

# Sex And The Seasoned Woman

**Every Time I Think About Sex I Get Vexed** - Michael L Morgan 2020-07-10

Hold on. This wasn't how I envisioned this would be. I mean, in the movies the music is right, the girl is patiently anticipating the love, and the guy is mentally psyching himself up for what is supposed to be the most life-altering, man-producing moment of his life. But that did not happen. Not even close. The stupid cassette tape was skipping, so Baby Face's "I only think of you" came out as "I only tink on you." Really romantic song, eh? I only fart on you on two occasions... just great. This magic moment wasn't magical at all. Fine, she was in her element as an older seasoned woman who was body-aware and confident and in control. Me, not so much. I had

laboured breathing, sweaty palms, and a severe case of hebetude thwarted my cool "mojo," as it were. My first time was a flop of epic proportions. Oh well, there's a reason it's called the first, not that I was already looking forward to my second, but I knew there was at least a mulligan to come, and it could only get better from here, right?

*Introduction to Aging* - Judith Sugar 2013-12-03

*Women's Lives* - Claire A. Etaugh 2023-02-24

Women's Lives integrates the most current research and social issues to explore the psychological diversity of girls and women varying in age, ethnicity, social class, nationality, immigrant experience, sexual orientation,

gender identity, ableness and body size and shape. The text embeds a lifespan perspective within each topical chapter and has an intersectional approach that integrates women's diverse identities. It includes rich coverage of women with disabilities and on middle-aged and older women throughout. Taking a deeper transnational focus, it also examines the impact of social, cultural, and economic factors in shaping women's lives around the world. This edition explores the latest areas of research and tackles important contemporary topics such as: feminization of immigration media portrayals of LGBTQ individuals and immigrants regulating testosterone levels in women's sports; disorders of sexual development; nonbinary identity the effects of social media on body image; sizeism new classification of sexual disorders menstrual equity and the "tampon tax" migrant women as transnational mothers academic environment for low-income, ethnic minority, and immigrant

women effects of the COVID-19 pandemic on women's employment and work-family balance the dilemma of unpredictable work hours healthcare barriers experienced by immigrant women and LGBTQ individuals #MeToo movement; vigilante gender violence the fourth wave of feminism the role of immigrant women and ethnic minority women in grassroots feminist activism men's support of feminist issues and more Boasting a new full-color design and rich with pedagogy, the book includes several boxed elements in each chapter. "In The News" boxes present current news items designed to engage students in thinking critically about current gender-focused events and issues. The "What You Can Do" boxes give students examples of applied activities that they can engage in to promote a more egalitarian society. "Get Involved" boxes ask students to collect data and to critically think about the explanations and implications of the activity's findings.

"Learn About the Research" boxes expose students to a variety of research methods and highlight the importance of diversity in research samples by including studies of underrepresented groups. At the end of each chapter, "What Do You Think" questions foster skills in critical thinking, synthesis, and evaluation by asking the student to apply course material or personal experiences to provocative issues from the chapter. The "If You Want to Learn More" feature provides names of the most current books available on various topics that are discussed in the chapter. Combining up-to-date research with an approachable and engaging writing style, *Women's Lives* is an invaluable resource for all students of gender from psychology, women's studies, gender studies, sociology, and anthropology.

**The Silent Passage** - Gail Sheehy 2010-06-01  
Gail Sheehy's landmark bestseller has become the bible for women concerned about

menopause. Since *The Silent Passage* was originally published in the early 1990s, Gail Sheehy, a member of the board of the New York Menopause Research Foundation, has been at the forefront of the newest research on menopause. She has also continued to interview countless women throughout the country on the subject. In this updated and expanded edition, she presents essential new data in chapters on *The Perimenopause Panic*, *Menopause in the Workplace*, *Estrogen and Brainpower*, and *New Frontiers in Treatment*. Candid, enlightening, inspiring, and witty, with the latest information on everything from early menopause to Chinese medicine and natural remedies, *The Silent Passage* is an indispensable reference for every woman.

