

Sex Is Not A Sin

[Sin, Sex, and Democracy](#) - Cynthia Burack
2008-04-17

Explores the Christian Right's use of tailored rhetorics to advance multiple and varied antigay political projects.

[Undefined](#) - Harry Schaumburg 2009-09-01
Amid the chaos of cybersex, impersonal sex, adultery, homosexuality, and sexual dissatisfaction in marriage, *Undefined* calls readers toward a new kind of spiritual and sexual revolution. Sexual impurity creates a vicious circle, one that springs from misconceptions about Christ and further taints our understanding of Him. Yet another circle is available to men and women trapped in sexual sin, a circle of sexual redemption. When practiced as God intends, spirituality and sexuality both draw us closer to Christ. Spiritual maturity and sexual maturity go hand-in-hand, and together they hold out the promise of redemption and restoration needed by everyone who has been damaged by sexual sin. There is hope. Real change is possible; true intimacy is available. To the person who has failed time and time again sexually, God's message is simple: You, too, can be undefiled.

[Sex and the IWorld](#) - Dale S. Kuehne 2009-07
A political scientist and pastor offers a positive, holistic vision that helps readers engage the cultural debate on sex and marriage in personal ethics and public policy.

[Unprotected Texts](#) - Jennifer Wright Knust
2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."
—Bart Ehrman, author of *Misquoting Jesus*
Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive

moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Sex Is NOT a Sin - 2016-06-10

SOMEBODY'S Not Telling You the Truth! Whether you are a Christian or not... religious or not, you're going to be intrigued by this discovery. Does God really consider premarital sex a sin? How about prostitution? Most... No, all "Christians" believe that sex before marriage is a sin and that all prostitution is an abomination in the sight of God. But is that what God really says in scripture? Truth is... the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words, perhaps intentionally, changing the meaning of specific pieces of scripture within the historical context it was written. What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic. It's as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes... But why? The outcome is condemnation and guilt for anyone who engages in premarital sex... or even thinks about it. But none of that is Biblically correct! This book

proves it. Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed relationship with his fiancée, in which some Christian associates openly passed judgement that his relationship wasn't blessed due to premarital sex. Having discovered the truth long ago but never really studying it, he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality: Scripture he knew was out of context with the wrong translations. Unfortunately, he lost that battle because he couldn't "show himself approved." This led to a 4-month long journey into rediscovering the truth and exposing the lies perpetrated on him and the rest of the world. Based on facts that have been hidden from the public for centuries, he reveals what God's real intentions are regarding sex, sex before marriage and prostitution. What you will discover flies in the face of main street religious doctrine that premarital sex is a sin, all prostitution is a sin and that anyone "lusting" after another to desire that person is adultery. Whether you are a Christian or not, you will feel liberated from this distorted and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why. This book is for anyone who is justly interested in the truth on this taboo. It will empower you and inspire you. This book is not a condemnation of Christianity and instead shows that it is "religion," not Christianity that is the issue. This book doesn't promote prostitution nor encourage sex before marriage, especially for young adults. It's an exploration of the truth that has been hidden for too long.

WHAT IF SEX IS NOT SINFUL? - a Believers Quest for Untold Biblical Truths - James Macleod 2020-08-06

The truth about sexual freedom as intended by God has not changed. This is in spite of misguided understanding and teachings handed down to us through generations of incorrect

