GET THIS BOOK TODAY!

The Rise of Viagra - Associate Professor of Sociology and Women's Studies Meika Loe 2004-08-11

Since its introduction in 1998, Viagra has launched a new kind of sexual revolution. Quickly becoming one of the most sought after drugs in history, the little blue pill created a sea change within the

pharmaceutical industry. From how drugs could be marketed to the types of drugs put into development, as well as the culture at large. Impotency is no longer an embarrassing male secret; now it is called OC erectile dysfunction, OC and is simply something to OC ask your doctorOCO about. And over 16 million men have. The Rise of Viagra is the first book to detail the history and the vast social implications of the Viagra phenomenon. Meika Loe argues that Viagra has changed what qualifies as normal sex in America. In the quick-fix, pill-for-everything culture that Viagra helped to create, erections can now be had by popping a pill, making sex on demand, regardless of age or infirmity, and, potentially, for the rest of one's life. Drawing on interviews with men who take the drug, their wives, doctors and pharmacists as well as scientists and researchers in the field, this fascinating account provides an intimate history of the drug's effect on America. Loe also examines the quest for the female Viagra, the impact of the drug around the world, the introduction of new erection drugs, like Levitra and Cialis, and the rapid growth of the multi-billion dollar pharmaceutical industry. This wide-ranging book explains how this medical breakthrough and cultural phenomenon have forever changed the meaning of sex in America."

The Philosophy of Viagra - 2011-01-01

The impotency remedy Viagra is the fastest selling drug in history. It has grown beyond being simply a medical phenomenon, but has achieved the status of cultural icon, appearing on television as a pretext for jokes or even as a murder weapon. Viagra has socio-cultural implications that are not limited to sexuality. The Philosophy of Viagra offers a unique perspective as it examines the phenomenon of Viagra through ideas derived from more than two thousand years of philosophical reasoning. In philosophy, Eros has always had a central position. Since Plato, philosophy has held that desire is not only a medical but also a spiritual phenomenon and that scientific explanations claiming to give an exhaustive account of erotic perception are misleading. Philosophical ideas are able to debunk various scientific rationalizations of sexuality - one of which is the clinical-sexological discourse on Viagra. In this volume, several authors interpret Viagra through the lens of classical

philosophy explicating the themes of immortality and hedonism. Others offer psychoanalytical considerations by confronting clinical sexology with psychological realities. Still others evoke intercultural aspects revealing the relative character of potency that the phenomenon of Viagra attempts to gloss over.

Viagra - Brian Scott 2018-06-21

Viagra Complete Men's Antidote Pill for Treating Erectile Dysfunction, Increase Libido and Sex drive and become a Master in Bed Are you a man or a guy who is suffering from erectile dysfunction ? Lady Viagra Sex Pills - Doctor James Allen 2018-02-06

LADY VIAGRA SEX PILLS Everything you need to know About the Powerful Viagra for Women And How to Use Lady Viagra to Improve Sexual Desire, Arousal, Lubrication, And Orgasm and Provide Long Lasting Pleasure for Women Low sexual desire can be troubling and affect a woman's self-esteem and her sex life. Female Viagra has been hailed the new treatment for a lady's low libido .Fibanserin, as it is name, is the female's answer to Viagra. A new study has found that from the data collected from more than 2,300 premenopausal women who participated in three 24-week studies that pitted flibanserin (Addyi) against an inactive placebo. All of the women had hypoactive sexual desire disorder. That means their sex drive was low enough to bother them, or to have a negative impact on a relationship. Their response to the drug was measured using the Female Sexual Function Index. This index asks women to report their sexual desire, arousal, lubrication, orgasm, satisfaction and pain. Compared with a placebo, women taking a daily dose of flibanserin reported significant improvement in desire and the other areas of sexual function assessed by the index. This guide will show you all the important information's you need to know of the powerful female Viagra and how to use it to improve sexual desire, arousal, orgasm and lubrication. Also outline in this guide are the various causes of lack of sex drive. Download this book by Scrolling up and Clicking Buy Now to Get this Guide Now

Sex for Life - Laura Carpenter 2012-02

Sexual beliefs, behaviors and identities are interwoven throughout our lives, from childhood to old age. An edited collection of original empirical contributions united through its use of a distinctive, cutting-edge theoretical framework, *Sex for Life* critically examines sexuality across the entire lifespan. Rooted in diverse disciplines and employing a wide range of research methods, the chapters explore the sexual and social transitions that typically map to broad life stages, as well as key age-graded physiological transitions, such as puberty and menopause, while

drawing on the latest developments in gender, sexuality, and life course studies. *Sex for Life* explores a wide variety of topics, including puberty, sexual initiation, coming out, sexual assault, marriage/life partnering, disability onset, immigration, divorce, menopause, and widowhood, always attending to the social locations - including gender, race, ethnicity, and social class - that shape, and are shaped by, sexuality. The empirical work collected in *Sex for Life* ultimately speaks to important public policy issues, such as sex education, aging societies, and the increasing politicization of scientific research. Accessibly written, the contributions capture the interplay between individual lives and the ever-changing social-historical context, facilitating new insight not only into people's sexual lives, but also into ways of studying them, ultimately providing a fresh, new perspective on sexuality.

