LGBTQI+ Allies in Education, Advocacy, Activism, and Participatory Collaborative Research -

Wendy M. Cumming-Potvin 2022-07-07

This topical book explores the ally perspective in advocating for Lesbian, Gay, Bi-sexual, Transgender, Queer and Inter-sex (LGBTQI+) human rights across American, Canadian, and Australian educational contexts. This book aims to clarify the terms and dynamics of mobilizing heterosexual and cisgender privilege in the interests of promoting safe, welcoming and inclusive educational communities for all stakeholders, particularly those students who self-identify as LGBTQI+. By highlighting concrete examples of allies engaged in participatory collaborative research, and by investigating the historical and theoretical dimensions of ally work more generally, this volume presents a comprehensive research account of allies' role in education, advocacy and activism. This book will benefit researchers, academics, and educators in higher education with an interest in gender and sexuality, the sociology of education and schools and schooling more broadly. Those specifically interested in gender studies, as well as the politics of higher education, will also benefit from this book.

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

Sex Education: a Guide to Life - Jordan Paramor 2022-01-25

The official, must-have modern fully fleshed out guide to relationships, sex, and much more from the original Netflix series, Sex Education. Questioning your body? Not sure about how you feel? Worried if that thing is normal? Unlikely educator Otis Milburn and his friends offer frank, feminist, and positive guidance in this life-changing book. Cover everything from knowing your anatomy, feeling confident about how you look, and understanding how you feel, along with the topics of consent, sexuality, and the minefield that is modern love--this guide answers all the questions you are too scared to ask, in a language you will understand. With insight from your favorite Sex Education characters, quotes to live your life by, therapy notes, diagrams, tips, takeaways, and a whole lot of fun, this fully illustrated book is both a companion to the popular Netflix original series and a practical guide to navigating the real world.

Cooked - Michael Pollan 2013-04-23

THE INSPIRATION FOR THE NEW NETFLIX SERIES 'It's not often that a life-changing book falls into one's lap ... Yet Michael Pollan's *Cooked* is one of them.' SundayTelegraph 'This is a love song to old, slow kitchen skills at their delicious best' Kathryn Huges, GUARDIAN BOOKS OF THE YEAR The New York Times Top Five Bestseller - Michael Pollan's uniquely enjoyable quest to understand the transformative magic of cooking Michael Pollan's *Cooked* takes us back to basics and first principles: cooking with fire, with water, with air and with earth. Meeting cooks from all over the world, who share their wisdom and stories, Pollan shows how cooking is at the heart of our culture and that when it gets down to it, it also fundamentally shapes our lives. Filled with fascinating facts and curious, mouthwatering tales from cast of eccentrics,

Cooked explores the deepest mysteries of how and why we cook.

The Sex Ed You Never Had - Chantelle Otten 2021-09-28

From award-winning psychosexologist Chantelle Otten comes the well-overdue, inclusive and meticulous guide to all things sex, bodies and relationships. For too long, talking about our anatomies and our experiences has been taboo. Normal functions have been deemed embarrassing and even shameful, impacting people's mental and physical health. In this amazing and comprehensive guide filled with accurate facts and helpful illustrations, Chantelle refuses to leave these conversations languishing on the fringes any longer. From breaking myths about reproductive health to exploring ideas of consent, *The Sex Ed You Never Had* will teach everyone something new about their body, and the fun and pleasurable ways to use it.

How to Fail: Everything I've Ever Learned From Things Going Wrong - Elizabeth Day 2019-04-04

Inspired by her hugely popular podcast, *How To Fail* is Elizabeth Day's brilliantly funny, painfully honest and insightful celebration of things going wrong.

All I Ever Wanted - Kathy Valentine 2020-04-09

At twenty-one, Kathy Valentine was at the Whisky in Los Angeles when she met a guitarist from a fledgling band called the Go-Go's—and the band needed a bassist. The Go-Go's became the first multi-platinum-selling, all-female band to play instruments themselves, write their own songs, and have a number one album. Their debut, *Beauty and the Beat*, spent six weeks at the top of the Billboard 200 and featured the hit songs “We Got the Beat” and “Our Lips Are Sealed.” The record's success brought the pressures of a relentless workload and schedule culminating in a wild, hazy, substance-fueled tour that took the band from the club circuit to arenas, where fans, promoters, and crew were more than ready to keep the party going. For Valentine, the band's success was the fulfillment of a lifelong dream—but it's only part of her story. *All I Ever Wanted* traces the path that took her from her childhood in Texas—where she all but raised herself—to the height of rock 'n' roll stardom, devastation after the collapse of the band that had come to define her, and the quest to regain her sense of self after its end. Valentine also speaks candidly about the lasting effects of parental betrayal, abortion, rape, and her struggles with drugs and alcohol—and the music that saved her every step of the way. Populated with vivid portraits of Valentine's interactions during the 1980s with musicians and actors from the Police and Rod Stewart to John Belushi and Rob Lowe, *All I Ever Wanted* is a deeply personal reflection on a life spent in music.

