

Sexo Sublime

The Modern Androgyne Imagination - Lisa Rado 2000

In the late nineteenth century, as changing cultural representations of gender roles and categories made differences between men and women increasingly difficult to define, theorists such as Havelock Ellis, Richard von Krafft-Ebing, and Sigmund Freud began to postulate a third, androgynous sex. For many modern artists, this challenge to familiar hierarchies of gender represented a crisis in artistic authority. Faced with the failure of the romantic muse and other two-sex tropes for the imagination, James Joyce, H. D., William Faulkner, Virginia Woolf, and other modernist writers of both sexes became attracted to a culturally specific notion of an androgynous imagination. In *The Modern Androgyne Imagination*, Lisa Rado explores the dynamic process through which these writers filled the imaginative space left by the departed muse. For Joyce, the androgynous imagination meant experimenting with the idea of a "new womanly man." H. D. personified her "overmind" as the androgynous Ray Bart. Faulkner supplanted the muse with the hermaphrodite. And Woolf became a kind of psychic transsexual. Although they selected these particular tropes for different reasons, literary men and women shared the desire to embody perceived strengths of both sexes and to transcend sexual and artistic limitation altogether. However, courting this androgynous imagination was a risky act. It often evoked the dynamics, even the specific vocabulary, of the sublime, which Rado characterizes as a perilous confrontation with and attempted identification between self and the transcendent other--that powerful, androgynous creative mind--through which they hoped to generate authority and find inspiration. This empowerment toward which Joyce, H. D., Faulkner, and Woolf gesture in texts such as *Ulysses*, *HERmione*, *The Sound and the Fury*, and *Orlando* is rarely achieved.

Joyce and Faulkner were unable to silence their fears of feminization and the female body, while H. D. and Woolf remained troubled by the threat of ego incorporation and self-erasure that the androgynous model of the imagination portends. Still, their pursuit of new imaginative tropes yields important insights into the work of these writers and of literary modernism.

Food, Sex, Comfort, & The Sublime - Xavier Strong 2018-10-13

Food, Sex, Comfort, & The Sublime takes you to a place where you can reflect on your own experiences in life or just read to feel something. Please enjoy this collection of poems.

Respeto, derechos y equilibrio sexual - Julio S. Cabrera Núñez

Gender and colonial space - Sara Mills 2013-07-19

Gender and colonial space is a trenchant analysis of the complex relation between social relations - including notions of class, nationality and gender - and spatial relations, landscape, architecture and topography - in post-colonial contexts. Arguing against much of the psychoanalytic focus of much current post-colonial theory, Mills aims to set out in a new direction, drawing on a wide range of literary and non-literary texts to develop a more materialist approach. She foregrounds gender in this field where it has often been marginalised by the critical orthodoxies, demonstrating its importance not only in spatial theorising in general, but in the post-colonial theorising of space in particular. Concentrating on the period of 'high' British colonialism at the close of the nineteenth century, she adroitly examines a range of contexts, looking at a range of colonial contexts such as India, Africa, America, Canada, Australia and Britain, illustrating how relations must be analysed for the way in which different colonial contexts define and constitute each other.

Odisea nº 2: Revista de estudios ingleses - José Francisco Fernández Sánchez 2015-11-23

Revista de Estudios Ingleses es un anuario dirigido y gestionado por miembros del Departamento de Filología Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa, literatura en lengua inglesa, didáctica del inglés, traducción, inglés para fines específicos y otros igualmente vinculados a los estudios ingleses.

Gay-2-Zee - Donald F. Reuter 2006-05-30

A "New York Times" bestselling author and illustrator presents the ultimate visualized guide to gay words, slang, and phrases with entries that include definitions, provenance, and which section of the gay community is most likely to use the term.

Sex and Death in Eighteenth-Century Literature - Jolene Zigarovich 2013-05-02

This book discusses sex and death in the eighteenth-century, an era that among other forms produced the Gothic novel, commencing the prolific examination of the century's shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined. By bringing together various viewpoints and historical relations, the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality. It not only provides part of the needed discussion of the relationship between sex, death, history, and eighteenth-century culture, but is a forum in which the ideas of several well-respected critics converge, producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen. As the contributors demonstrate, eighteenth-century anxieties over mortality, the body, the soul, and the corpse inspired many writers of the time to both implicitly and explicitly embed mortality and sexuality within their works. By depicting the necrophilic tendencies of libertines and rapacious villains, the fetishizing of death and mourning by virtuous heroines, or the fantasy of preserving the body, these authors

demonstrate not only the tragic results of sexual play, but the persistent fantasy of necro-erotica. This book shows that within the eighteenth-century culture of profound modern change, underworkings of death and mourning are often eroticized; that sex is often equated with death (as punishment, or loss of the self); and that the sex-death dialectic lies at the discursive center of normative conceptions of gender, desire, and social power.

