When He's Married to Mom - Kenneth M. Adams 2007-03-26

When a Woman Is in an Emotional Tug-of-War for Her Man's Heart Why can't he commit? Many women find themselves asking this question when in love with a man who won't get married, won't stop womanizing, or refuses to give up his sex addictions. Often this kind of man is bound by an unhealthy attachment to his mother. This phenomenon is called "mother-son enmeshment." In *When He's Married to Mom*, clinical psychologist and renowned intimacy expert Dr. Kenneth M. Adams goes beyond the stereotypes of momma's boys and meddling mothers to explain how mother-son enmeshment affects everyone: the mother, the son, and the woman who loves him. In his twenty-five years of practice, Dr. Adams has successfully treated hundreds of enmeshed men and shares their stories in this informative guide. He provides proven methods to make things better, including: -- Guidelines to help women create fulfilling relationships with mother-enmeshed men -- Tools to help mother-enmeshed men have healthy and successful dating experiences leading to serious relationships and marriage -- Strategies to help parents avoid enmeshing their children *When He's Married to Mom* provides practical and compassionate advice to the women who are involved with mother-enmeshed men, to the mothers who wish to set them free, and to the men themselves.

Tinsa - Lpc Csats Barta Ph D, Michael 2017-12-14

Sexual addiction treatment has long focused on managing the symptoms of addiction with abstinence--a difficult challenge in a world where limitless pornographic gratification is never more than a mouse click away. A new recovery method is needed: one capable of identifying and treating the core cause of addictive behavior. TINSA(R) is such a program. Created by a preeminent Colorado master clinician, TINSA(R), or Trauma Induced Sexual Addiction, explores the effects of adverse developmental experiences on a young brain and nervous system and illustrates how the damage caused by those experiences encourages addictive behavior. Realizing how many sex addicts suffer from abandonment, neglect, and other childhood trauma led TINSAs creator Michael Barta, PhD, LPC, CSAT, to examine how emotional wounding leads to the need to self-regulate the release of the pleasure hormone dopamine through sexual stimuli. As increasing levels of dopamine are required over time to reach the same "high," by adulthood, self-regulation can produce compulsive, damaging sexual behavior. Through TINSAs, Barta offers the means to treat sex addiction at the source, reducing compulsive sexual behavior over time and providing effective, long-term recovery. TINSAs has helped thousands already. It can help you too.

Understanding Your Inner Child and Overcoming Addiction - Eddie Capparucci 2023-09-12

This book provides a comprehensive overview of the Inner Child Model™ for treating Addictive Behaviors, a trauma-based approach to the treatment of various addictions including alcohol, drugs, food, gambling, sex, spending, smoking, etc. Research indicates the onset of addiction originates in childhood trauma, inability to process emotional discomfort, and attachment disorders. This book addresses each of these issues to assist individuals in overcoming the drivers of addictive behaviors. But more importantly, provides solutions to help those who struggle to learn to manage their addiction. It contains numerous case studies in which readers will see themselves and their stories throughout the pages and assists readers in generating a comprehensive recovery roadmap that will provide real-world solutions to staying one step ahead of their addiction. While there have been books written about the Inner Child, few focus on how the Inner Child impacts addiction. This unique

and interactive therapeutic approach empowers individuals by assisting them in understanding "why" they engage in addictive behaviors. This book is written for anyone struggling with behavioral/substance addiction, their loved ones, and clinicians working in the field of addiction treatment.

Delivered to the Light - Kenneth D. Hubler 2021-09-13

In this day and age, many people throughout the world suffer with many types of addictions, some more damaging to the body and spirit than others. Nevertheless, they are all damaging to the soul. Don't let anyone ever tell you otherwise. Sadly, far too many of these tortured individuals don't even know they have them or, if they do know, want to overcome them. To be certain, a person who has an addiction will always have it. This is a well-known established medical fact. However, through various positive and inspired means, that addiction can be managed so that person will be able to live a happy and so-called "normal" life, staying "clean and sober" till the day he or she dies. In *Delivered to the Light: My Sex, Porn, and Drug Addictions, and How I Overcame Them*, the author details and describes how over approximately a ten-year period of his middle-aged life these addictions and some others, with which the author suffered, brought him immense pain, suffering, and sorrow, even to the gates of hell and the edge of a tragic death. However, miraculously, through the grace of a loving and merciful God, and with the help of wonderful and extremely skilled doctors and counselors, and finally through the long-suffering of loved ones and friends, he was saved and delivered to the light of God's mercy! The author strongly maintains that this book, in its entirety, is true. There is nothing in it that is fiction except for any person's name mentioned in it. It is the prayer of the author that all who are suffering with any type of addiction may find hope that they may be delivered in time from these afflictions. It is possible. It truly is!

Sex in Recovery - Jennifer Matesa 2016-09-01

Healthy sexuality within the context of recovery is rarely talked about openly, in part because the larger culture restricts the space required to name our experiences in open, honest ways. Matesa gives us that space by bringing the language of recovery to this more hidden part of our

healing, allowing us to truly "practice these principles in all our affairs." Sexuality in the context of recovery is rarely talked about openly, in part because our broader culture may inhibit us from sharing our true experiences. For some, the prospect of sober sex feels like uncharted waters—in the past, we've rarely had sex without first numbing ourselves with drugs and alcohol. What does it mean to have an intimate relationship in sobriety? Exploring that question deepens our recovery journey. With this groundbreaking work, Jennifer Matesa uncovers the challenges real people encounter when they start taking their clothes off—without drinking or using in order to do so. Providing readers "a meeting between the covers," Matesa blends first-person accounts bravely shared by diverse members of the recovery community, insights from experts, and her own perspectives. The result is a book that creates a space for a vital, new dialogue about sexuality and intimacy. As we find a common language for this more hidden aspect of our healing, we can truly "practice these principles in all our affairs."

Women who live with love addiction are a unique breed having learned to cope in a sex-driven world by finding their worth in sexuality and being wanted. The human need for lasting, meaningful relationships is constantly sabotaged by these women's own behaviors on top of events outside their control. In *Addicted to Love*, Lacy A. Bentley—a woman who has been there—introduces her own recovery journey with courageous honesty to guide other women on their paths to recovery. Each chapter focuses on a different trait of emotional health and teaches women to integrate that trait in a workbook-style format. Lacy shows them how to secure their romantic heart, love like they were meant to, and break free from compulsive patterns, while presenting new ways of seeing day-to-day patterns. Every word guides brave women into the relationships they truly want and deserve—without excuses, compulsions, or addiction in the recovery roadmap of the future.

The PORNOGRAPHY PARADOX--Global Christian Edition - Mark Kastleman 2018-09

He Restoreth My Soul - Donald L. Hilton (Jr.) 2010-05-01

Technology has accelerated our fascination with pleasure. Indeed, the power of pleasure has been underestimated, and Internet pornography is changing the world in a fundamental way. In this book, author Donald L. Hilton Jr., MD explores the destructive power of pornography addiction, not just from a moral and spiritual perspective, but with the scrutiny of modern science. Current research tells us that there is little difference in physical or chemical changes in the pleasure and control centers of the brain regardless of whether the addiction is "from a chemical or an experience," as stated in the journal *Science*. (Constance Holden, "Behavioral Addictions: Do They Exist? *Science*, 294 (5544) 2 November 2001, 980.) Relying on the latest research on addiction, and merging this knowledge with spiritual aspects of repentance and recovery, the author provides understanding and hope to those who seek healing and restoration of both body and spirit, which are the "soul of man."
