

Sexual Violence The Unmentionable Sin

Dictionary of Scripture and Ethics - Joel B. Green 2011-11

A reference guide on the relationship between scripture and ethics features up-to-date commentary on hundreds of topics including bioethics, homosexuality, and torture.

New Feminist Christianity - Mary E. Hunt 2010

A collection of essays by proclaimed feminist Christians, discussing their accomplishments and examining the lasting problems that hinder women's participation in the Christian community.

A Story of the Psalms - V. Steven Parrish 2003

A Story of the Psalms is an interdisciplinary project that is informed especially by synchronic approaches to reading the Bible and the work of social scientists and theologians who have studied the contemporary landscape confronting religious communities, particularly congregations. Specifically, insights from narrative analysis are used to discern in the Book of Psalms a story with a plot that is told by multiple voices - engaged with one another and with God - as they address crucial junctures in Israel's life. These enduring voices offer guidance to congregations of an emerging church in a Post-Christendom era.

The Sexual Abuse of Children - William T. O'Donohue 2014-01-02

The sexual abuse of children is now seen as an enormous problem; first, because there is an increasing awareness that it is more prevalent than previously thought, and second, because it gives rise to so many complex questions. How is sexual abuse to be defined? What are the effects of abuse? How can the victim be helped? How can abuse be prevented? These two comprehensive volumes cover a wide spectrum of basic and applied issues. Expert contributors -- including physicians, attorneys, psychologists, philosophers, social workers, and engineers -- address such relevant topics as epidemiology, animal models, legal reforms, feminist scholarship, child pornography, medical assessment, and diverse models of psychotherapeutic intention.

Perpetrators of Intimate Partner Sexual Violence - Louise McOrmond-Plummer 2016-12-08

Research shows that intimate partner sexual violence (IPSV) is the most common form of sexual assault. Professional focus is often on the victim, but more information is needed about the perpetrators in order to have a fuller understanding of this crime. The very nature of IPSV – sexual assault within a relationship – means that professionals who work with victims must understand the dynamics of perpetrators as well. This new book will distill the knowledge that exists about perpetrators of IPSV. It includes chapters by authors who have worked directly with IPSV perpetrators and covers important subjects such as addressing IPSV in batterer groups, police management strategies, the danger of IPSV to children, the different types of violence perpetrators use, and prevention approaches for young people. There is also still a widely held view that rapists are strangers in alleyways. This book is intended to educate professionals about who is a perpetrator, as well as to highlight the very real danger these perpetrators represent, including a heightened risk of lethality. The contributors look at the social context of IPSV and the implications for prevention and provide hands-on knowledge to practitioners in a number of fields. The book may also be used within the academic context in fields such as social work, sociology, counseling, psychology, medicine, nursing, criminal justice, and law.

Victims of Child Abuse; Domestic Violence; Elderly Abuse; Rape; Robbery; Assault; and Violent Death - Hans Walter Wolff 1992-06

Presents the findings of a project that was designed to assess current practices & procedures used in the handling of criminal court cases involving children as victims/witnesses. Project utilized case reviews & interviews of participants in recently adjudicated cases to describe current approaches to children in the criminal justice system.

The Other Side of Sin - Andrew Sung Park 2012-05-21

Offers a fresh viewpoint in Christian thought by looking at sin from the perspective of the sinned-against

rather than that of the sinner needing forgiveness.

Sex and Virtue - John S. Grabowski 2003

This book provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective.

The Sexual Abuse of Women by Members of the Clergy - Kathryn A. Flynn 2010-07-27

The sexual abuse and exploitation of women by members of the clergy is not a new issue. What is new is the public's growing understanding of what is involved when members of the clergy ignore or repeatedly fall short of legal and ethical requirements to adhere to the expected standards of conduct. This work is based on the author's study of 25 women from 11 states who were sexually abused by members of the clergy. A primary goal of the study was to help the violated women understand their experiences and make available to educators, practitioners and others concrete information about what it means to be sexually exploited by a trusted religious representative. The author also considers the viability of a trauma model to study the impact of such sexual abuse on women and on their relationships with others, and presents her findings that the participants did exhibit symptoms that strongly correspond with the classical and complex trauma criteria used.

