

Sexual Life In Ancient Greece

Love, Sex & Marriage in Ancient Greece - Nikolaos A. Vrissimtzis 1995

Homosexuality in Ancient Athens - Joseph R. Laurin 2005
Homosexuality in Ancient Athens is a brief, yet comprehensive and thoroughly documented history of the life style of men and women during the Classical period of the fifth and fourth centuries BCE in Athens, Greece. The references to ancient literary and iconographic sources and to modern literature are collected by chapters as follows: Definitions, Mythical Origin of Man, Men's Sexual Life Style, Homosexuality, Pederasty, Effeminacy, Lesbianism, Men's Friendship and Sexual Reality. A select Bibliography and Index follow the 173 pages of text, illustrated by two maps and eight reproductions of ancient paintings on vases.

This book is an offshoot of Women of Ancient Athens published recently by the same author. Homosexuality in Ancient Athens is dedicated to all readers who desire to know more about the homosexual life style of the ancient Athenian men and women. Their history is unique in many ways, always intriguing and fascinating. This scholarly book is perfectly suited for libraries for adults and for academic reference centers as well as leading bookstores carrying English titles. Its Print-on-Demand access contributes to a wider distribution at a lower price. A quiz, for no grade or credit, just for fun! 1. Did the playwright Aristophanes and the philosopher Aristotle know each other in Athens? Yes ___ or No ___ 2. Were the terms "homosexual" and "lesbian" created by the Greeks of the Classical period? Yes ___ or

No ___ 3. Was Cornelius Celsus of the first century CE first to write a treatise on venereal diseases? Yes ___ or No ___ 4. Was The dialogue "Symposium" written about love by Aristophanes ? Yes ___ or No ___ 5. Was the hero Achilles younger than his friend Patroclus? Yes ___ or No ___ 6. Did Aristotle object to the practice of pederasty when he wrote his Nicomachean Ethics? Yes ___ or No ___ 7. Did Nicomachus succeed his father Aristotle as director of the Lyceum of Athens? Yes ___ or No ___ 8. Did Socrates live before Jesus? time? Yes ___ No ___ If you need some help, please find the answers below in "Excerpts" section.

Sexual Life in Ancient Greece - Paul Brandt 1974

Greek Homosexuality - Kenneth James Dover 2016

Sexual Life in Ancient Greece - Hans Licht 1994
From Ancient Greece, modern Western civilisation has derived many of its artistic

philosophical and political ideals. This book discusses the various aspects of the Ancient Greeks' sexual life. Through literary, historical and artistic evidence, it presents a picture of the position of women in Greek life.

Sittengeschichte Griechenlands. Bd. 2. Sexual Life in Ancient Greece, Etc. (Translated by J.H. Freese. Edited by Lawrence H. Dawson.). - Hans LICHT (pseud. [i.e. Paul Brandt.]) 1931

Sexual Life In Ancient Greece - Hans Licht
2013-10-28

First published in 2001. From Ancient Greece, modern Western civilisation has derived many of its artistic philosophical and political ideas. But, in certain areas of sexual tolerance and inventiveness, we still have much to learn from the land and age which produced the most flourishing and creative culture of the ancient world. Professor Hans Licht, in this erudite and fascinating book,

Downloaded from
legacy.opendemocracy.net
on 2019-12-26 by guest

discusses in full every aspect of the Ancient Greek's sexual life.

Sexual Life In Ancient Rome - Kiefer 2012-11-12

First published in 2001.

Routledge is an imprint of Taylor & Francis, an informa company.

Sexual Life in Ancient Greece - 1932

Sexual Life in Ancient Greece by Hans Licht - Paul Brandt 1934

Sexual Life in Ancient Greece - With Thirty-Two Full-Page Plates - Hans Licht 2018-08-10

Hans Licht's "Sexual Life in Ancient Greece" provides a fascinating account of ancient Greek society with a focus on sexuality. Exploring many different aspects of daily life from marriage customs and clothing to festivals and beauty contests, it offers a fantastic overview of Greek society and ideals not to be missed by those with an interest in the subject. Contents include:
"Greek Ideals of Life,"
"Marriage and the Life of

Women," "The Greek Woman," "Marriage Customs,"

"Additions and Supplementary Information," "The Human Figure," "Clothing,"

"Nakedness," "Gymnastics,"

"Beauty Contests and Further Remarks on Nakedness,"

"Bathing," "Festivals," etc.

Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on Greek mythology.

In Bed with the Ancient Greeks

- Paul Chrystal 2016-05-15

From the Spartans to Alexander the Great, Paul Chrystal brings the murky world of sex with the Ancient Greeks to life.