A Lady's Guide to Selling Out - Sally Franson 2018-04-10

With “elements of *The Bold Type*, *Mad Men*, and *The Devil Wears Prada*” (*Entertainment Weekly*), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she's a sellout, but Casey tells herself that she's just paying the bills—and she can't help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she's shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life's work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year's biggest book festival rolls around in Las Vegas, it will take every ounce of Casey's moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, *A Lady's Guide to Selling Out* is the story of a young woman untangling the contradictions of our era and trying to escape the

rat race—by any means necessary. Praise for *A Lady's Guide to Selling Out* "Bitingly funny . . . [Sally] Franson's snappy debut nimbly skewers the high-flying world of advertising and romance in the age of social media. . . . Franson's irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel."—Publishers Weekly "A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam."—Kirkus Reviews "A wry, observant take on career success and ambition."—New York Post "A book lover is torn between a cushy gig and . . . well, her soul, basically."—Cosmopolitan

I'm Special - Ryan O'Connell 2015-06-02

NOW a NETFLIX series entitled *Special* from Executive Producer JIM PARSONS starring RYAN O'CONNELL as himself. From the beloved blogger turned voice of an online generation, an unforgettable and hilarious memoir-meets-manifesto exploring what it means to be a millennial gay man living with cerebral palsy, which VICE calls "a younger, gay version of Mary Karr's *Lit.*" People are obsessed with Ryan O'Connell's blogs. With tens of thousands reading his pieces on Thought Catalog and Vice, watching his videos on YouTube, and hanging on to each and every #dark tweet, Ryan has established himself as a unique young voice who's not afraid to dole out some real talk. He's that candid, snarky friend you consult when you fear you're spending too much time falling down virtual k-holes stalking your ex on Facebook or when you've made the all-too-common mistake of befriending a psycho while wasted at last night's party and need to find a way to get rid of them the next morning. But Ryan didn't always have the answers to these modern-day dilemmas. Growing up gay and disabled with cerebral palsy, he constantly felt like he was one step behind everybody else. Then the rude curveball known as your twenties happened and things got even more confusing. Ryan spent years as a Millennial cliché: he had dead-end internships; dabbled in unemployment; worked in his pajamas as a blogger; communicated mostly via text; looked for love online; spent hundreds on "necessary" items, like candles, while claiming to have no money; and even descended into aimless pill-popping. But through extensive trial and error, Ryan eventually figured out how to take his life from bleak to chic and began limping towards adulthood. Sharp and entertaining, *I'm Special* will educate twentysomethings (or other adolescents-at-heart) on what NOT to do if they ever want to become happy fully functioning grown-ups with a 401k and a dog.

Sex Education: A Guide To Life - The Official Netflix Show Companion - Sex Education 2021-10-14

The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Binged all of Sex Education Season 3 and missing Moordale already? Well, unlikely educator Otis Milburn and his beloved friends are back in this frank, funny and 100% official guide to life. With insight from your favourite characters, tips, takeaways and some enlightening diagrams, the guide covers everything you need to know - from understanding your anatomy, feeling confident about how you look and rejecting shame, to consent, sexuality and the minefield that is modern love. Both a perfect companion to the show and practical guide to navigating the real world, this guide answers all the questions we are too scared to ask, in the show's uniquely hilarious, fun and yet sensitive language that we have come to know and love. So dive in, and start talking, shouting and maybe even screaming about s-e-x! This book has been checked by experts including doctors, sex therapists and more. Recommended age 14+

Kissing Lessons - Sophie Jordan 2020

A steamy YA romance about a girl with a bad reputation giving lessons on how to attract guys for some extra cash--only to fall for her client's golden boy brother.

The Lesbian Kama Sutra - Kat Harding 2015-08-04

Using clear, empowering text to celebrate the love between women, *The Lesbian Kama Sutra* encourages love and sex, pleasure and sensuality, uninhibited erotic indulgence, and play. Visually stunning, it features beautiful historical artworks, erotic illustrations, and sophisticated instructional drawings that offer an illustrated journey through the different sexual positions.