Sex and Gender - Mary Jo Iozzio 2017

Sex and Gender contains some of the subject's most important analyses in recent decades. The collection covers a wide range of topics: same-sex marriage, sexual minorities and biblical interpretation, sex and power, sexual harassment and sexual abuse, HIV/AIDS and prevention strategy, mobile porn, sexting, human trafficking, and more.

Pastoral Responses to Sexual Issues - William V. Arnold 1993-01-01

This excellent book offers help to pastors and other caring Christians who must act as "triage officers" on the front lines of congregational and community life and who believe in and want to explore the importance of sexual issues in ministry. William Arnold believes that our sexuality is a defining element for understanding who we are and who God is. For a pastor to work with people in a helpful and redemptive manner, this powerful force must be faced with courage and care. However, the pastor must be aware that attempts to care can be damaging if there is not an openness to learning more about the multiple forces at work in our sexuality. The pastor's awareness must be physiological, psychological, and theological. William Arnold stresses self-awareness as the key to dealing with sexual issues and advises the pastor not to rely strictly on intellectual information.

Rape Culture and Spiritual Violence - Gina Messina-Dysert 2015-05-08

Rape Culture and Spiritual Violence examines sexual violence against women, how religion and society contribute to a rape culture, and the extreme suffering endured by rape victims as a result. Using the testimony of women who have experienced both rape and the consequences of rape culture—from a range of religious, cultural, ethnic, and social contexts—the book explores both the suffering and healing of rape victims from World War II to today. Among the issues considered are victim invisibility, the inability to express pain, and the tendency to assume shame and self-blame. The study examines the role of society in shaping and reinforcing these responses, contributing to traumas that can lead to spiritual death. The book also explores possibilities for multiple spiritual resurrections within the practice of daily life, encouraging both individual healing and social change.

Understanding the Impact of Clergy Sexual Abuse - Robert A. Mc Mackin 2014-06-03

The sexual exploitation of a child by one who has been recognized as a representative of God is a sinister assault on that person's psychosocial and spiritual well-being. Many survivors of such abuse present with a range of symptoms consistent with Posttraumatic Stress Disorder as well as common co-occurring problems, including substance abuse, affective lability, and relational conflicts. Yet there are additional

themes, particularly the impact of the abuse and institutional betrayal on the family, profound alteration in individual spirituality, and changes in individual and family religious practices, which differentiate this abuse from other traumas. Understanding the profound and multidimensional effects of clergy perpetrated sexual abuse and the betrayal of trust by religious leaders on individuals, families and communities requires the collective wisdom of many voices. This book brings together the perspectives of survivors, practitioners and scholars to examine this unique form of interpersonal violence from theoretical, clinical and spiritual perspectives with consideration given to future research needs. This book was published as a special issue of the Journal of Child Sex Abuse.

The Cry of Tamar - Pamela Cooper-White 2012-09-01

In this comprehensive, practical, and gripping assessment of various forms of violence against women, Pamela Cooper-White challenges the Christian churches to examine their own responses to the cry of Tamar in our time. She describes specific forms of such violence and outlines appropriate pastoral responses. The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence.