Viagra Super Power - Bruce Polatney 2018-07-08

VIAGRA SUPER POWER !!!VIAGRA TREATS ERECTILE DYSFUNCTION AND IMPOTENCE. BOOSTS YOUR LIBIDO. INCREASES YOUR SEX DRIVE, AND GIVES YOU A HARD ERECTION SO YOU CAN HAVE SEX ANYTIME !!! Viagra is the "super power" drug that treats erectile dysfunction also known as impotence in men. If you have the desire for sex, Viagra can help you to get and maintain an erection that is hard enough for you to have sex and enjoy every minute of it. Viagra is also used to treat pulmonary arterial hypertension, a kind of high blood pressure which affects the lungs and the heart. With so many success stories from all over the world, it is now agreed that Viagra is highly effective for erectile dysfunction. Most people start with a dose of the 50 milligram pill. Viagra works for up to 85 percent of men with erectile dysfunction (regardless of the underlying cause of the condition). One tablet of Viagra is usually swallowed about thirty minutes to an hour before sex, thereafter; Viagra takes peak effect in about one hour. And Viagra can give you an erection that can stay on for up to four hours. Another good thing about Viagra is that you take it when you want to. That means that whenever you feel like having sex is when you take Viagra so you can get the hard erection you need to achieve your mission. But remember that while there are so many good things about

Viagra, you should consult your doctor and get his/her approval before you begin any treatment course on Viagra. This is a great book about the wonderful drug, Viagra. This book is a valuable resource and a go-to guide on erectile dysfunction and impotence. It is a great value! And it is important for you to note that what is being offered for sale here is this book not Viagra pills. In other words, you are buying this book not Viagra pills, and for your purchase you will receive this book not Viagra pills. For your purchase you will receive this book that contains every important thing you need to know about how to use Viagra to achieve your maximum sexual dreams. This book explains all about the uses, dosages, side effects, precautions, drug interactions, disease interactions and FAQs about Viagra. Again, this is a great book and a great resource that will help you to take charge of your sex life once again. Dominate your sex life like the boss you were meant to be. Knock out erectile dysfunction now. BUY THIS BOOK NOW.

Viagra - James Bowers 2018-09-08

Viagra is a medicine that you can use for treating the sexual erectile dysfunction problems in men. This medicine was initially formulated to address the people with high blood pressure as it lowers the blood pressure. But now, Viagra is one of the highly used and popular medicines for increasing sex drive in bed. Viagra is a branded medicine for sildenafil citrate. Viagra's competitors are Cialis (Tadalafil) and Levitra (vardenafil). Men face the problem of erectile dysfunction due to blocked blood flow to the penile area and hence experience low sex drive. There can be many reasons for the blocked blood flow. Your lifestyle, your diet, smoking, alcohol, side effects of certain medicines, stress, or other reasons can cause erectile dysfunction/low sex drive. Whatever is the reason, the PDE5 enzyme in the body stops the blood flow, and hence, man will not be able to get an erection for sex pleasure and suffer from erectile dysfunction. Viagra acts an inhibitor of PDE5 enzyme and then the blood flow to the penile area gets normal and the muscles around the penile area also get relaxed. So, make it easy for the man to get an erection. But one important thing to remember when you are taking Viagra is you need to be sexually active. If you are not sexually stimulated, then Viagra does not work on your body and erectile dysfunction will not be treated. Along with this, taking the right dose of Viagra pill is also important for a man to get an erection. You need to get in touch with the doctor to get more information about the Viagra pill dose. This book contains useful information about the erectile dysfunction medication Viagra. In this book, you will get complete information about how to take Viagra pill and how Viagra pill is going to work on your body and increase your sex drive. The possible side effects and interactions of Viagra pill also discussed in this book. In this book, you also need to go through the warnings and precautions in order to stay safe and get an erection for better sex performance. Overall, you will get complete information about Viagra pill in this book.

Sex Viagra:
