Choices - Katrina L. Burchett 2007-08-01

Choices is a thought-provoking story about five teenage girls in the city of York, Pennsylvania, and how the issue of teen sex affects each of their lives....Shauntice Johnston has faith in God but the world of domestic abuse she lives in has left her with very little faith in the male gender. And then comes Terry and her obedience to God's Word (flee fornication) is tested. Angel Nichols doesn't know her earthly father, doesn't care about the heavenly Father and feels neglected by her workaholic mother. She has had numerous sex partners since she was thirteen, trying to fill the void inside of her. LaKeeta Wilson is a Christian, but instead of doing it God's way and waiting for marriage she purposefully became pregnant out of wedlock. Bridgette Anderson practices abstinence in obedience to God and no matter what she will not compromise her beliefs. But this saint still has her flaws. Hope Patterson is a plain dressing, soft spoken, timid Christian girl who lives a sheltered life because of her strict mother. The word sex wasn't in her vocabulary until she suffered the loss of her father.

The program deals with a variety of topics including: what to do on a date; how to tell the difference between love, infatuation, and exploitation; premarital sex; contraception; abortion; adoption and teen parenting; homosexuality; and setting personal moral limits and holding to them. The Leader's Manual contains all the materials necessary to successfully present the program in a classroom, retreat, or youth ministry setting: a wide variety of learning activities, reflection exercises, and leader presentations, as well as prayer exercises, games, and much more. Church teaching on sexuality is referenced, especially to the Catechism of the Catholic Church. The Participant Book presents the core content of each chapter in narrative form for use and reference during the program. Journal questions with each chapter help teens to personalize the material. A Note to Parents in each chapter offers a synopsis of the chapters.
