Critical analysis of Vergil's life and works.

The Complete Idiot's Guide to Learning Italian, 3rd Edition - Gabrielle Euvino 2004-09-07

Learn the language of la dolce vita! For anyone who wants to learn and enjoy the most expressive and romantic of languages, the third edition of 'The Complete Idiot's Guide to Learning Italian' is the first choice for a whole new generation of enthusiastic students of Italian. This updated edition includes two new quick references on verbs, grammar, and sentence structure; two new appendixes on Italian synonyms and popular idiomatic phrases; and updated business and money sections. First two editions have sold extraordinarily well. Italian is the fourth most popular language in the United States.

The Unwanted Heiress - Amy Corwin 2021-06-30

An American heiress nobody wants; a duke every woman desires; and a murder no one expects. When Nathaniel, Duke of Peckham, meets Charlotte, he's suspicious of her indifference. Too many women have sought-and failed-to catch him. Happily, Charlotte is more interested in dead pharaohs than English dukes and laughs at both him and his suspicions. Her resistance crumbles, however, when a debutante seeking to entrap Nathaniel gets murdered. All too soon, his reputation as a misogynist makes him a suspect, and Charlotte impulsively comes to his aid. Unfortunately, both are unaware that a highwayman interested in rich heiresses is following Charlotte, and that another debutante lies dead in Nathaniel's carriage. Some nights just don't go as planned.

**A New Life** - Bernard Malamud 2004-09-13

Sy Levin, a high school teacher beset by alcohol and bad decisions, leaves New York for the Pacific Northwest to start over, imagining that an extraordinary new life awaits him there. Soon after arriving, he realizes that he had fallen for the myth of the West as a place of personal reinvention.

Thinking Italian Translation - Stella Cragie 2005-07-28

Thinking Italian Translation is a comprehensive and practical translation course. It focuses on improving translation quality and gives clear

definitions of translation theories. Texts are taken from sources including journalism, technical texts and screenplays. Translation issues addressed include cultural differences, genre, and revision and editing. Adapted from the successful French-based Thinking Translation (1992), the course has been piloted and refined at the Universities of St Andrews and Glasgow. A Tutor's Handbook is available, which contains invaluable guidance on using the course.

**The Viscount Who Loved Me** - Julia Quinn 2015-04-28

# 1 New York Times Bestseller The inspiration for season two of BRIDGERTON, a series created by Shondaland for Netflix, from #1 New York Times bestselling author Julia Quinn: the story of Anthony Bridgerton in the second of her beloved Regency-set novels featuring the charming, powerful Bridgerton family. ANTHONY'S STORY This time the gossip columnists have it wrong. London's most elusive bachelor Anthony Bridgerton hasn't just decided to marry—he's even chosen a wife! The only obstacle is his intended's older sister, Kate Sheffield—the most meddling woman ever to grace a London ballroom. The spirited schemer is driving Anthony mad with her determination to stop the betrothal, but when he closes his eyes at night, Kate's the woman haunting his increasingly erotic dreams... Contrary to popular belief, Kate is quite sure that reformed rakes do not make the best husbands—and Anthony Bridgerton is the most wicked rogue of them all. Kate's determined to protect her sister—but she fears her own heart is vulnerable. And when Anthony's lips touch hers, she's suddenly afraid she might not be able to resist the reprehensible rake herself...

**Sex and the City** - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town

full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Separate Rooms - Pier Vittorio Tondelli 2004

Leo is an Italian writer in his thirties. Thomas, his German lover, is dead. On a plane to Munich, Thomas's home town, Leo slips into a reverie of their meeting and life in Paris, nights in Thomas's flat in Montmartre and a desperate, drug-induced flight through the forests of northern France that spells the end for Leo and Thomas' languid, erotic life together. Leo travels to find anonymity. Structured in three musical movements, *Separate Rooms* is a story of ideal love, broken by absence and separation. When Thomas was alive, he and Leo had separate rooms in order to preserve the urgency of their passion. Now, Leo faces solitude, the impossible striving of memory to recreate life and the hostility of a prejudiced world. *Separate Rooms*, Tondelli's last book, is a powerful novel of the strength of love and the trauma of death.

Ethics, Politics and Justice in Dante - Giulia Gaimari 2019-06-27

*Ethics, Politics and Justice in Dante* presents new research by international scholars on the themes of ethics, politics and justice in the works of Dante Alighieri, including chapters on Dante's modern 'afterlife'. Together the chapters explore how Dante's writings engage with the contemporary culture of medieval Florence and Italy, and how and why his political and moral thought still speaks compellingly to modern readers. The collection's contributors range across different disciplines and scholarly traditions - history, philology, classical reception, philosophy, theology - to scrutinise Dante's *Divine Comedy* and his other works in Italian and Latin, offering a multi-faceted approach to the evolution of Dante's political, ethical and legal thought throughout his writing career. Certain chapters focus on his early philosophical *Convivio* and on the accomplished Latin *Eclogues* of his final years, while others tackle knotty themes relating to judgement, justice, rhetoric and literary ethics in his *Divine Comedy*, from hell to paradise. The closing chapters discuss different modalities of the public reception and use of Dante's work in both Italy and Britain, bringing the

volume's emphasis on morality, political philosophy, and social justice into the modern age of the nineteenth, twentieth, and twenty-first centuries.

