

Stolen Childhood What You Need To Know Child Sexual Abuse

Everybody Knew - Michael Clemenger

2012-02-15

'Holding me around the waist he drew me close to him. "And which of us do you prefer, Michael? You can tell me, it won't get back to Brother Price.'" Michael Clemenger was handed over as a baby to the unloving care of a religious-run children's home. Aged eight, he was transferred to St Joseph's Industrial School. Chosen as their 'favourite' by two Christian Brothers, Michael endured years of sexual abuse at the hands of both men. Brother Price struck at night, while Brother Roberts took pleasure in a weekly bathtime ritual. Although everybody at the institution knew, even the two Brothers' 'protection' did not save Michael from merciless beatings by other sadistic men charged with his care. Despite the unbelievable trauma of his early life, Michael emerged unbroken and determined to make something of himself. Everybody Knew is a story of remarkable spirit and courage.

Stolen Voices: A sadistic step-father. Two children violated. Their battle for justice. - Terrie Duckett 2014-03-13

He beat them, he abused them, and he tortured them. He broke their dreams. But they came back stronger.

Running From The Devil - How I Survived a Stolen Childhood - Sara Davies 2007-06-04

Sara Davies spent her whole childhood living in fear. She has known terror that no child should ever know. Having endured and witnessed violence and molestation by her abusive father from as far back as she can remember, when she was only five years old he completely robbed her of her childhood when he raped her for the first time. For Sara, this was just the beginning of years of torment and terror. She grew up thinking that this was what life was supposed to be like, that things were meant to be this way. For years, Sara suffered both the beatings and the sexual abuse in silence, unable to confide in

her mother and too scared to inform anyone outside the family. Finally, after years of enduring her pain, she told her mother about the terrible things she had been forced to endure. Despite her father being arrested and imprisoned, it would take much more than punishment for Sara to free herself from the demons that haunted her. Trying to find the love and support lacking in her family, Sara sought comfort from strangers and there followed a series of abortive and often abusive relationships. Her determination to be her own person and find independence came when she left home to work for a modelling agency. This came to a sudden and shocking end when she suspected that the employers in whom she had placed her trust had drugged and abused her. Desperate to break the cycle of abuse and determined to liberate herself from the past the past that has haunted her, Sara has found her own kind of peace - having confronted her father about what he put her through, she has laid her ghosts to rest and is now a happy mother and successful writer. This heart-rending, emotional and educational book will not fail to reach the heart of the reader.

My Fathers Prostitute: Story of a Stolen Childhood - Steven Whitacre 2015-05-16

"Powerful," "Compelling," "A story well worth writing" - this is what people are saying about this honest, and sometimes brutal, true story of one man's struggle growing up in the shadow of childhood sexual abuse. From his difficulties growing up, to his drug addiction, failed relationships, and struggles with parenthood, the author takes us through the ups and downs of a life spent in the shadows, trying to make sense of the events that formed the basis of his being. Sometimes tragic, sometimes hopeful, but never sugar coated, My Father's Prostitute: Story of a Stolen Childhood takes the reader on an emotional ride which reminds us that the human spirit is more powerful than the demons

that haunt us.

Compromised - Barbara Jean August 2017-06-19

What would you do if you knew that your stepfather was a child predator, but your mother did nothing to protect you-and you could not rely on the court system or anyone else for help?

What would you do if you found yourself, many years later, faced with becoming your mother's caregiver: Would you do the right thing and help her, despite what she failed to do for you?

Barbara Jean August was just four years old when she realized that she was a victim of child sexual abuse. A few years later, she learned that her stepfather was also targeting her four other siblings-a discovery that eventually cast her out of her home at age sixteen and into a world that she knew nothing about. Yet, with the help of her faith and her remarkable strength in character, Barbara Jean somehow overcame her difficult upbringing to become a loving mother and wife, a successful career woman, and an advocate for other victims of child abuse. What she did not know is that the repercussions of her own abusive experience would continue to compromise her health and well-being every day of her life. *Compromised* is an empowering story of surviving childhood sexual abuse in spite of the odds, and the pivotal role that which the author's faith in God plays throughout her life. It is also a story that examines the relationship between mothers and children in our society, and the unique bond between daughter and mother that the author chose to honor.

Stolen Beauty - A.L. Madden 2017-06-02

At a young age, author A. L. Madden was exposed to the kind of inconceivable treatment no one, let alone a defenseless child, should endure. A brutal stepfather with a murky and painful history of his own found himself in an environment in which he continued the cycle of trauma, committing unspeakable acts of sexual and emotional abuse against Madden and her siblings. Meanwhile, her struggling, overworked mother didn't see the pain and damage being inflicted on her children. Madden felt ashamed, hurt, angry, and, most of all, unable to talk to anyone about what was happening. She felt as though it was her fault. The only route to dealing with the anguish was to submerge herself in a distrustful, insecure, depressed state. As have many survivors of abuse, Madden felt

abandoned, unable to see who she really was, unable to hold on to any glimmer of hope. Only through a long soul-searching process that involved a combination of therapy, study, prayer, and the eventual strong faith in the power of her own inner strength and spirit the innocence and beauty she had once possessed as a child was Madden finally able to reach a place of understanding and peace. *Stolen Beauty* tells a poignant story for anyone who seeks guidance through his or her own recovery from abuse or for anyone who works to help survivors and abusers alike.

