family therapy programs as well as for clinicians of diverse orientations, offers descriptive discussions of sex therapy based on the Intersystem Approach, as developed by Gerald Weeks. The Intersystem Approach considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. It is grounded in systems theory and represents a new understanding of human sexuality and sexual problems. Appropriate for anyone who wants to progress to a more comprehensive and integrative understanding of sexual dysfunctions, this text will teach the reader how to treat the couple, rather than the individual. Now in a second edition, Systemic Sex Therapy presents 12 updated chapters and two new chapters, bringing

the material up-to-date with the DSM-5. Each chapter examines the definition and description of a disorder, its etiology, assessment, treatment, research, and future directions. Experts in the field discuss issues ranging from pharmacology, sexual compulsivity, therapy with lesbian and gay couples, to chapters on male and female lack of desire. A standard text in the field, Systemic Sex Therapy integrates couple and sex therapy to inform the treatment of sexual problems, and to give beginning and experienced clinicians the abilities and confidence they need to produce viable change in their patients' lives.

Angie's Sex Therapy - Ruth Blaque 2015-05-29

Angie's Sex Therapy: Bondage BDSM Threesome Erotica Rick and Angie were typical high school sweethearts. After college they got married and bought a home, and then had a daughter, and their life became—average. They each went to work all day and came home tired. They ate average, boring meals. Their sex life was not overly exciting, their life wasn't overly exciting, and both were feeling rather unfulfilled. Rick found an ad for a sex therapist that said she could help them learn to add intimacy and excitement into their marriage, and the pair decided to give it a try. After all, wasn't excitement supposed to be the spice of life? Warning: This ebook contains very explicit sex. Only mature adults who won't find graphic sexual content offensive should read this story.

Principles and Practice of Sex Therapy - Kathryn S. K. Hall 2020-06-29

This widely used clinical reference and text--now significantly updated with 75% new material reflecting therapeutic advances, diagnostic changes, and increased coverage of sexual minority groups--comprehensively addresses sexual problems and their treatment. Prominent contributors interweave theory, research, and clinical considerations. Detailed case examples illustrate the process of assessment and intervention with individuals and couples across the lifespan, with attention to gender-related, cultural, and health concerns. The volume features an integrative introduction and conclusion, plus an instructive editorial commentary at the beginning of each chapter. New to This Edition *Many new authors and extensively revised chapters. *Coverage of advances in sexual medicine, ICD-11 diagnostic changes,

and other timely topics. *Chapters on sexual aversion, female sexual arousal disorder, and out-of-control sexual behavior. *Chapters on the transition to parenthood and the treatment of sexual concerns in the BDSM community and adult transgender clients. *Chapters on additional medical issues: cancer and spinal cord injury.

[A Thousand Tears from Home](#) - Gordon Baker 2018-10

Promotes a view of marriage, sexuality and romance that is both conservative and relevant. A view that is vibrant, fulfilling and purposeful for Christian young people. An inspirational store for Christ centered lives.

Love in the Time of Corona: Advice from a Sex Therapist for Couples in Quarantine - Diana Wiley 2020-05-18

Do you want to get the most out of your time together in quarantine? Sex therapist Dr. Diana Wiley tells you how to: * Enjoy a more sensual and sexual connection with your partner. * Relieve stress and strengthen your relationship. * Have more fun!"Dr. Diana is the voice of relationship wisdom-mindful, playful, and pleasure-positive!"-Sheri Winston, author of Succulent SexCraftInvite more intimacy and sensuality back into your relationship. Such healthy pleasures will soothe your anxieties amid the coronavirus pandemic and bring you closer together as a couple. You could even heal your relationship.You can make a choice about whether you either enjoy or merely endure this time of forced togetherness.Dr. Diana gives advice and prescribes fun and easy exercises to get to know your partner better, plan your date night at home, be more playful, and even try something new in the bedroom. She offers helpful guidance on using touch to relieve stress and revitalize your senses. Learn ways to integrate gratitude and mindfulness into your sex life. All of these contribute to increased pleasure and satisfaction. You'll even learn about "pandemic sex!"Love in the Time of Corona is endorsed by a wide range of professionals: doctors, therapists, researchers, professors, filmmakers, sex educators, authors, a divorce attorney ... and even a porn star!Order now and start reaping the benefits from this unique opportunity to enhance your love life."Well-written and practical, it's the perfect book for couples who want to pluck something good out of a demanding and

dangerous period in world history."-Pepper Schwartz, PhD, professor of sociology and author of The Normal Bar

The Art of Intimate Marriage - Tim and Dr. Jennifer Konzen 2019-01-08

From a two-time nationally award winning sexuality researcher - The Art of Intimate Marriage. God's plan for sexual intimacy in marriage is the work of a Master artist and genuine intimacy is like a beautiful masterpiece. Your marriage is going well but you want to make your sex life better and you're looking for help on how to do that. You want to know what God has to say about how to build a fulfilling sexual intimacy in your marriage. Your sexual relationship has been full of pain, discouragement, and frustration and you need some answers. You have some medical issues that are making sex difficult and you would like to rekindle experiencing mutually pleasurable sex. For these issues and more, The Art of Intimate Marriage provides direction and guidance on how to get there. Creating that masterpiece may mean learning God's view of sex, gaining life-giving intimacy skills, and figuring out how to work through conflict in a way that creates deeper connection. It may also mean overcoming things in your background, healing things in your marriage, or dealing with those medical challenges. We have the opportunity to have a deeper understanding of God's loving heart through being deeply known and erotically bonded with our spouse. The Art of Intimate Marriage gives us a road map to experience growth toward a more rewarding, spiritual sexual relationship.