theological doctrines by many Churches. The aim of this book is to challenge devoted Christians to carefully check their long held traditional understanding of the sinfulness of the gift of sexual freedom that God gave to all humans. We can at the least agree that the Kingdom of darkness will never stand aside and allow Christians to enjoy the blessings of sex in its fullness. The bible states in John 10:10 that "the thief comes only to steal and kill and destroy. I came that you may have life and have it more abundantly". God wants us to enjoy our lives to the full. He gave us sexual freedom within the bounds of His word. The problems we face is the unfounded understanding of this freedom and the misinterpretations of scriptures that comes though unwittingly, from Churches pulpits. Have you ever thought of asking a hard question like, "is sex really sinful"? Have you ever verified your understanding about sex in the light of scriptures? Did you at any time check to see if what you have been thought from the get go is the "truth", the whole truth and nothing but the truth? Come with me in this quest as we dig into the bible to find out for ourselves. This quest can only be successful if you lay aside for a moment, your long held theological understanding and church doctrines, and think deeply with unbiased mind on what the scripture TRULY teaches about sex, both before, within and outside of marriage. I started this liberating journey by asking probing questions about the truth behind our modern theological stance on "the sinfulness of all sex outside the bounds of marriage". Who actually made sex sin? Is it God? (through His word), or is it Christian theologians and Churches? (through their traditions and dogmas), or is it the society and the Kingdom of Darkness? (through centuries of perversions). The scripture says in John 8:8 that "You shall know the truth and the truth will set you free". It is not just the truth, but the truth you "know" that will set you free. Come let's dig deep and explore this God given freedom with open minds.

From Shame to Sin - Kyle Harper 2013-06-01

The transformation of the Roman world from polytheistic to Christian is one of the most sweeping ideological changes of premodern history. At the center was sex. Kyle Harper examines how Christianity changed the ethics of sexual behavior from shame to sin, and shows how the roots of modern sexuality are grounded in an ancient religious revolution.

Sex Is Not the Problem (Lust Is) - A Study Guide for Women - Joshua Harris 2010-05-19

Celebrate Purity Overcoming lust is a process that requires diligent focus and accountability from others, and these in-depth guides help establish both. They're designed for a variety of settings, from one-on-one accountability partnerships to Sunday school classes. Sex Is Not the Problem (Lust Is) made the statement that lust is a human problem (not just a guy problem) and that Jesus can free anyone from its power. Going further, these gender-specific study guides feature questions and discussion starters that directly address the temptations unique to men and women. These resources are a must-have for anyone challenged to defeat lust and celebrate purity in their lives. For use in a personal or group setting, this in-depth guide is a tool to help you apply the book's principles as you go further on your journey to holiness. "Sex Is Not the Problem (Lust Is) offers help and hope—not just for those who are dealing with sexual lust, but for anyone besieged by temptation of any kind." —Nancy Leigh DeMoss Author, host of the Revive Our Hearts radio program Includes a Modesty Heart-Check for Girls Each of the ten small-group sessions includes:

- Meditate and Memorize: Key Scriptures that will help women gain victory over lust.
- Custom-Tailored Action Plan: Women will be led in a

Story Behind the Book "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem—it's a human problem." —Joshua Harris

Sex in a Broken World - Paul David Tripp 2018-01-16

We live in a deeply broken world . . . but there is hope. Sexuality is a fundamental part of what it means to be human—part of God's beautiful design when he created all things. And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one way or another, affects us all. This sexual brokenness reveals our deep need for redemption—something quick fixes, mere behavior modification, or a set of rules can't provide. Honest and direct yet kind and caring, this book points us to the only place we can find help for sexual brokenness—the transforming grace of Jesus Christ. Only this grace offers hope for a life of freedom, purity, and joy as God intended.

Sex in the Bible - Evan P. Turner 2015-10-12
What is the Christian view of sex? What about God's view? Are you surprised to know that the two might not line up? Stepping away from religious tradition, Sex in the Bible compares scripture to scripture to find out exactly what God has to say about human sexuality-and what it reveals may shock you. Providing a technical and thorough explanation of his findings, author Evan P. Turner begins his in-depth study by clearly defining what sin is, according to the Bible, so as to make evident what is not sin. Is masturbation wrong? What does God think of divorce? Is it okay for single people to have sex? Navigating these controversial questions, along with many more, the author points out key words and explains the significance of certain Hebrew and Greek terms to further elucidate what the Bible actually says about any given topic. Though there are certainly forbidden acts, you will begin to see that God actually offers a surprising amount of freedom when it comes to sex. Discover the life-giving truth about sex in this revolutionary study of the Bible.