Bangkok Boy - Chai Pinit 2015-01-07

Bangkok Boy is a heart-rending account of a childhood lost to sexual abuse. Chai was a normal boy until he was molested by a school teacher, an event which led him into the hidden world of male prostitution. His story is not only unique but also offers a shocking insight into the red-light districts of Bangkok and Pattaya. As his story unfolds you'll become privy to the distorted logic which Chai used false justification for his horrible life choices for so long. But paradoxically, it was on the streets that Chai found redemption and decided to recount his dark past in order to move on in hope that, by sharing his story, his life would become something of a lesson to anyone. Beneath all the emotional torment and despair, lies a story of redemption and struggle to rebuild one's life. *Bangkok Boy* is no ordinary book; it is a story of hope and triumph in the face of adversity.

Stolen Tomorrows - Steven Levenkron 2007

Stolen Innocence - Erin Merryn 2010-01-01

Eleven-year-old Erin Merryn's life was transformed on the night she was sexually abused by her cousin, someone she loved and trusted. As the abuse continued, and as she was forced to see her abuser over and over again in social situations, she struggled with self-doubt, panic attacks, nightmares and the weight of whether or not to tell her terrible secret. It wasn't until a traumatic series of events showed her the cost of silence that she chose to speak out-in the process destroying both her family and the last of her innocence. Through her personal diary, written during the years of her abuse, Erin Merryn shares her journey through pain and confusion to inner strength and,

ultimately, forgiveness. Raw, powerful and unflinchingly honest, *Stolen Innocence* is the inspiring story of one girl's struggle to become a woman, and a bright light on the pain and devastation of abuse. *Stolen Innocence* is written with conviction and clarity. [Erin Merryn] doesn't hold back, and I respect her honesty and openness...By the end of the book, I thought I was reading passages from a much older adult than a high school senior. Erin has grown into a strong, wise, intelligent, perceptive, spiritual, caring adult." —Susan Reedquist, The Children's Advocacy Center

Sexual Health Across the Lifecycle -

Margaret Nusbaum 2004-12-02

This is a practical, positive approach to sexual health promotion for clinicians in primary care. It presents sexual concerns across the lifecycle, from childhood to old age, illuminated throughout by scenarios based on real life. It highlights common sexual issues from different age groups and includes chapters on sexuality and disability, sexual minorities, HIV-positive individuals, and complementary medicine. It presents an invaluable resource for all health professionals that spans the needs of patients from all backgrounds and age groups.

An Unimaginable Act - Erin Merryn

2013-11-05

By sharing her personal journey through the pain she has suffered at the hands of her perpetrators, author Erin Merryn proves that one person can make a difference in the lives of others. Simply by speaking out and bringing the subject of child sexual abuse to the forefront, she has created a wave of change—change not only in legislature, but also in the hearts of those around her and the world. In this thought-provoking book, readers will discover an in-depth, personal account of Erin's story and how—through using positive outlets—she was able to rebuild her life and heal from a childhood filled with sexual abuse. Part memoir, part resource guide, Erin shares with readers key organizations that provide essential support for victims and caregivers, warning signs that a child who is being abused might display, and why Erin's Law is so essential.

Stolen Tomorrows: Understanding and Treating Women's Childhood Sexual Abuse -

Steven Levenkron 2008-05-17

"The most practical, down to earth, thoughtful, and sensitive book written on women's childhood sexual abuse."—Samuel C. Klagsbrun, MD From the psychotherapist who offered groundbreaking work on self-mutilation (Cutting) comes a landmark examination of the psychology of sexual abuse. *Stolen Tomorrows* encourages the 20 percent of women who have been abused to think about, talk about, and seek help for what has been their secret shame. In addition to giving therapists and other helpers an empathic insight, *Stolen Tomorrows* will enable the survivor to recognize herself in both her personal history and her current struggle to overcome the legacy of abuse.

Stolen Childhood - Iseult O'Doherty 1998-01-01

Stolen Childhood - Priscilla Musonda

2012-05-01

Priscilla Musonda has no idea how she survived such a hard life, but she knows why. The survivor of a lifetime of sexual abuse, she has grown to serve as a beacon for other child victims. In *Stolen Childhood*, she shares chilling, detailed accounts of her life in Zambia as the sexual slave of her father. The abuse began when she was just five years old, and as a result, her relatives shunned her and predicted that she would never marry. She struggled to complete her education as the nightmare continued. As a teen, she was forced to marry her own father, a polygamist with three other wives. She bore him four children who have also been shunned by her family. Desperate, she ran away to live on the streets. Her life was grim, but not as grim as the future they predicted for her. But Priscilla is a survivor, not a victim. She dreams of building a sanctuary, school, and psychosocial centre in Zambia. She shares her story with strong language and imagery, to help the reader truly understand what she went through. She wants to do everything she can to get others to take the claims of children seriously. Ten percent of the proceeds from the sale of her story will go to benefit the work of PSHAF.