From Networks to Netflix - Derek Johnson 2022-07-26

Now in a second edition, this textbook surveys the channels, platforms, and programming through which television distribution operates, with a diverse selection of contributors providing thorough explorations of

global media industries in flux. Even as legacy media industries experience significant disruption in the face of streaming and online delivery, the power of the television channel persists. Far from disappearing, television channels have multiplied and adapted to meet the needs of old and new industry players alike. Television viewers now navigate complex choices among broadcast, cable, and streaming services across a host of different devices. From Networks to Netflix guides students, instructors, and scholars through that complex and transformed channel landscape to reveal how these industry changes unfold and why they matter. This second edition features new players like Disney+, HBO Max, Crunchyroll, Hotstar, and more, increasing attention to TV services across the world. An ideal resource for students and scholars of media criticism, media theory, and media industries, this book continues to offer a concrete, tangible way to grasp the foundations of television—and television studies—even as they continue to be rewritten.

The Whole Pantry - Belle Gibson 2015-04-23

Belle Gibson's first cookbook, *The Whole Pantry*, refreshes our food habits with recipes that are as easy-to-do as they are healthy and delicious. *The Whole Pantry* is packed with over 80 scrumptious new recipes to heal the body. Belle's recipes rediscover natural ingredients, which are free from gluten, refined sugar and dairy, that are restorative and easily incorporated into your everyday cooking. Healthy versions of favourites such as Enchiladas, Cornish Pasties, Pad Thai and Vanilla and Almond Chocolate Chip Cookies prove that a plant-based diet can be delicious and inspiring without straining your shopping list. *The Whole Pantry* is a beautiful, easy-to-follow guide to enjoying food and reshaping your lifestyle through Belle Gibson's delicious recipes. Belle Gibson is an inspirational young mother who encourages us to nourish ourselves in a more natural and sustainable way. After being diagnosed with terminal brain cancer Belle found herself unsupported by conventional medicine. She began a journey of self-education to treat herself through nutrition. Her award-winning app, *The Whole Pantry*, is a phenomenal resource of recipes, wellness guides and personal support, and has inspired hundreds of thousands of people to change their diet and lifestyle.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Sex, Ethics, and Young People - M. Carmody 2015-05-06

Sex, Ethics, and Young People brings together research and practice on sexuality and violence prevention education. Carmody focuses on showing how the challenges faced by young people negotiating their sexual lives can be addressed by a six week interactive skill based Sex and Ethics Program.

The Palgrave Handbook of Screenwriting Studies - Rosamund Davies 2023-07-27

This book provides an overview of the growing field of screenwriting research and is essential reading for both those new to the field and established screenwriting scholars. It covers topics and concepts central to the study of screenwriting and the screenplay in relation to film, television, web series, animation, games and other interactive media, and includes a range of approaches, from theoretical perspectives to in-depth case studies. 44 scholars from around the globe demonstrate the range and depths of this new and expanding area of study. As the chapters of this Handbook demonstrate, shifting the focus from the finished film to the process of screenwriting and the text of the screenplay facilitates valuable new insights. This Handbook is the first of its kind, an indispensable compendium for both academics and practitioners.

A Companion to Media Fandom and Fan Studies - Paul Booth 2018-05-01

A Companion to Media Fandom and Fan Studies offers scholars and fans an accessible and engaging resource for understanding the rapidly expanding field of fan studies. International in scope and written by a team that includes many major scholars, this volume features over thirty especially-commissioned essays on a variety of topics, which together provide an unparalleled overview of this fast-growing field. Separated into five sections—Histories, Genealogies, Methodologies; Fan Practices; Fandom and Cultural Studies; Digital Fandom; and The Future of Fan Studies—the book synthesizes literature surrounding important theories, debates, and issues within the field of fan studies. It also traces and explains the social, historical, political, commercial, ethical, and creative dimensions of fandom and fan studies. Exploring both the historical and the contemporary fan situation, the volume presents fandom and fan studies as models of 21st century production and consumption, and identifies the emergent trends in this unique field of study.

Introduction to Adam Demos - Gilad James, PhD*I fell in love with you and I cried* - Rachel Hill 2022-04-02

I fell in love with you and I cried is a spiritual, personal and travel memoir of a year in India and Southeast Asia. In April 2017 my husband and I asked ourselves, what would we do if we could do anything? We decided to sell up, leave our jobs and go travelling, along the way unpicking the conditioning of property, career and security and exploring what a life with less stuff would look like. We gave away most of our possessions and in March 2018 we went to India, where we spent seven months in all, then Thailand, Tokyo, Nepal, Cambodia and Vietnam. My book documents the trip through the eyes of a relatively inexperienced traveller. The sights, sounds and colours of India and Southeast Asia as well as the physical and emotional challenges of a year of travel. This was a pre Covid19 trip of a lifetime; making connections with local people and fellow travellers and putting beliefs about minimalism into practice by living out of a small backpack for a year of slow travel.