It's Not Just You - Ashley Chesnut 2021-08-03
There's no way other women are struggling sexually like I am. Who could I even talk to about this? Isn't this a guy's issue? For too long, Christian women have assumed they're outliers in their sexual struggles. This assumption (along with shame) often keeps them silent, leaving them to face the battle all by themselves. But if any of this sounds familiar, you're not the only one. Whether your struggles take the form of masturbation, pornography, same sex attraction, or sexual fantasies, it's not just you. These temptations are common not only for men in the church, but many women, too. So how do we fight against sexual sin as women? What do we do when there's a disconnect between what the Bible says and how we live and feel? Or, if we lead a woman struggling in this way, how do we aid her in the battle? Written from the trenches of ministering to young women, young adult minister Ashley Chesnut explores why sexual sin is "sin" in the first place, what sex really is, and how Scripture speaks into topics like masturbation, oral sex, and sex robots—even when those words aren't found in the Bible. God has already won the war against sin, and as you examine His Word along with Ashley, you'll be equipped to battle against sexual sin and to aid other sisters in the fight. No, it's not just you. And yes, you can take steps toward victory. Right now.

freedom and joy of holiness. This "PG-rated" book - straightforward without being graphic - speaks to those entrenched in lust or just flirting with temptation. Honestly sharing his own struggles, Harris exposes lust's tactics and helps readers create a personal plan for fighting back. Men and women will find hope in God's grace and learn the secrets to lasting change. Neither sex nor sexuality is our enemy. We need to rescue our sexuality from lust so we can experience it as God intended. Bestselling author Joshua Harris shows you how lust deceives you. Specific and honest without being graphic, this book-for both men and women-will guide you in creating a custom plan for fighting lust and celebrating purity. Praise for Sex Is Not the Problem (Lust Is) "For your joy and Christ's honor, I commend this book to you. It is realistic, practical, and hope-giving." -John Piper, pastor of Bethlehem Baptist Church, Minneapolis "A beautiful blend of grace and truth. Joshua Harris raises high standards of holiness while carefully avoiding legalism. I highly recommend it." -Randy Alcorn, bestselling author of The Treasure Principle and The Purity Principle "I am very encouraged that my longtime friend Josh Harris has written a book about lust. May God use this book to keep many from allowing their minds to become 'the devil's playground.'" -Rebecca St. James, singer/songwriter Story Behind the Book "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. Deliverance from Sexual Sin 2 - Kacey Alston
2016-08-11

Deliverance From Sexual Sin 2 goes further than part 1 in that it addresses all sexual sins and not just fornication. We all know God loves us and

forgives us for our sins, but how hard are we trying to avoid engaging in these sins? This book encourages us to admit we are committing a sin when we fornicate, commit adultery, or engage in same sex relationships, and then ask God to deliver us from doing that which breaks his heart. This book is not about judgement or condemnation, but it is a book to encourage us to live a life of sexual purity. As singles, let's wait until we get married to have sex. As married people let's only engage in sexual intercourse with our spouses. As people attracted to the same sex, let's seek deliverance, and if not deliverance remain sexually pure. In this book you will hear testimonies of people who struggle with or have overcome their sexual sins. The world tells us to engage in sexual acts whenever we feel like it, however as Christians we know this is not what God's word says. In this book I encourage an intimate relationship with God first and then ways in which we can reduce and eliminate sexual sins from our lives. This is the ministry God has given me and I am a living witness that God can deliver anyone from sexual sins. I have been abstinent for over 10 years now, and it is my mission to share my story so others can be encouraged to take the steps to live a sexually pure life! It is my prayer that you take this journey with me! Be blessed!

Sin, Sickness and Sanity - Vern L. Bullough
2019-01-16

Originally published in 1977. For centuries myth, misinformation and taboo have distorted our vision of our sexual nature. This book examines such cultural phenomena: from Greek dualistic thought to Buddhist philosophy; from the attempt of early Christian sects to promote total chastity to homosexual practices among the Arabs. It explains Victorian theories about masturbation and madness, sexist dogmas limiting feminine potential, social attitudes towards abortion over time; and much more. Extensively researched, this fascinating classic work is a comprehensive summary of our knowledge of past sexual attitudes as well as an appraisal of the causes and direction of sexual revolution.