Sublime Union - Mercedes Kirkel 2014-07-22

Follow Mary Magdalene on a profound journey into the world of sacred sexuality. "Sublime Union" presents Mary Magdalene's messages, given to author Mercedes Kirkel, on the techniques of sacred sexuality. Mary describes in detail the sexual practices of the Temple of Isis, including the advanced form she engaged with Yeshua (Jesus). Woven together with these communications is Kirkel's stirring story of applying Mary's teaching with her partner. Both a sacred sexuality manual and erotic memoir, "Sublime Union" brings the "master-awakening-the-student" genre into the bedroom. A fascinating narrative that will leave you changed!--Publisher.

Cigarettes are Sublime - Richard Klein 1993

Klein wanted to find out what was so alluring about smoking that for all his good sense and determination and the intense public pressure, he had to struggle so hard to quit. The result is a survey of the meaning and significance of cigarettes in literature, films, war, sex, and other realms throughout the world. Annotation copyright by Book News, Inc., Portland, OR

Seeking Sex Without Armor - Nik Nicholson 2016

Seeking Sex Without Armor, is a brutally honest narrative of captivating rhythms and sublime passion. This courageously vulnerable offering is bound to illuminate each soul it encounters, affirming Nicholson's distinctive voice. Out of a culture and faith that objectifies girls and women while starving their spirits, Nicholson's sojourn for love, transcends race, sex, gender, orientation and religion. It is a spiritual yearning.

Tu Vida No Tiene Que Ser Una Novela - Ricardo Chavez 2011-11

Sex and the Enneagram - Ann Gadd 2019-08-27

Understanding your approach to dating, relationships, and sex through the lens of your Enneagram personality type • Explains the relationship and sexual differences in the 9 Enneagram personality types for both genders • Examines how we can create greater intimacy with our partners and what blocks our sexual enjoyment • Looks at each type's fantasies and investigates how our behavior in relationships alters according to how emotionally integrated or disintegrated we are • Explores the three types of love and their countertypes; each type's Enneagram Passions and Virtues in relation to intimacy; how to engage with each type; and whether some types make better lovers Sex can take us from the sacred sublime to the darkest aspects of humanity. It can carry us on the wings of pure pleasure, or crush and potentially destroy us. No act in the human experience, barring the essential survival needs of food and water, can have more of an effect on us. In *Sex and the Enneagram*, Ann Gadd explores relationships and sex through the lens of the Enneagram, its nine personality types, and the subtypes of the wings and Instinctual Triads. The author introduces the Enneagram system and provides a full chapter devoted to each type. She examines each type's approach to sex, their fantasies, and levels of integration in relation to love and sex, as well as each type's approach to issues such as pornography, sexual problems, and dating sites and whether some types make better lovers. The author explains the Enneagram Passions and Virtues of each type in relation to sex, divorce, wing influences, and gender and explains how the 27 Sub or Instinctual types and the Hornebian Triads of the Enneagram system affect our sexuality. Most importantly, Gadd looks at how we can heal ourselves sexually so we can create more fulfilling, transforming intimacy for ourselves and our partners. Through understanding ourselves and our partners sexually, with the help of the Enneagram, Gadd hopes to bring us to deeper levels of compassion and understanding for each other. Sex then can be an expression enhancing our love for each other, rather than simply a physical act. By understanding your own and your lover's Enneagram type, intimate giving and receiving can be an empowering process to

embody our love for ourselves and others.

Sexo sublime - Osho Rajneesh 2001**Sensual Paris: A Guide to Sex, Seduction & Romance in the Sublime City of Light** - Jonathan LeBlanc Roberts 2009-02

Paris is often celebrated as the most seductive city in the world, synonymous with pleasure, passion and romance. SENSUAL PARIS is a sassy guide to the city's secret delights and hedonistic pleasures - from indulgent libertine clubs, to ultra-sexy shopping, to seductive all-night soirees. Brimming with savvy, insider advice unseen in mainstream guidebooks, the author provides a social and cultural road map to the beguiling French capital including: Intimate restaurants and bistros selected for their sensual ambiance [Alluring boutique hotels - perfect for a cozy, romantic vacation or a impassioned tryst [Uber-chic bars & dance clubs [Private clubs & parties[Erotic cabarets and risqu entertainment venues [Relaxing day-spas for the ultimate in body care and rejuvenation [Erotic museums, bookstores, boutiques and more. So whether you are a romantic couple on an impassioned holiday or an adventuresome, single traveler yearning to hookup with urbane locals and fellow travelers, SENSUAL PARIS has something for you.

