Going Dutch - Katie Fforde
2010-12-07

A wonderfully romantic novel from the Sunday Times bestselling author of A Wedding in Provence. 'The queen of uplifting, feel good romance' AJ PEARCE 'Effortlessly lovable, warm and fun' CLOSER 'Katie Fforde is on sparkling form' INDEPENDENT 'Top-drawer romantic escapism' DAILY MAIL _____ Jo Edwards never planned to live on a barge. She's not even sure she likes boats. But when her husband trades her in for a

younger model, she finds her options alarmingly limited. Dora Hamilton never planned to run out on her own wedding. But as The Big Day approaches, her cold feet show no signs of warming up - and accepting Jo's offer of refuge aboard The Three Sisters seems the only alternative. As Jo and Dora embark on reorganising their muddled lives, they realise they both need a practical way to keep themselves afloat. But, despite their certainty that they've sworn off men for good, they haven't bargained for the persistent intervention of attractive but enigmatic Marcus, and laid-back, charming Tom, who both seem determined to help them whether they like it or not...

The Book of Doubt - Tessa de Loo 2013-03-05

Even though he is the son of a Dutch mother, Saeed has a Moroccan first name in memory of the virtuoso oud player his mother fell in love with twenty years ago. When she found out she was pregnant, he ran off and returned to Morocco. Saeed decides to look for his father, in the hope of finding a new identity in a new world. His childhood friend Hassan accompanies him. Back then they shared an imaginary land which they both ruled. Now they only have one starting point: a grocery shop in Fez. From there they follow the trail of the oud player, who leads them from the cedar woods of Ifrane to the red dunes of the desert to the high Atlas, where Kasbahs are locked in a losing battle with decay. Saeed's search sends him deeper into disillusionment and into the arms of Islam, where he tries to find something to hold on to.

But there is a disturbing presence. A seemingly fictitious character from their imaginary past infiltrates Saeed's quest. While Saeed desperately tries to get rid of him, different aspects of his life, more and more beyond his control, reach an apotheosis resulting in one final deed affecting man and beast alike.

Thy Will Be Done - Joseph Palma 2006-04-13

While awaiting sentencing for his crimes, Wall Street hustler Joey DeFalco receives an anonymous calling from a celestial being. In the form of an apparition, a spirit from the 6th century BCE appears before him. Though Joey doesn't yet understand what is happening, this ancient messenger is preparing him for a mission commanded by an even higher authority. This spiraling and enigmatic calling lures the besieged young man into a world of turmoil, terror and death. Joey soon finds himself inside a Federal

Penitentiary infested with hardcore prisoners. He is befriended by a notorious underworld crime boss who is in possession of a mysterious relic with almighty and unearthly powers. Once the relic is in Joey's possession, the apparition returns. The mighty specter issues foretold prophecies to Joey that date back before the times of Christ. A personal transformation evolves as these powers of divinity seize control of Joey's soul. What Joey finds behind the prison walls changes his life forever; he finds his destiny. After 40 years of dormancy, something surreal and supernatural and not of this planet, is awakened. This Biblical prophecy would span from the beginning of man into the turn of a new century. It keeps searching as it bequeaths its sacred prodigies upon the chosen. Joey DeFalco was chosen to make the ultimate sacrifice as his life now has a God-given purpose. With the help of the local parish priest, young Joey comes to realize that

something spiritual is hovering above him, watching his every move. The visions become clearer, each time leaving a significant blemish behind. In the interval, Joey finds love in the arms of a beautiful young Puerto Rican named Gloria. For Gloria too was affected by this penetrating and preternatural power. This love was special; it planted the seed for the legacy to continue on. This is a novel that succeeds on a number of levels. The captivating storyline and hardscrabble characters create a unique hybrid of storytelling. From the very first page to the dramatic and shocking conclusion, "Thy Will Be Done" stands alone on premise, creativity and originality. The spellbinding twists and lightning paced action make this unpredictable tale a must read for any book lover. Come take the journey into the remote and in depth world of "Thy Will Be Done."

WMD Machete - Mark Plimsoll
2011-01-26
The Pan-American
"Huckleberry Finn" for the
Twenty-first Century, a memoir

of the young author's struggle with two realities, one Anglo-Saxon and the other Hispanic. In this picaresque "coming-of-age" memoir, we see a vision of North America's future in twenty-five years, when the Hispanic population becomes the majority and changes not only the demographics of the United States of America, but its culture. The author sweeps us along on a whirlwind of culture shock. He chronicles the adventures of a disgruntled industrial-age young man who feels a tribal and instinctual reluctance to accept the Third World's view of the United States, and America's foreign policy. But before he can assimilate the profound changes in language, culture, and reality, along comes a new relationship and an earthquake that stops a war only to kill twenty-two thousand people, and changes blind patriotism into something else.

Divorce in Transnational Families - Iris Sportel
2016-10-25

This book uniquely focuses on the role of family law in

Downloaded from
legacy.opendemocracy.net
on 2019-08-10 by guest

transnational marriages. The author demonstrates how family law is of critical importance in understanding transnational family life. Based on extensive field research in Morocco, Egypt and the Netherlands, the book examines how, during marriage and divorce, transnational families deal with the interactions of two different legal systems. Sportel studies

the interactions of European and Islamic family law, addressing its interconnections with migration and everyday life, within the context of highly politicised debates on gender, Islam, migration and the family. The book will be of interest to scholars and students of family sociology, migration and diaspora studies, transnational families, family law, and sociology of law.