[The Book of Love](#) - Laura Berman 2009

What does every couple want? A close, honest bond with their lover? Great communication and humour? Some romance? To feel loved, passionately, by their partner? A great sex life that keeps you both begging for more? The truth is that most couples aspire to have all of these things. What is more, they are vital components of any loving relationship. But how do you get it and, more importantly, how do you keep your relationship fresh, vibrant, and sexy over the years? Expert sex and relationship therapist Dr. Laura Berman offers an even split of sex and relationship advice in this invaluable book, teaching couples how to

become connected, communicative, stable, romantic, and sexually-satisfied, as well as how to plan for a happy, intimate, and fantasy-fuelled future together.

[The Relate Guide to Sex in Loving Relationships](#) - Sarah Litvinoff
2008-09-04

Sex is part of a loving relationship. However, really loving someone doesn't always mean the sex will be wonderful - it might be as routine and dull as brushing your teeth, it might be difficult, or it might just hardly ever happen. The good news is that you can turn a disappointing sex life into one that is enjoyable and fulfilling, and a satisfying sex life can be made even better. In *The Relate Guide to Sex in a Loving Relationship*, Sarah Litvinoff guides you through practical tasks, quizzes and talking points to help you discover the sexual person you are, with unique likes, dislikes and needs. You will: --Build your own unique sexual profile --Draw up your own 'better sex' plan --Separate sexual fact from fiction --Tackle common sexual difficulties --Learn simple sex-enhancing techniques. The inspirational yet down-to-earth methods highlighted in this book will make a satisfying love life possible for any loving and committed couple.

What Your Parents Didn't Tell You about Sex - Anthony a Hughes
2015-04-08

Problems in the sexual relationship are one of the top reasons that couples get divorced, both inside and outside of the Church. Many faithful members have sought out counsel and direction from books, bishops, and therapists. Yet a large portion still complains of low levels of sexual satisfaction or dysfunction, which pull at the marital bond and covenant marriage. Dr. Anthony A. Hughes, LMFT, is a noted sex therapist and devoted member of the LDS church. In "What Your Parents Didn't Tell You about Sex," he shares his vast knowledge and clinical experience for LDS couples who seek to improve their sexual satisfaction, strengthen their marital bond, and glorify God through their sexual union. He has put together the best that research, theory, and thousands of hours practicing sex therapy have to offer. Focusing strictly on what all the other LDS books on sexual intimacy have missed, Dr.

Hughes goes into respectful but needed detail concerning sexual practices between husband and wife. He covers the impact of LDS culture on sexuality, underrepresented aspects of the sexual response cycle, psychological and physical differences disconnecting couples, myths and facts, common problems and solutions, and the impact of sexual addiction on marital intimacy.

Principles and Practice of Sex Therapy, Fifth Edition - Yitzchak M. Binik
2014-03-19

This book has been replaced by *Principles and Practice of Sex Therapy, Sixth Edition*, ISBN 978-1-4625-4339-7.

The New Sex Therapy - Helen Singer Kaplan 1974

In recent years, the work of Kinsey, Masters and Johnson, and other investigators has led to tremendous advances in our understanding of human sexuality. This increased understanding is currently being translated into innovative new approaches to the treatment of sexually dysfunctional men and women, with often dramatic results in relieving the distressing sexual symptoms of countless individuals who were formerly beyond help, even with years of costly psychotherapy. Now a noted psychiatrist and specialist in the new sex therapy describes for the first time the new treatment of the sexual dysfunctions, providing a clear picture of the entire process of treatment, as well as conceptualizing the theory underlying it. The author's method is unique in that it represents an integration of psychoanalytic and sex therapy techniques. It treats the couple on an outpatient basis and is applicable to office practice, as well; it focuses on relief of the sexual problem and attaining improved sexual functioning; and it is multicausal and eclectic in orientation-combining psychoanalytic and learning theories and techniques through the integration of assigned sexual tasks (which the couple conducts at home) with conjoint psychotherapeutic sessions in the doctor's office.

Treatment is usually brief, requiring only six to fifteen visits for most couples. This comprehensive volume covers the anatomy and physiology of the sexual response, including the role of hormones and the brain (with 13 anatomical and schematic illustrations); the biological and psychological causes of sexual dysfunction; and the basic principles and

procedures of sex therapy. Discarding the pejorative terms "impotence" and "frigidity," the author classifies the six major sexual dysfunctions as: in Men -- Erectile Dysfunction, Premature Ejaculation, and Retarded Ejaculation; in Women -- General Sexual Dysfunction, Orgastic Dysfunction, and Vaginismus. For each of these, the author describes the immediate and deeper causes, the specific sexual tasks assigned, the therapist/couple interaction in the therapeutic sessions, and the results of treatment. Thirty-nine detailed case studies supplement the text, and seven drawings by internationally-known artist Betty Dodson illustrate the sexual tasks most frequently prescribed. Another major contribution of this volume is a group of tables showing the effects on male and female sexuality of a broad spectrum of drugs and physical illnesses. The interrelationship of sexual dysfunction and

marital discord, contraindications for sex therapy, the handling of psychiatric disorders in patient or partner, and the qualifications of sex therapists are among the many ramifications of the new sex therapy which are analyzed by Dr. Kaplan. Evidence now suggests," she says, "that sexual problems, while they may of course be manifestations of profound emotional disturbance or mental illness, are not invariably so, but also commonly occur in persons who function well in other areas and have no other psychological symptoms....For many patients the new brief forms of intervention are far more effective than the traditional psychiatric approaches." In sum, this is a comprehensive and highly professional volume which places treatment of the sexual dysfunctions on a solid, scientific basis.