*The Duke And I* - Julia Quinn 2009-10-13

Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

**Singing to the Lyre in Renaissance Italy** - Blake Wilson 2019-11-21

The first comprehensive study of the dominant form of solo singing in Renaissance Italy prior to the mid-sixteenth century.

**Vocabolario degli Accademici della Crusca oltre le giunte fatteci finora, cresciuto d'assai migliaia di voci e modi de' classici, le piu trovate da veronesi ... Tomo primo [-settimo] - 1806**

**Time of Contempt** - Andrzej Sapkowski 2013-06-24

The adventures of Geralt the Witcher continue in this second novel in the bestselling *Witcher* series that inspired the Netflix show and video games. The kings and armies are manoeuvring for position, each fearing invasion from across the river, each fearing their neighbours more. Intrigue, dissent and rebellion fester on all sides. After decades of oppression, the elves and other races are fighting each other and attacking the humans - and with growing numbers preparing for battle, the threat of all-out war looms ever greater. Against this backdrop of fear, Geralt and Yennefer must protect Ciri, the orphaned heir who is sought by all sides. For the child of prophecy has the power to change

the world - if she lives to use it. Translated by David French.

*Materada* - Fulvio Tomizza 2000

Francesco Koslovic—even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of Italians and Slavs. Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

**Vocabolario degli Accademici della Crusca Oltre le giunte fatteci finora ... dedicato a Sua Altezza imperiale il principe Eugenio, vice-re d'Italia** - Antonio Cesari 1806

**The Story of a New Name** - Elena Ferrante 2013-09-30

In 2012, Elena Ferrante's *My Brilliant Friend* introduced readers to the unforgettable Elena and Lila, whose lifelong friendship provides the backbone for the Neapolitan Novels. *The Story of a New Name* is the second book in this series. With these books, which the *New Yorker*'s James Wood described as "large, captivating, amiably peopled... a beautiful and delicate tale of confluence and reversal," Ferrante proves herself to be one of Italy's most accomplished storytellers. She writes vividly about a specific neighborhood of Naples from the late-1950s through to the current day and about two remarkable young women who are very much the products of that place and time. Yet in doing so she has created a world in which readers will recognize themselves and has drawn a marvelously nuanced portrait of friendship. In *The Story of a New Name*, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Love, jealousy, family, freedom, commitment, and above all friendship: these are signs under which both women live out this phase

in their stories. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and is a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, the acclaimed author of *The Days of Abandonment*, gives readers a poignant and universal story about friendship and belonging.

Refugee Tales - Ali Smith 2016-05-31

Two unaccompanied children travel across the Mediterranean in an overcrowded boat that has been designed to only make it halfway across... A 63-year-old man is woken one morning by border officers 'acting on a tip-off' and, despite having paid taxes for 28 years, is suddenly cast into the detention system with no obvious means of escape... An orphan whose entire life has been spent in slavery - first on a Ghanaian farm, then as a victim of trafficking - writes to the Home Office for help, only to be rewarded with a jail sentence and indefinite detention... These are not fictions. Nor are they testimonies from some distant, brutal past, but the frighteningly common experiences of Europe's new underclass - its refugees. While those with 'citizenship' enjoy basic human rights (like the right not to be detained without charge for more than 14 days), people seeking asylum can be suspended for years in Kafka-esque uncertainty. Here, poets and novelists retell the stories of individuals who have direct experience of Britain's policy of indefinite immigration detention. Presenting their accounts anonymously, as modern day counterparts to the pilgrims' stories in Chaucer's *Canterbury Tales*, this book offers rare, intimate glimpses into otherwise untold suffering.

*Discourse on the State of the Jews* - Simone Luzzatto 2019-07-08

In 1638, a small book of no more than 92 pages in octavo was published "appresso Gioanne Calleoni" under the title "Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice." It was dedicated to the Doge of Venice and his counsellors, who are labelled "lovers of Truth." The author of the book was a certain Simone (Simḥa) Luzzatto, a native of Venice, where he lived and died,

serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto's political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are "wellsuited for trade," much more so than others (such as "foreigners," for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto's argument is that this talent could be put at the service of the Venetian government in order to maintain - or, more accurately, recover - its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism's alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto's resort to sceptical strategies in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto's texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration

between Jews and the surrounding Christian and secular cultures.

*Titian Remade* - Maria H. Loh 2007

This insightful volumes the use of imitation and the modern cult of originality through a consideration of the disparate fates of two Venetian painters - the canonised master Titian and his artistic heir, the little-known Padovanino.

*A Passionate Apprentice* - Virginia Woolf 2018-07-19

*A Passionate Apprentice* comprises the first years of Virginia Woolf's *Journal* - from 1879 to 1909. Beginning in early January, when Woolf was almost fifteen, the pages open at a time when she was slowly recovering from a period of madness following her mother's death in May 1895. Between this January and the autumn of 1904, Woolf would suffer the deaths of her half-sister and of her father, and survive a summer of madness and suicidal depression. Behind the loss and confusion, however, and always near the surface of her writing is a constructive force at work - a powerful impulse towards health. It was an urge, through writing, to bring order and continuity out of chaos. Putting things into words and giving them deliberate expression had the effect of restoring reality to much that might otherwise have remained insubstantial. This early chronicle represents the beginning of the future Virginia Woolf's apprenticeship as a novelist. These pages show that rare instance when a writer of great importance leaves behind not only the actual documents of an apprenticeship, but also a biographical record of that momentous period as well. In Woolf's words, 'Here is a volume of fairly acute life (the first really lived year of my life).'
