2012-05-14

Recovery from Sexual Addiction: A Mans Guide and a companion workbook, help men learn how to achieve a high level commitment to change their behavior and thinking. Men are introduced to insights on how to move out of compulsive behavior, depressed mood, and isolation into a more fulfilling life. Readers will learn about the Addicts Life Scale, a simple yet insightful tool that illustrates how ones mood is directly related to destructive acting-out behaviors. Once a man becomes aware of his mood levels, he can begin to take proactive steps to reach and sustain a mood level where he feels confident and motivated to remain free of destructive acting-out behaviors. Book chapters are structured to help men examine their most personal issues, including: the nature and origin of sexual addiction, the roles of anger, anxiety, isolation, and depression in sexual addiction, how co-dependency fosters sexual addiction, how to cultivate self-awareness and improved attitude, and creating a healthy life style absent sexually acting out. Ultimately, readers will discover the satisfaction that comes from improved relationships with their spouses, children, other men, and God. Paul Beckers unique *Recovery From Sexual Addiction* series includes a core book, client workbook, and a clinician guide. The three texts use an interactive approach to help therapists and clients thoroughly explore the roots of sexual addiction and effective ways to achieve long-term recovery. The series is especially helpful to therapists who prefer to base recovery on principles proven by Dr. Patrick Carnes.

Mom, sex is NO big deal! - Sharon Hersh 2010-07-28

"But Mom, it's not the same as when you were a teenager...." Your daughter is right. Never before have teenage girls been so inundated with the idea that sex is a natural part of teenage relationships. The

media, the Internet, and your daughter's peers reinforce this myth daily. In fact, the majority of teenage girls will experiment with sex. And never before has the price tag of teen sexual behavior been so high—disease, depression, and a distorted view of self. This is a book of hope and empowerment. The good news is that you can use the challenges your daughter faces today as catalysts to help her develop a sacred view of sex and of herself. Your daughter will make critical decisions during her adolescence and those decisions will have lifelong consequences. But you, as a mother, can have enormous influence over your daughter if you are prepared. "Mom, Sex Is NO Big Deal!" will arm you with information and strategies to help your daughter arrive at a place of wholeness as she makes decisions about how she will behave sexually during the most vulnerable period of her life.

Addiction and Recovery - Martha Postlethwaite 2019-02-01

Companionship for the lifelong journey of recovery In *Addiction and Recovery: A Spiritual Pilgrimage*, Martha Postlethwaite—pastor and a person in recovery—reflects on her pilgrimage of healing through valleys of despair and vistas of resurrection. *Addiction and Recovery* is not just Postlethwaite's story, though. She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender, truth telling, shame, powerlessness, grace, forgiveness, and resurrection. Together, these chronicles bring hope to people who struggle with the disease of addiction and to those who love them. Each chapter ends with questions to reflect on with conversation partners or in a journal, and a spiritual practice. The spiritual practices are related to the chapter themes and serve as samplers, but they can be woven into the reader's own pilgrimage. Readers will recognize themselves in these stories and reflections, learn that they are not alone, and find reasons to hope as they make their own pilgrimage.

Triangular Adjutant Philosophy: The Servant Life of An Adjutant - Dianna Brannon 2018-06-09

The integrity of a servant leader must be above reproach and our foundation is biblical; never personal. We do not serve with our personality, but we serve the Master creator. We are men and women of

God that understand we are in positions that few are privy to. Those that we serve trust the God in us; as we serve the God in them.

Surfing for God - Michael John Cusick 2012-06-04

Discover how the barrier built by porn addiction can become a bridge to abundant life. Using personal examples, scriptural illustrations, and 20 years of counseling experience, Cusick will help you understand how to break free from the prison of sexual addiction. What if lust for porn is really a search for true passion? In a world where there are 68 million searches for pornography every day and where over 70 percent of Christian men report viewing porn in the last year, it's no surprise that more and more men struggle with an addiction to this false fantasy. Common wisdom says if they just had more willpower or more faith, their fight would be over. But is the answer really that simple? According to counselor and ministry leader Michael John Cusick, the answer is no—but the big truth may be much more freeing. Backed by scripture, Cusick uses examples from his own life and from his twenty years of counseling experience to show us how the pursuit of empty pleasure is really a search for our heart's deepest desire—and the real key to resistance is discovering and embracing the joy we truly want. Cusick discusses the origins of sexual addiction, the need for affirmation, and the heart that aches for God while falling into relapse. Handling a difficult topic with grace, mercy and honesty, Cusick's insights will help you understand: How porn struggles begin What to do to prevent those struggles How to overcome compulsions once they begin An essential resource centered on the sustaining love of Christ, this book will help guide anyone battling sex addiction or those in ministry seeking to provide encouragement to those struggling.

Losing the Bond with God - Katarzyna Peoples 2011-04-07

Empirical research provides the basis for a comprehensive depiction of

evangelical Christian men who self-identify as sexual addicts. Losing the Bond with God: Sexual Addiction and Evangelical Men offers a humane and constructive understanding of this issue, treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject. Based on her own qualitative study of self-identified evangelical sex addicts, the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion, marriage, and sexuality if they are to break their destructive patterns. The book addresses many of the most dominant issues specific to sexuality within the evangelical movement, such as sexual purity, gender roles, attitudes regarding homosexuality, and marriage. It begins with a framework for understanding the evangelical movement and its stance on sexual issues. and ends with a cumulative summary about evangelical men who self-identify as sexual addicts. Direct quotes and personal experiences from interviews are woven throughout the study, and appendices provide a detailed description of the author's research.

