Most of these questions were repeated, sometimes with slight differences, to analyze trends in behaviors. 40 Signs That You Are Trapped In A Time Pass Relationship - Young Gummo 2021-04-29

How to Tell if a Man Wants You for a Lifetime or Only for the Moment Men don't really have "commitment issues." At least, not in the way most women think men do. When a man tells you he has "commitment issues", there's a good chance that what he REALLY means is he's not that interested in you and is just using you to pass time with until he meets the right person. When a man isn't interested in a relationship with you, his "commitment issues" are nothing but an excuse to waste your time and reap the benefits of your decision to stay with him in order to "see where this thing goes." Women often wonder why men pull away and lose interest in a blossoming romance without so much as a warning. Though there could be a ton of reasons why a man might pull away, the common reason for his loss of interest is this: he wasn't THAT

interested in you, to begin with. How to Avoid Dating Men Who Will Keep You Unloved and Perpetually Unclaimed In this book, you'll get an inside look at how a man thinks and interacts with a woman when he's not that interested in her. This sort of male behavior is actually easy to spot IF you know what to look for. It's extremely difficult for a man to waste your time and treat you like a short-term plaything without exhibiting certain unmistakable behaviors that clearly communicate that he's trying to keep you interested...but unclaimed. Here's what you're going to learn inside: ♦The seductive language men use when they want to discourage you from wanting a COMMITTED relationship. ♦How quickly learning this ONE thing about him can tell you if he's "unequipped" to handle a serious relationship. ♦The pattern in a man's dating history that IMMEDIATELY reveals if he's a commitment-phobic time waster. ♦How to avoid being confused by men who might love you tenderly, but would NEVER make you their girlfriend. ♦How to stop losing sleep wondering "DOES HE LIKE ME?" and get him to either take you seriously or take a hike! ♦How observing this simple behavior reveals if he thinks you're "THE ONE" or just "Some One" to pass time with until he finds his Ms. Right. ♦The relationship red flags for recognizing a DEAD ON ARRIVAL romance so you don't end up wasting your time. ♦How to tell if a man is still secretly IN LOVE with his ex and is only one sad love song away from abandoning YOU for HER. ♦And much, much more...

There are things men love about women, that they can't show or know how to express into words. Men are simple creatures and are easy to understand, but the problem is, there's no one to show women what men think about that they like. Until NOW. In this book you're about to discover what EVERY MAN wants from the woman he's in love with...but just can't find the words to tell her. Most of what is revealed in this book are either things men want but don't know they want...or want from their woman but don't know how to tell her. Friends Into Lovers - Pamela Johnstone

Ah, the dreaded 'friend zone'... it's a situation where someone you're attracted to - and want to have a romantic and/or sexual relationship with - is only interested in you as a 'friend.' You don't know how you got there, you don't know why you got there, but you're there... and you want out! Almost every guy, and even many women, have been in a situation where they've wanted to be more than 'just friends' with another person. And yet, for some reason, nothing they've tried has worked. Moreover, they always have to tip-toe around the situation because they don't want to lose the friendship by making the wrong move. It truly is a horrible place to be stuck in...to be around someone, to be so close to them in proximity, and even share so much of your lives with each other... and yet, what you really want from them is off limits. Since you're reading this report, there is a very good chance that... a. you have a current friend that you'd like to turn into your lover and/or girlfriend, b. you used to date and/or sleep with someone who now wants to be 'just friends,' c. you have been in one of the above situations in the past, maybe more than once, and you'd like to learn how to avoid it from happening during your future interactions with others, or... d. you've seen this happen to other people, where they end up in the 'friend zone'...and you want to be pre-emptive about it, so you can be prepared if it ever happens to you. Whatever your situation may be, this report will arm you with some powerful knowledge, as well as some cutting-edge seduction and persuasion strategies, which will easily help you to get out of the 'friend zone' and/or ensure that you never end up being 'just friends' with someone you are attracted to. And, if you have ever wondered why or how it happens in the first place, this

report will also help you to finally understand why so many guys seem to always end up in the 'friend zone' by accident, even when you really don't want to. (That giant mystery will be solved in this report, once and for all.) Just as I do in most of my reports, I will start this one out by sharing some of the 'quick and easy' techniques with you. These will include tips you can put to use right away, and see results almost overnight. Then, I will cover some of the more advanced stuff, including powerful persuasion techniques, which may require a bit more work on your part to execute. But they will be well worth your time and energy investment, because the results they produce will be quite amazing. But, before we start getting into the techniques and strategies of how to turn a friend into a lover or girlfriend, there's something very important that we need to discuss first. Please do not skip over the next section - or any of the sections in this report, for that matter. If you do, you will only be hurting your own chances of making this process work effectively.