[The Rowman & Littlefield Handbook of Women's Studies in Religion](#) - Helen T. Boursier 2021-06-15

The handbook offers interreligious and multicultural perspectives on women's studies in religion in conversation with specific contextualized gender-biased justice challenges. Contributing authors address 25 current and trending themes from their diverse socio-cultural-religious backgrounds. Themes move across the spectrum of women's studies in religion, blurring the boundaries beyond "religious studies" to include perspectives from ethics, philosophy, sociology, economics, and law as. Religious diversity addresses the challenges for women's studies through the lens of Wicca, Buddhist, Asian Trans Pacific, Hinduism, Judaism, Muslima, and Christian. The handbook is practical, contemporary, and relevant as it moves theory to practical application in the section on challenging and changing system gender injustice with chapters on sexual violence and the #MeToo movement, femicide and feminicide, a Mohawk response to colonial dominion and violations to Indigenous lands and women, and a religio-politico witness for love and justice,

include how to engage the theories of women's studies in religion in the public square through civic engagement to create empowerment for actual, practical change. It shows the future movement of the becoming of women's studies with chapters digital activism, reimagining women's mosque spaces online, minoritized sexual identities, and spiritual homelessness, and charges readers to see "hope now" by challenging and changing gender injustice.

Let the Bones Dance - Marcia W. Mount Shoop 2010-01-01

Minister and theologian Marcia Mount Shoop Offers an analysis of Reformed heritage---and an impassioned provocation that we live more adventurously. "Beautifully written and deeply felt. This work offers a vivid theology relocated in the flesh and blood of life's utter physicality. Finally a book to recommend when people ask about resources on bodies and theology!"---Bonnie J. Miller-McLemore, E. Rhodes and Leona B. Carpenter Professor of Pastoral Theology, The Divinity School and Graduate Department of Religion, Vanderbilt University "An incredibly compelling theological work. Bringing together a host of cutting-edge concerns that matter not simply to academic theologians, but to the lived life of faith, this project invokes the importance of bodies and their marking by gender, race, ethnicity, etc. Mount Shoop uses these now-familiar themes to break new ground by revealing the inadequacy of the overly verbal and cognitive character of Protestant worship and practice. It is groundbreaking."---Mary McClintock Fulkerson, Professor of Theology, Duke Divinity School, and author of Places of Redemption: Theology for a Worldly Church "Mount Shoop thiks in new ways about central theological concepts and dares to imagine a new church emerging out of them. She combines the intellectual vigor of an academic with the heart and soul of a pastor who understands what it means to lead a congregation. Happily, she writes like a poet. Let the Bones Dance is provocative, stimulating, and readable."---John M. Buchanan, pastor, Fourth Presbyterian Church, Chicago, Illinois, and author of A New Church for a New World Contemporary Christian faith and practice tend to address spiritual, mental, and emotional issues but ignore the body. As a result, many believers are uncomfortable in their own skins. Mount Shoop addresses this "dis-ease" with a theology that is attentive to physical experience. She also suggests how worship services can more fully invite God to inhabit every part of a congregation---including their flesh-and-blood bodies.

Sexual Violence - Marie M. Fortune 1983

Examines the social and ethical aspects of rape and other forms of sexual violence and discusses the proper response of the religious community to this problem

[Redeem the Silence](#) - Sherrill Anderson Nielsen, Mft 2012-07

There is a silence that is killing us. Millions are impacted by rape and sexual violence and are plagued with struggles they can't talk about. The time is now to start the healing and Redeem the Silence. "Redeem the Silence is a powerful expose on the subject of rape in the 21st century. With stories that are raw and riveting, the dialogue tears at one's emotions. A subject that is almost overpowering, it is almost unspeakable. But that is the point of Sherrill's book: the subject of rape must not be unspeakable because it happens every day while our silence protects the guilty and torments the victims. Sherrill Nielsen tells the truth about sexual violation and blow s the cover off cultural taboos." JIM COFFARO, Senior Pastor at New Song Foursquare Church, San Jose, CA "A pathway to healing! Authentic, no formulas, compassionate, real life guidance for those who have been abused, and those who love them." DR. DAVID SMITH, Lead Navigator, Theodyssey Group "Gripping, insightful, Sherrill Nielsen counsels from a survivor's perspective." MIKE YORKEY, co-author of Every Man's Battle and The Swiss Courier