**fEmpowerment** - Sandy Shepard 2007-10

By using the Bond Girl (from the ever-popular James Bond movies and books) as her paradigm, fEmpowerment coach Sandy Shepard leads the

reader to experience, then unleash, her inner authentic self. Ms. Shepard states that she aims to change the world, one Bond Girl at a time. A successful businesswoman and attorney, Ms. Shepard is particularly passionate about helping harried women weave sensual femininity into their daily routines, and this book uses a friendly "best girlfriend" style to help women empower their lives.

Not Too Old for That - Vicki Larson 2022-04-04

The narratives around women at midlife and older are more than just sexist and ageist; they're damaging to women's physical, emotional, financial, romantic, and sexual health. This book will help women break through those tired and hurtful stereotypes to better reflect who they are, how they live, and what they want as they age.

**Gabe's Guide to Good Sex** - Gabriel Morris 2012-03-26  
"You can read this short little book in a couple of hours or less. But I assure you that you will come away from it with

some new, very useful ideas on how you approach sex-whether you're a man or a woman, young or older, a seasoned sex machine or a 40-year-old virgin. The book isn't focused so much on slick moves and techniques; though there are certainly some of those as well. Rather, it explores some of the more fundamental issues when it comes to having really good sex: Tuning into your partner's energy; understanding the fundamental differences between men and women, masculine and feminine; getting out of the head and into your body; increasing the feelings of love between you and your partner, as opposed to just focusing on physical pleasure; making every phase of the sexual experience last longer. These suggestions and many others will help guide you naturally into finding the right moves, positions, rhythm, etc., so that you can start experiencing deeply satisfying and mind-blowing lovemaking, as opposed to just getting laid." From "Gabe's Guide to Good Sex" by Gabriel Morris

Morris is author of many books including "How to Make Sacred Love to a Woman" (also available on Amazon.com as both a Kindle e-book and in paperback). "Gabe's Guide to Good Sex" includes 25 potent sex tips (15 for men and 10 for women), with several paragraphs of explanation for each one. It also features three more in-depth essays (two of which are also featured in the book "How to Make Sacred Love to a Woman"). The central focus of these suggestions revolves around the idea that the most important aspect of any sexual encounter is more about the energy you create between yourself and your partner, than simply what you do with your body. Yes, what you do with your body is important as well! And included in this little book are an assortment of tips for both men and women to get more in touch with their bodies. But ultimately, great sex is more about how tuned in you are to your partner, and yourself, rather than simply giving a great performance and

showing off the right moves. A few more selections from the book: "Feeling a woman's energy as much as you can is an all-encompassing exercise that should guide everything you do with her, from suggestions for where to go out, to when you make your first move, to how you make love. If you're not sensing into her, then good looks, charm and slick moves will only get you so far. " "The masculine impulse tends to be focused on the goal: get naked, penetrate and orgasm. The feminine wants to savor the moment and take more time with everything: build the energetic connection, more foreplay, longer sex, more orgasms. And if you agree that sex is fun, then why be in a rush to get it over with?" "So, once she signals that she's ready to spread her legs for you and reveal that sweet, beautiful part of her feminine essence, don't just grab your cock and go for the goal. Take your time with it. Admire it. Tell her how beautiful it is. Stroke her thighs, encouraging her to

open a little wider. Brush your fingers along her pubic hair, giving her just a little tease of what's to come, how gentle and sensitive you will be with your hands, and with your manhood once you get to that point." "To whatever extent the man is on top and in the active role, it's essential that he finds the proper rhythm with the woman. Sometimes the man needs a little reminder that if he really wants to merge with the feminine nature and help create a mutually amazing sexual experience, he needs to get out of his own head and make sure to sense into the woman, both energetically and physically, in order to find a rhythm that's truly in sync with the woman. So, as the woman, it's your job to make it clear when in fact he isn't finding that proper rhythm."