The Sleep of Reason - Martha C. Nussbaum 2002-07

Sex is beyond reason, and yet we constantly reason about it. So, too, did the peoples of ancient Greece and Rome. This work looks at how erotic experience is understood in

classical texts, and what ethical and philosophical arguments are made about sex.

Sexual life in ancient Greece.

Translated by J. H. Freese.

Edited by Lawrence H. Dawson

- Hans LICHT (pseud. [i.e. Paul Brandt.]) 1969

Sex and the Constitution -

Geoffrey R Stone 2018-07-03

A New York Times Book

Review Editors' Choice

Selection A "volume of lasting

significance" that illuminates

how the clash between sex and

religion has defined our

nation's history (Lee C.

Bollinger, president, Columbia

University). Lauded for

"bringing a bracing and much-

needed dose of reality about

the Founders' views of

sexuality" (New York Review of

Books), Geoffrey R. Stone's *Sex*

and the Constitution traces the

evolution of legal and moral

codes that have legislated

sexual behavior from America's

earliest days to today's

fractious political climate. This

"fascinating and maddening"

(Pittsburgh Post-Gazette)

narrative shows how agitators,

moralists, and, especially, the

justices of the Supreme Court

have navigated issues as

divisive as abortion,

homosexuality, pornography,

and contraception. Overturning

a raft of contemporary

shibboleths, Stone reveals that

at the time the Constitution

was adopted there were no

laws against obscenity or

abortion before the midpoint of

pregnancy. A pageant of

historical characters, including

Voltaire, Thomas Jefferson,

Anthony Comstock, Margaret

Sanger, and Justice Anthony

Kennedy, enliven this

"commanding synthesis of

scholarship" (Publishers

Weekly) that dramatically

reveals how our laws about

sex, religion, and morality

reflect the cultural schisms

that have cleaved our nation

from its founding.

One Hundred Years of

Homosexuality - David M

Halperin 2012-07-26

Halperin's subject is the erotics

of male culture in ancient

Greece. Arguing that the

modern concept of

"homosexuality" is an

Downloaded from

legacy.opendemocracy.net

on 2019-12-26 by guest

inadequate tool for the interpretation of these features of sexual life in antiquity, Halperin offers an alternative account that accords greater prominence to the indigenous terms in which sexual experiences were constituted in the ancient Mediterranean world. Wittily and provocatively written, Halperin's meticulously drawn windows onto ancient sexuality give us a new meaning to the concept of "Greek love."

[Controlling Desires](#) - Kirk Ormand 2018-01-10

"Comprehensive, reader-friendly, richly detailed, forthright, subtle, and very clear, *Controlling Desires* is the only handbook on ancient sexuality that works persistently to offset modern readers' assumptions about sex and sexuality, to challenge the notion that sexuality is natural and universal, and to bring out the differences between ancient and modern discourses of sex—or, even, between ancient and modern experiences of desire. As such, it is a very helpful resource for

students working on the history of sexuality in classical antiquity, because it shows how such a history might be possible and what is actually historical about sexuality."

—David M. Halperin, University of Michigan, author of *One Hundred Years of Homosexuality*, *Saint Foucault*, and *How to Do the History of Homosexuality* Since its first publication in 2009, *Controlling Desires* has been widely lauded as an accessible introduction to sexual practices, attitudes, and beliefs in the classical world. Treating Greece and Rome in separate sections, with ample cross-references and comparisons, Kirk Ormand presents a wide array of evidence from literary texts and visual arts, including two new chapters on Greek vase painting and Roman artifacts and wall paintings.

Prostitution in the Ancient Greek World - Konstantinos Kapparis 2017-10-23

Prostitution in the ancient Greek world was widespread, legal, and acceptable as a fact of life and an unavoidable

necessity. The state regulated the industry and treated prostitution as any other trade. Almost every prominent man in the ancient world has been truly or falsely associated with some famous hetaira. These women, who sold their affections to the richest and most influential men of their time, have become legends in their own right. They pushed the boundaries of female empowerment in their quest for self-promotion and notoriety, and continue to fascinate us. Prostitution remains a complex phenomenon linked to issues of gender, culture, law, civic ideology, education, social control, and economic forces. This is why its study is of paramount importance for our understanding of the culture, outlook and institutions of the ancient world, and in turn it can shed new light and

introduce new perspectives to the challenging debate of our times on prostitution and contemporary sexual morality. The main purpose of this book is to provide the primary historical study of the topic with emphasis upon the separation of facts from the mythology surrounding the countless references to prostitution in Greek literary sources.

The Reign of the Phallus - Eva C. Keuls 1993-04-27

At once daring and authoritative, this book offers a profusely illustrated history of sexual politics in ancient Athens, where the phallus dominated almost every aspect of public life. Complementing the text are 345 reproductions of Athenian vase paintings depicting the phallus.