Transformation: God's Path Out of Obesity - Joy Rollins 2008-10-10

"Transformation' relates my journey out of obesity by the power of the Holy Spirit. At 49, I was 120-150 pounds overweight, and felt helpless and hopeless in overcoming my lifelong struggle with food addiction and obesity. Confronted with declining health and comfort, I asked God for

His help, turning the struggle over to Him. ... I received the baptism of the Holy Spirit for the first time. God did a miracle in my life that night in April 2006 and began a powerful transformation, both in my heart and body. By the power of the Holy Spirit, I was filled with joyous anticipation of God's ability in my life, and I began to lose weight. Early into the transformation, God told me to write a journal of my experiences and the lessons He would teach me in the journey of transformation. He directed me to seek publication of the journal of the first 80 pounds lost, and gave me a vision of beginning a spiritual support group at my church for women struggling with these issues."

A Journey Toward Wholeness - Don Crossland 1991

Rose and Thorn - Karen Wiesner 2016-08-25

Every rose has its thorn... Reece Childs finally has his rose--Lona Rose, that is, a woman from his past and everything he's ever wanted after a lifetime of the kind of transgressions he holds inside the darkest part of him...and never, ever wants Lona to find out about. He'd been as close as a kiss to having her as his wife, too. After a whirlwind courtship, he and Lona flew to Las Vegas to get hitched. Having more than one disastrous divorce already under her belt had shattered Lona's illusions about the institution of marriage and made her superstitious about taking that journey again. So they came back and let everyone in town believe they were married. Now their little daughter Honey is two years old and life seems perfect. Reece never anticipated the thorny, black sins from his past to destroy his present and future happiness. When Reece came back to Amethyst and fell for Lona Rose, he'd left behind truck driving and everything associated with it. He'd had no clue that Angelina Batista, his "port" in the city he made his most frequent run to, was pregnant. She shows up in Amethyst, demanding in no uncertain terms that he be a father to and provider for their son, who's not much older than Honey. Not only has Angelina picked up and left everything else behind to pursue him, but she has medical proof that the boy is his. The world drops out on Lona, who confronts secrets about the man she loves that she could never have imagined in her worst nightmares. She's furious

and intent on doing everything to drive this overbearing usurper as far from her happily-ever-after as she can. She's equally unwilling to share her man with someone he never loved, regardless of the intimacy in their uncommitted relationship. Yet she soon suspects she's fighting a losing battle because, even to keep her happy, Reece can't turn away from his own son...

The Blessing of the Thorn- second edition - J. David Jones

2017-09-22

Satan has been using sexual temptation to derail, consume and destroy the lives and testimony of God's people since the beginning of time. Today the delivery system by which sexual temptation is delivered may differ from years past but its end result remains the same. The church has made many mistakes in addressing this plague. We have often "shot" our sexually wounded, ignored, dismissed and in some cases moved God's standard so as to not offend them. Most of these failed attempts have been rooted in fear and misunderstanding. In *The Blessing of the Thorn (Second Edition)*, we will begin to take away some of the mystery of sexual sin, develop a clearer understanding of how it takes root and present practical biblically based tools to assault it. Let us become the church who is not afraid to step into the fight with Truth and Grace and take back the ground the enemy has taken.

Healing the Wounds of Sexual Addiction - Mark Laaser 2009-05-26

Hope--real hope--for recovery is within reach. This book goes beyond cliché answers and offers meaningful, spiritual, and practical steps to healing and freedom from sexual addiction--or any addiction. With today's rampant availability of Internet pornography, sexual addiction has become a national epidemic that affects an increasing number of Christians, even pastors and priests. As devastating as any drug habit, it brings heartbreak and despair to those it entangles. But there is help for men and women caught in sexual addiction's downward spiral. This book offers a path that leads beyond compulsive thoughts and behaviors to healing and transformation. Speaking from his own experience with sexual addiction and recovery, Dr. Mark Laaser is sensitive to the shame of sexual addiction without minimizing its sinfulness. He traces the roots

of the problem, discusses its patterns and impact, and maps out a biblical approach to self-control and sexual integrity. Whether you know someone with a sexual addiction or struggle yourself, *Healing the Wounds of Sexual Addiction* points the way to understanding, wholeness, and holiness. Spanish edition also available; previously titled *Faithful and True*.

Clinical Guide for the Treatment of Male Sexual Addiction - Paul Becker
2013-02-06

The book, *Clinical Guide for the Treatment of Male Sexual Addiction*, will facilitate therapists use of the books, *Recovery from Sexual Addiction: a Mans Guide*, and the accompanying *Workbook* in individual therapy or a group program. The guide may serve as a syllabus for a Sex Addiction Therapy Group program. It supports clinical therapists by providing insightful guidance and interventions to help men who wish to end addictive sexual behaviors. The program objective is to lead men through a structured clinical process to help them become aware and understand the complex factors that contribute to sexual addiction and steps they can take to achieve long-term recovery. Unwanted sexual behavior and addiction have become rampant in todays society, largely through the availability of Internet pornography. For example, Family Safe Media reports that 40 million men regularly visit Internet pornography sites. It is so insidious that when a man looks to his left and then to his right he will likely encounter a man for whom pornography is a major problem in his home. Increasingly therapists will need clinical knowledge in order to work with sexually-addicted men as well as with couples in marital counseling where the male is sexually addicted. The book *Clinical Guide for the Treatment of Male Sexual Addiction*, is intended to guide therapists efforts to serve this growing population.

Sordid Details - Fernando H. De Marchi 2018-10-09

A life told in one book. What am I writing for? Dear reader, I need to vent, the thoughts flow in a raw way, with no time for embellishments, and no filter for the sordid details. I need to warn you that my story will start innocently. However, do not fool yourself: it'll get worse every chapter, and so, there will be certainly many sordid details. I anticipate

that: "In the controversial search for success, I draw my failure reaching for victories". Confusing, right? Accept to know me and you will understand!
