The columnist for Slate magazine's popular "Everyday Economics" makes provocative suggestions for tackling difficult modern issues, from the role of sex avoidance in spreading disease and controlling population through its increase to charging juries for exonerating convicted felons and giving rescued property to firefighters. By the author of *The Armchair Economist*. Reprint. 30,000 first printing.

Sex Is Not A Four Letter Word - Sudhakar Krishnamurti 2007

True sex stories from a world-renowned andrologist When it comes to the subject of sex, most people are self-taught knowalls. Nobody ever really reads a sex education book, except if in deep sexual trouble. Besides, there's an unjust stigma attached to being seen toting a sex manual. But perhaps the most important reason why people don't read sex treatises and would much rather prefer to obtain all their information from harmful and miseducative pornographic resources is that porn is fun whereas education is boring. It is not surprising, therefore, that so many sexual

ignoramus roam the earth, blissfully ignorant of their state, This is extremely dangerous in today's time and age, with its new sexual mores, moral codes and risks. To bridge this gap, one needs a book that at once educates and entertains. A fun book is never embarrassing to carry, moreover. Sex Is Not a Four Letter Word meets all these desiderata admirably well. Written by internationally renowned andrologist and W.H.O sexual medicine expert Dr Sudhakar Krishnamurti, who is also a well known columnist and writer, this book packs a wealth of sexual medical information admixed with fun. The book is a compilation of true case histories presented in an essay format. Dr Krishnamurti uses a skilled combination of risqué humour, melancholia and hyperbole to make for unputdownable reading. Sex Is Not A Four-Letter Word is a recommended read for all ages. It is not just for the sexually challenged.

The Routledge Handbook of

Philosophy of Sex and Sexuality

- Brian D. Earp 2022-05-23

This Handbook covers the most urgent, controversial, and important topics in the philosophy of sex. It is both philosophically rigorous and yet accessible to specialists and non-specialists, covering ethics, political philosophy, metaphysics, the philosophy of science, and the philosophy of language, and featuring interactions with neighboring disciplines such as psychology, bioethics, sociology, and anthropology. The volume's 40 chapters, written by an international team of both respected senior researchers and essential emerging scholars, are divided into eight parts: I. What is Sex? Is Sex Good? II. Sexual Orientations III. Sexual Autonomy and Consent IV. Regulating Sexual Relationships V. Pathologizing Sex and Sexuality VI. Contested Desires VII. Objectification and Commercialized Sex VIII. Technology and the Future of Sex The broad scope of coverage, depth in insight and

*Downloaded from

research, and accessibility in language make *The Routledge Handbook of Philosophy of Sex and Sexuality* a comprehensive introduction for newcomers to the subject as well as an invaluable reference work for advanced students and researchers in the field.

The Sex Is Out of This World - Sherry Ginn 2012-11-08

“Science fiction” can be translated into “real unreality.” More than a genre like fantasy, which creates entirely new realms of possibility, science fiction constructs its possibilities from what is real, from what is, indeed, possible, or conceivably so. This collection, then, looks to understand and explore the “unreal reality,” to note ways in which our culture’s continually changing and evolving mores of sex and sexuality are reflected in, dissected by, and deconstructed through the genre of science fiction. This book is a collection of new essays, with the general objective of filling a gap in the literature about sex and

science fiction (although some work has gone before, none of it is recent). The essays herein explore the myriad ways in which authors—regardless of format (print, film, television, etc.)—envision very different beings expressing this most fundamental of human behaviors.

Intercourse - Andrea Dworkin 2008-08-01

Andrea Dworkin, once called “Feminism’s Malcolm X,” has been worshipped, reviled, criticized, and analyzed-but never ignored. The power of her writing, the passion of her ideals, and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists. Now the book that she’s best known for—in which she provoked the argument that ultimately split apart the feminist movement—is being reissued for the young women and men of the twenty-first century. *Intercourse* enraged as many readers as it inspired when it was first published in 1987. In it, Dworkin argues that in a male supremacist society, sex

Downloaded from
legacy.opendemocracy.net
on 2023-09-13 by guest

between men and women constitutes a central part of women's subordination to men. (This argument was quickly- and falsely-simplified to "all sex is rape" in the public arena, adding fire to Dworkin's already radical persona.) In her introduction to this twentieth-anniversary edition of *Intercourse*, Ariel Levy, the author of *Female Chauvinist Pigs*, discusses the circumstances of Dworkin's untimely death in the spring of 2005, and the enormous impact of her life and work. Dworkin's argument, she points out, is the stickiest question of feminism: Can a woman fight the power when he shares her bed?

and families of all makeups, orientations, and gender identities, *Sex Is a Funny Word* is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," *Sex Is a Funny Word* opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to *Lambda-nominated What Makes a Baby*, from sex educator Cory Silverberg and artist Fiona Smyth, *Sex Is a Funny Word* reimagines "sex talk" for the twenty-first century.