*Project Renewment* - Bernice Bratter 2008-03-11

For the first time in history, career women -- women who have worked outside the home for most of their lives -- are retiring. Without role models, they look to one another to face

the changes this life transition brings. Career women from the Baby Boom and pre-Baby Boom, or Silent, generations are approaching retirement. They want to know what it means to suddenly find themselves back inside their homes after having devoted their lives to careers outside of them. These women are highly skilled, educated and successful. They have achieved visibility, status and influence. And because they are the first large group of American women to define themselves by their work, they have few, if any, models for retirement. Project Renewment will show women that giving up their careers does not mean giving up who they are. Renewment is a term the authors created as an alternative to the word retirement, which they associated with negative stereotypes and clichés. A combination of retirement and renewal, Renewment suggests optimism and opportunity, growth and self-discovery. Project Renewment is a grassroots movement among

women who are close to retirement or recently retired and looking to connect with one another. The women of Project Renewment believe that retiring is a process of change and increasing self-awareness. As they redirect the commitment and passion previously dedicated to their careers, they transform and reshape their lives. Project Renewment provides these women with an enriched and safe environment in which to explore and confront the challenges that lie ahead as they leave behind a lifetime at the office, hospital, studio or courtroom. Diverse topics are discussed, such as Who am I without my business card? What if he retires first? What is productivity anyway? Why do I feel guilty reading a book on a Tuesday afternoon? How do I feel about not earning another dollar? Divided into two sections, Project Renewment offers insight and support in a friendly, humorous and meaningful way. The first part of the book addresses the challenges that career women

tackle when looking to retire. The second teaches readers how to start and maintain their own Project Renewment group, so they can find support, inspiring relationships and even a few laughs as they look to get the most out of the rest of their lives.

**Finding and Revealing Your Sexual Self** - Libby Bennett

2010-04-16

Finding and Revealing Your Sexual Self integrates case studies and 'Sexercises' designed to enhance the information in each chapter. The tone of the book is one of compassion with a common sense approach that takes into account various sexual orientations. Special 'Sexual Healing' sections are dispersed throughout, containing relevant questions and answers relating to the difficulties that arise in different areas of sexuality and communication. The methods used in the book are tried and true exercises successfully used by the authors in couple and individual therapy. Finding and Revealing Your Sexual Self

*Passages* - Gail Sheehy  
2013-10-08

Learn how to better navigate the challenges of adult life with Gail Sheehy's landmark bestseller—named one of the ten most influential books of our times by the Library of Congress. For decades, Gail Sheehy's *Passages* has been inspiring readers to see the predictable crises of adult life as opportunities for growth. She charts the stages between 18 and 50 as unfolding in a pattern of adult development: once recognized, more easily managed. *Passages* is an insightful road map of adulthood that illustrates with vivid stories our continuing personality and sexual changes throughout the "Trying 20s," "Catch 30s," "Forlorn 40s," and "Refreshed (or Resigned) 50s." One comment is continuously repeated by men, women, singles, couples, and

people who recover from a midlife crisis: "This book changed my life."

**Sex and the Seasoned Woman** - Gail Sheehy 2006

In this groundbreaking work, cultural observer Sheehy reveals a hidden phenomenon--increased vitality in women's sex and love lives after fifty. This is a new universe of passionate, liberated women--married and single--who are unwilling to settle for the stereotypical roles of middle age and are now realizing they don't have to. As life spans grow longer and as societal constraints continue to loosen, older women--free of the exhausting demands of young children, needy husbands, and demanding careers--find themselves ready to pursue the passionate life. They embrace their "second adulthood" as a period of reawakening. Combining interviews and research, this book gives voice to more than a hundred colorful women, whose stories tell of wives who reinvigorate their marriages after their children leave the nest, as well