César Vallejo - Víctor Vich 2023-11-02

This book argues that the poetry of César Vallejo announces the event, as a moment of irruption of a truth that destabilises the usual state of reality. It studies the emergence of a subject who affirms a truth that exceeds the law, interrupts hegemonic repetition, asserts universal solidarity, and defends "lost causes" despite political failure. The author reconfigures the traditional reading of Vallejo only as a poet of pain and human suffering, and offers new ways of understanding the relationship between poetry and politics.

Women and the Circulation of Texts in Renaissance Italy - Brian Richardson 2020-03-26

The first comprehensive guide to women's promotion and use of textual culture, in manuscript and print, in Renaissance Italy.

O Último Elo - Hamynthas Mathnatha 2011-10-29

Na antiga Grécia, no Oráculo de Delfos estava escrita a máxima "CONHEÇA-TE A TI MESMO". Pois bem, este livro leva a um aprendizado ao encontro de nosso EU. E é somente assim que iremos à direção a nossa felicidade, a paz e a harmonia interior, pois o desequilíbrio em qualquer área do ser é que provoca todas as angústias e males tão conhecidos nossos. O Último Elo é uma leitura destinada às pessoas que querem ter a vida plena, mais consciente, mais livre, mais ampla, mais completa e de atingir a plenitude no AMOR verdadeiro, e que estão a procura da evolução e do crescimento pessoal para transcender às limitações do EGO e do mundo puramente material. Porém, deverão ser estas linhas lidas com a mente e o espírito desarmado de preconceitos, para que não haja julgamento precipitado. É bom que se deixe as palavras fluírem e vibrarem na alma, no espírito e no coração, e não somente pelo intelecto e pela razão deverão ser analisadas, mas sim o âmago das palavras, pois elas foram enviadas pelos amigos das estrelas com o profundo AMOR DIVINO, para que a humanidade perdida na agitação do mundo profano e mundano reencontre seu destino cósmico e divino.

Sex and Sexuality - Lesley Caldwell 2018-03-29

"Winnicott" and "sex" are two subjects that are rarely associated with one another. Sexuality is not a prominent theme within the work of Winnicott, who preferred to concentrate on the development of the self from infancy. However, his writings contain unexplored insights into sexuality and it is these hidden insights that prompted the author to invite papers from leading analysts to expand upon them. This collection provides a fresh and innovative look at the work of Winnicott and into sexuality, in particular infantile sexuality. The unusual link of Winnicott

to Freud and to a psychoanalysis located in the drives encourages a different perspective into British psychoanalysis. Other diverse themes include a historical examination of Winnicott through the British Society; an exploration of the similarities between Laplanche and Winnicott; the use of Winnicott's work in the treatment of sexual dysfunction; and the interrelation between sexuality and play. This is the sixth volume in the Winnicott Studies Monograph Series.

Sex, Suicide, and the Sublime - Joyce S. Walker 1999

Sex and Sensibility in the Novels of Alan Hollinghurst - Mark Mathuray 2017-05-26

Winner of the British Association for Contemporary Literary Studies (BACLS) 2017 Edited Collection Prize This book is a challenging and engaging collection of original essays on the novels of Alan Hollinghurst, Britain's foremost gay writer and the English novel's master stylist. The essays engage the precarious and shifting relationship between sex and literary sensibility in his novels and, thus, also attempt to establish the parameters of a new critical discourse for future research on Hollinghurst's novel, queer theory and the contemporary literary representations of masculinity and sexuality. By coupling the consideration of Hollinghurst's aesthetics, his sensuously evocative style, to an interrogation of the social, political and sexual currents in his texts, the contributors of this collection provide distinctive interpretations of Hollinghurst's novels, from Hollinghurst's uncovering of a gay artistic heritage to his re-signification of earlier English literary styles, from his engagement with the Symbolist fin de siècle to his critique of aestheticism, etc., whilst paying close attention to the formally innovative qualities of his texts.