Sex Is God's Idea - Earl Paulk
1985

The Origins of Sex - Faramerz Dabhoiwala 2012-02-02
Nowadays we believe that consenting adults have the freedom to do what they like with their own bodies. We

publicise and celebrate sex; we discuss it endlessly; we are obsessed with the sex lives of celebrities. We think it wrong that in other cultures people suffer for their sexual orientation, that women are treated as second-class citizens, or that adulterers are put to death. Yet until quite recently our own society was like this too. For most of western history, all sex outside marriage was illegal, and the church, the state, and ordinary people all devoted huge efforts to suppressing and punishing it. This was a central feature of Christian civilization, one that had steadily grown in importance since the early middle ages. In this brilliant, ground-breaking book, Faramerz Dabhoiwala describes in dramatic detail how, between 1600 and 1800, this entire world view was shattered by revolutionary new ideas - that sex is a private matter; that morality cannot be imposed by force; that men are more lustful than women. Henceforth, the private lives of both sexes were to be endlessly

broadcast and debated, in a rapidly expanding universe of public media: newspapers, pamphlets, journals, novels, poems, and prints. The *Origins of Sex* shows that the creation of this modern culture of sex was a central part of the Enlightenment, intertwined with the era's major social, political and intellectual trends. It helped create a new model of Western civilization, whose principles of privacy, equality, and freedom of the individual remain distinctive to this day.

Sex Is All - Derek O'Toole

2014-03-28

The vivid and graphic diary of a modern-day Frank Harris

The Anthropology of Sex -

Hastings Donnan 2010-08-01

Sex scholarship has a long history in anthropology, from the studies of voyeuristic Victorian gentlemen

ethnographers, to more recent analyses of gay sex,

transsexualism, and the newly visible forms of contemporary sexuality in the West. The

Anthropology of Sex draws on the comparative field research

of anthropologists to examine the relationship between sex as identity, practice and experience. Sexual cultures vary enormously and, while often the topic of tabloid titillation, they are more rarely subjected to strict cultural analysis. *The Anthropology of Sex* is the first work to critically synthesise over a century of comparative expertise, knowledge and understanding of diverse sexual forms. - Explores sexuality from diversity to perversity and asks how diverse sexual practices are linked. - Probes the cultural and comparative context of contemporary sexual practice and belief. - Examines the shaping of sex by global and globalizing forces. *The Anthropology of Sex* will be key reading for undergraduate and postgraduate courses in anthropology and related disciplines.

its many meanings in our culture by one of the most original and highly regarded sexologists working in the field today.

Sex Isn't Everything; Sex Is the Only Thang! - Freddy Cee 2010-05

Archie Harris works as a paralegal for a sprawling law firm in Washington, D.C., and is ready to embark on a weeklong vacation that includes watching movies, attending outdoor concerts, and catching up on some R&R (Rest and Relaxation). Little does he know that fate has other plans for him. Archie kicks off his vacation at HIPSTERS, a premier hot spot in D.C., where he meets the sophisticated Vivian Williams who is visiting the city on business. At first glance, it appears that Vivian is all work and no play, but when she asks Archie to show her the sites, Archie, sensing a possible sexual encounter, readily accepts. But Archie has one major concern. He is rusty when it comes to entertaining women, let alone pursuing sex.

Enter Tre, an old friend who comes to Archie's rescue. Archie and Tre meet up once again after six years for an upcoming birthday bash for a mutual friend. Unbeknownst to them the celebrated birthday boy happens to be Vivian's favorite uncle. In this hilarious account of Archie's lustful journey, only time will tell if Archie scores with Vivian and whether true love will be discovered in the process.