as divorced, widowed, and long-single women who find new dreams and new loves.-- From publisher description. *Women over 50* - Varda Muhlbauer 2007-08-18 This book analyzes the challenges, benefits, coping strategies, problems, and accomplishments associated with the midlife experience of women. Ten chapters present the state of research (and correct longstanding myths) regarding significant aspects of middle-aged women's lives. The book bridges a major knowledge gap in the feminist-psychology literature. It balances optimism and realism about older women's lives - and younger women's futures. *Better Than I Ever Expected* - Joan Price 2005-12-13 *Better Than I Ever Expected* is a warm, witty, and honest book that contends with the challenges and celebrates the delights of older-life sexuality. It asserts that women over sixty are at the top of their game when it comes to enjoying sex. Joan Price's woman-to-woman straight talk

transcends the self-help style of other books in this field. Yes, there are challenges to sex after menopause and beyond, says Price, but there are also creative solutions. She is on a mission to let women her age and older know that they can, in fact, have the best sex of their lives. Price gets personal and stays positive, combining her own story with candid comments, tips, and sassy tales from sexually seasoned women. She acknowledges the gritty issues that older women confront in their sexual lives, noting that it's not easy, but it certainly isn't over. At age 61, Price is newly engaged to the man she's been looking for her whole life. Her discovery of how great "well-seasoned" sex can be was the inspiration for this book. Sidebars present candid and friendly sex tips; fitness, exercise, and lifestyle information; and women's erotic vignettes (both real-life experiences and fantasies). *New Dimensions in Women's Health* - Linda Lewis Alexander 2009-07-29

*60 on Up* - Lillian Rubin  
2015-12-08

Getting old sucks, says best-selling author Dr. Lillian Rubin. With refreshing candor, she digs down under the statistics about our graying population and offers a provocative and unflinching examination of all the burning issues that mark aging today. Tackling the subject over a broad swath of the population, cutting across race, class, gender, and physical and cognitive ability, Rubin delivers a powerful and long-overdue reminder that everyone will be touched by the problems arising from our new longevity.

New Passages - Gail Sheehy

in the adult life cycle. . . People are taking longer to grow up and much longer to die. A fifty-year-old woman--who remains free of cancer and heart disease-- can expect to see her ninety-second birthday. Men, too, can expect a dramatically lengthened life span. The old demarcations and descriptions of adulthood--beginning at twenty-one and ending at sixty-five--are hopelessly out of date. In *New Passages*, Gail Sheehy discovers and maps out a completely new frontier--a Second Adulthood in middle life. "Stop and recalculate," Sheehy writes. "Imagine the day you turn forty-five as the infancy of another life." Instead of declining, men and women who embrace a Second Adulthood are progressing through entirely new passages into lives of deeper meaning, renewed playfulness, and creativity--beyond both male and female menopause. Through hundreds of personal and group interviews, national surveys of professionals and working-class people, and fresh findings extracted from fifty

years of U.S. Census reports, Sheehy vividly dramatizes these newly developing stages. Combining the scholar's ability to synthesize data with the novelist's gift for storytelling, she allows us to make sense of our own lives by understanding others like us. *New Passages* tells us we have the ability to customize our own life cycle. This groundbreaking work is certain to awaken and permanently alter the way we think about ourselves.

American culture that targets women to find their value in remaining youthful looking. Five Gifts of Pro-Aging was born out of Marcia's own aging crisis and her three decades of working with women who increasingly find themselves obsessed with the insatiable practice of nip, tuck, highlight, laser, and fill. Through humor and her no-nonsense style, Marcia provides valuable tips, motivational questions, and personal stories to help you age more consciously and comfortably. Five Gifts of Pro-Aging will help you to:

- Take stock of your own age phobia
- Uncover and recover from prolific social stigmas about growing older
- Learn about feminine carry-over behaviors and how to transform them
- Clear up unfinished business and bring honor to your maturity
- Feed your seasoned inner animal with the gift of wildness
- Join with other pro-aging women who are bringing the humane back into humanity

Marcia Newman is dedicated to helping Baby Boomers pioneer healthier aging attitudes and

actions. In Marcia's own words, "We are the perfect ones to revolutionize the aging freedom movement. It is my joy and privilege to bring this labor of love into the mix. My vision holds a brighter, more mature culture where women are able to receive full human dignity, no matter one's chronological age."
