Silently Falling Down - Luce Emerson 2023-07-31

Un secret impossible à deviner, un autre trop lourd pour être dévoilé, et leur attirance pour tout révéler ! Alicia est un caméléon. Elle peut tout faire, s'adapter à n'importe quelle situation. Pourtant, elle est morte de trouille face à ses émotions. Alors elle s'éloigne d'elle-même, endosse des rôles, les uns après les autres. Le dernier en date ? Manager dans une aciérie. Mais c'était sans compter sur Liam : tenir à distance ses émotions lorsqu'elle doit travailler avec lui relève de la mission impossible. Froid et distant, habitué aux mensonges, ce dernier n'est pas dupe face à Alicia. Et quand il décide de découvrir ce qu'il y a au-delà des mots et des attitudes, là où crie le silence, il ne se doute pas que c'est son propre secret qu'il met en danger ! Une romance réaliste qui choque et interroge en nous montrant que ce qui paraissait

impardonnable ne l'est pas toujours et que la résilience peut être poussée à l'extrême. Trigger warning : viol, inceste. Silently Falling Down de Luce Emerson, histoire intégrale

Florence Nightingale on Women, Medicine, Midwifery and Prostitution - Lynn McDonald 2006-01-01

Volume 8: Florence Nightingale on Women, Medicine, Midwifery and Prostitution makes available a great range of Florence Nightingale's work on women: her pioneering study of maternal mortality in childbirth (Introductory Notes on Lying-in Institutions), her opposition to the regulation of prostitution through the Contagious Diseases Acts (attempts to stop the legislation and otherwise to facilitate the voluntary treatment of syphilitic prostitutes), her views on gender roles, marriage and measures for income security for women and excerpts from her draft (abandoned) novel. There is correspondence with women friends and colleagues from childhood to old age, on a vast range of subjects. Correspondents include old family friends, royal and notable personages, nuns and colleagues in various causes. Most of this material has not been published before and some letters will be new even to Nightingale scholars. Altogether a very different view of Nightingale emerges from what normally appears in biographies and other secondary sources. This material will enable a new assessment of her feminism, her relations with women and her contribution to improving the status of women of her time. Currently, Volumes 1 to 11 are available in e-book version by subscription or from university and college libraries through the following vendors: Canadian Electronic Library, Ebrary, MyiLibrary, and Netlibrary.