How to Rise Above Abuse - June Hunt

2010-09-01

With nearly 150,000 books sold, Christian counselor June Hunt has fast become a favorite for readers seeking biblical counsel for their problems. In *How to Rise Above Abuse*, June

offers compassionate, practical guidance for the tough issues of verbal and emotional abuse, spouse abuse, childhood sexual abuse, rape recovery, victimization, and spiritual abuse. Readers will learn the definitions, characteristics, and causes that, once understood, empower them to take steps toward lasting solutions. They'll find out how to... identify and deal with unresolved anger, grief, or pain rely on Christ for strength when they have none forgive their offender and help other victims regain confidence, hope, and peace for the future place complete trust in God at all times Only the Lord Jesus Christ can heal broken hearts. This book for counselors and counsees will show how those who are hurting can yield to His care.

Just A Boy - Richard McCann 2020-04-02

One October night in 1975 Richard, aged five, was alone in the house with his three sisters. It was 3am and their mother hadn't come home yet. Next morning, the police arrived to take the children away. Their mother had become the first victim of a serial killer soon to become known as the 'Yorkshire Ripper'. Passed from one violent home to another, the children were forgotten by all except the press. As the salacious headlines multiplied, Richard and his sisters were never able to recover from their mother's murder. Whilst Richard tried to handle the terror of his violent upbringing, his sister struggled to deal with memories of sexual abuse. Without love or support they spiralled away from help or happiness. Then one day Richard McCann, having reached suicidal rock bottom, decided no one was going to rescue their lives but him. It was the beginning of an inspirational transformation. Now he is able to tell the story of how the forgotten children of violence suffer, and how they can heal. A heartbreaking, uplifting story of survival and hope.

Stolen Childhood - Alice Huskey 1990

Alice Huskey tells her own story and provides much-needed information and reasoned counsel for all who are concerned about child sexual abuse. 181 pages, paper

Stolen Childhood - Priscilla Musonda 2012-04

Priscilla Musonda has no idea how she survived such a hard life, but she knows why. The survivor of a lifetime of sexual abuse, she has grown to serve as a beacon for other child

victims. In *Stolen Childhood*, she shares chilling, detailed accounts of her life in Zambia as the sexual slave of her father. The abuse began when she was just five years old, and as a result, her relatives shunned her and predicted that she would never marry. She struggled to complete her education as the nightmare continued. As a teen, she was forced to marry her own father, a polygamist with three other wives. She bore him four children who have also been shunned by her family. Desperate, she ran away to live on the streets. Her life was grim, but not as grim as the future they predicted for her. But Priscilla is a survivor, not a victim. She dreams of building a sanctuary, school, and psychosocial centre in Zambia. She shares her story with strong language and imagery, to help the reader truly understand what she went through. She wants to do everything she can to get others to take the claims of children seriously. Ten percent of the proceeds from the sale of her story will go to benefit the work of PSHAF.

Lost Innocence - Geraldine Cool 2009-11-20

Lost Innocence is the unforgettable account of a child's life, who was sexually, physically and mentally abused. Through her struggles you will feel her pain, her loneliness and fighting for her life. Imagine a young girl forced into submission and ordered to perform adult acts. Her own possession: loneliness and fear. Im still here after years of you trying to break me. One day youll see, I will make something of myself. Geraldine Cool tells of the courageous and moving story of her abusive childhood. Here is a horrifying glimpse of what went on behind closed doors. It is her touching account and testament to the strength of the human heart and its capacity to triumph over unimaginable trauma. She had nothing and no one to turn to but her dreams kept her alive. Dreams of one day being loved, honored and cherished by a special angel. Experiencing the instability of three foster homes, a detention home and a mental hospital. People thought foster kids were nothing but trouble and unworthy of being loved just because she wasn't part of a Real Family". Forced to suffer shame. Devastation, tears and hope create the journey of this severely abused child.

Holy Terrors - Michael Clemenger 2014-08-27
'Which of us do you prefer?' As a baby, Michael

Clemenger was handed over to the unloving care of a religious-run children's home. Aged eight, he was transferred to St Joseph's Industrial School in Tralee, Co. Kerry. Chosen as their 'favourite' by two Christian Brothers, Michael endured years of sexual abuse at the hands of both men. Brother Price would strike at night, while Brother Roberts took his pleasure in a weekly bathtime ritual. And even their 'protection' did not save the boy from merciless

beatings at the hands of other sadistic Brothers in the notorious institution. Despite the unbelievable trauma of his early life, Michael emerged unbroken, determined to make something of himself, and also to find the mother he had never known. A story of remarkable spirit and courage, set against a background of the prejudices and neglect of Irish society in the 1960s.