Understanding the Modern

Man - Kevin Rush 2018-10-11

WHAT DO MEN WANT: Good sex, and lots of it HOW TO GIVE IT TO THEM: Read this book and find out! There is this adage that goes Sex is like pizza; even when it's bad, it's still good. But you know what? Good sex is always better than bad sex, so there is absolutely no reason why you shouldn't be gunning for mind-blowing sex. Sex, more precisely, the conscious enjoyment of sex, is as old as man himself. Empires have been won or lost because a guy (or two) couldn't get his rocks off or didn't get any. A U.S. President used cigars for

Downloaded from

legacy.opendemocracy.net

on 2023-09-13 by guest

something else aside from smoking in the White House Oval Office and was impeached. Another U.S. president is in danger of getting impeached because he supposedly paid off women to keep quiet about you guessed it, sex. Prostitution, or paying for sex, is said to be the worlds oldest profession. And people all over the world get it on in the office, the bathroom, the kitchen, the car, or the floor. But more than anything else, sex is about relationships. But heres the thing: good sex for many men isnt just about finding a warm receptacle, although it is a requirement. This is because for good sex to happen, there has to be stimulation. Sometimes, good sex happens with good chemistry, and sometimes it happens in the context of good relationships. For many men, if the relationships arent working, then sex isnt as much fun as it should have been. But that doesnt mean that sex shouldnt be fun when it's available, whatever the status of the relationship is. This book

will help ensure you can satisfy your man or any man -- every single time to make his (sex) life worthwhile! Who is this book for? It is for every female who wants to gain more knowledge about the sexual thoughts, desires, inclinations, and sexual potential of men. It is also meant for those who are currently having sex with a partner, are thinking of having sex with a partner, and even those who are just wondering what to expect if an when the time comes that they will even consider having sex with a man. I trust that the instructions and descriptions in this book will women understand the needs and wants of men and even help a couple overcome problems of performance, and even boredom. The sex voyage is about to begin, so Bon Voyage!

Sex is in Session - Damitra Barnes 2012-03-09

Going through, a tough time, as many women today experience, along with finding their identity, but, who in the hell, ever said, this game would be easy? Well, they lied, as

*Downloaded from

Hollie Jamerson battles her inner demons, and gets sucked into the fast life of quick cash, and struggles to be a normal girl, while juggling a whole other secret life, that her family/friends, would never approve of, when the dust has settled, will she have climbed out of the pits of hell that never was locked for eternity, or will she burn forever leaving only herself to blame?

Sex is the Easy Part - James Cantelon 2022-01-28

This book is a kind of coaching manual on how to love a woman for life. Cantelon, a veteran pastor, broadcaster, and author draws from years of interaction and counselling with scores of couples, both married and about to be married, divorced or divorcing, and recently bereaved. He reflects on some of the most common components of relational stress that contribute to the fracturing of families and marriage. The book is not a trouble shooting exercise, however, but a positive coaching manual focused on the husband's role and

responsibilities in caring for and loving his wife for a happy and successful marriage. He is aware that even though his target audience is men many of those who purchase and read the book will be women. Thus much of his work has a general appeal to both husbands and wives. His motivation is to help stem the tide of divorce which has reached an almost 50% level in western culture. He believes that everyone, regardless of religion or ideology, is looking for a loving relationship that lasts. In that spirit "e;Sex is the Easy Part"e; looks to provide hope for those seeking sustainable love.

Purity's Big Payoff / Premarital Sex Is a Big Rip-Off - Donna Lee Schillinger 2011-05-01

Winner! 2012 Christian Small Publisher's Book of the Year in young adult (12-18) category. Add this book to your arsenal in the battle to remain pure! The most difficult task in the life of a Christian single today is maintaining purity until marriage. The payoff is perfect love and sex, just as our

*Downloaded from
legacy.opendemocracy.net
on 2023-09-13 by guest*

Creator intended. But if that's so awesome, why aren't more people choosing it? And how can premarital sex be so bad if so many people are doing it and loving it? People who were virgins when they married aren't usually the type to kiss and tell. And when premarital sex goes wrong, no one wants to Tweet it. This awkward silence from both contingents isn't helping the next generation to decide well on the issue of premarital sex. Purity's Big Payoff/Premarital Sex is a Big Rip-off is a collection of 17 first-person narratives about successfully waiting for marriage to have sex - or not. Contributors on both sides of the issue candidly share in face-reddening detail what they learned on their way

to the wedding bed. Young people aiming to remain pure will be encouraged and learn practical strategies for resisting sexual temptation. Those who wish they had waited will learn that it's never too late to restore purity with God's grace. (This book is two-faced. One side is dedicated to purity, then turned over and flipped upside down, the other side is dedicated to premarital sex. Thus the last page of the purity book is immediately followed by the last page of the premarital sex book, but upside down, and vice versa. Got it?) *Sex-love, and Its Place in a Free Society* - Edward Carpenter 1894
