Last Girl Before Freeway -
Leslie Bennetts 2017-11-14
The definitive book about Joan
Rivers' tumultuous, victorious,
tragic, hilarious, and
fascinating life. Joan Rivers
was more than a legendary
comedian; she was an icon and
a role model to millions, a
fearless pioneer who left a
legacy of expanded opportunity

when she died in 2014. Her life was a dramatic roller-coaster of triumphant highs and devastating lows: the suicide of her husband, her feud with Johnny Carson, her estrangement from her daughter, her many plastic surgeries, her ferocious ambition and her massive insecurities. But Rivers' career was also hugely significant in American cultural history, breaking down barriers for her gender and pushing the boundaries of truth-telling for women in public life. A juicy, intimate biography of one of the greatest comedians ever—a performer whose sixty-year career was borne, simply, out of a desire to make people laugh so she could feel loved—LAST GIRL BEFORE FREEWAY delves into the inner workings of a woman who both reflected and redefined the world around her.

Girls Before Earls - Anna Bennett 2021-12-28

"Irresistibly angsty...will keep historical romance fans hooked." —Publishers Weekly (Starred Review) Girls Before

Earls is the delightful first novel in the Rogues to Lovers series from romance author Anna Bennett. WHAT A GIRL WANTS To survive her difficult childhood, Miss Hazel Lively relied on two things: a tough exterior and a love of books. Now, she's realized her life-long dream of opening a school for girls. She's hoping the wealthy families who summer at the shore will entrust their daughters to Bellehaven Academy—and help pay for less fortunate students. All Hazel must do is maintain a flawless reputation. It's a foolproof plan...until a handsome earl strides into her office. WHAT AN EARL NEEDS Gabriel Beckett, Earl of Bladenton, has had a monstrous headache since the day his teenaged niece became his ward. She's already been expelled from two London schools, but Blade is determined to enroll her at Bellehaven Academy, where she'll be out of his hair. If only he can convince the buttoned-up—and unexpectedly intriguing—headmistress to take a risk. LEAD TO AN

IRRESISTIBLE DEAL Blade makes an offer that's impossible for Hazel to refuse, but she has one condition: the earl must visit his niece every other week. Soon, Blade discovers there's more to Hazel than meticulous lessons. Their sparring leads to flirtation...and something altogether deeper. But the passion that flares between them poses a threat to Hazel's school and Blade's battered heart. They say a good thing can't last forever, but true love? Well, it just might... "An utter delight until the very last page." —BookPage "A fantastic storyteller. —Fresh Fiction "This enjoyable tale of two people living full lives and finding unexpected love is a great kick-off for Bennett's new Rogues to Lovers series." —Booklist

The Girl I Was Before -

Ginger Scott 2015-06-23

I'm the selfish one. I suppose that's the nicest thing people say about me. I've heard the other things, too. "Paige Owens is a pretty girl with nothing else to offer. She's just a good

time at a party. She's stupid, heartless, cold and useless. All she cares about is getting a guy to look at her. Why would anyone want to be her friend?" Some of those things are true. Others were true. They're all hurtful. None of it matters. I'm ready to make the hard choices. I'm ready to face the consequences. I'm ready to be the girl I was before, and I'm done being the one who lost her way. I'm ready to become the girl Houston Orr sees when he looks at me. Houston isn't a star athlete. He doesn't play in a band. He's never going to be president, and his life is so far away from simple and easy it isn't even funny. He wasn't part of my plan. But I'm starting to think plans are overrated, and maybe our stories are what we make them. And mine depends entirely on me, and the choices I make...starting now. Houston is my fairytale. He's perfectly imperfect. He's poetry and life. He's truth and heartbreak, all rolled up in a tall body with dark hair, broad shoulders and green eyes that lull me into

submission. He's nothing I ever thought I wanted, but the very thing I need. He's the only guy I've ever really loved, and he thinks I'm a princess. I fell into him, and now I'm holding on. But sometimes life takes away our ability to choose.

Sometimes...things aren't in your control. Sometimes, it hurts to be selfless. My only hope is that when it comes time to choose, I get it right. Welcome to my once upon a time and wish for happily ever after.

Playing Nice - JP Delaney

2020-07-28

A couple's pleasant little life is upended by the revelation that their son was switched at birth in this gripping psychological thriller from the New York Times bestselling author of *The Girl Before*. Pete Riley stays at home; his partner, Maddie, is the breadwinner. He spends his days browsing parenting blogs, where no concern is too trivial, and pacifying their rambunctious son, Theo. Then, one day, a knock at the door. Miles and Lucy, a posh and near-perfect couple, tell Pete something shocking: Theo isn't his son. Their children were switched at the hospital. At first, the couples are determined to reach a mutual agreement. They're all nice, rational people--surely they can sort this out between them. But soon their precarious arrangement--of babysitting, play dates and shared parenthood--begins to erode under the weight of perceived slights, hidden anxieties and petty jealousies. It isn't long

before Miles reveals himself to be cold, commanding and aggressive. When he brings a custody case against the Rileys, suddenly their parenting abilities are under suspicion and their private lives become ammunition. That's when their damaging secrets are exposed, their relationship tested to its breaking point. They might teach their son to share and behave, to say "please" and "thank you," but when it comes to protecting their little family, Pete and Maddie are through with playing nice.

The Girl Before - Rena Olsen

2016-08-09

In this powerful psychological suspense debut, when a woman's life is shattered, she is faced with a devastating question: What if everything she thought was normal and good and true...wasn't? Clara Lawson is torn from her life in an instant. Without warning, her home is invaded by armed men, and she finds herself separated from her beloved husband and daughters. The last thing her husband yells to her is to say nothing. In chapters that alternate between past and present, the novel slowly unpeels the layers of Clara's fractured life. We see her growing up, raised with her sisters by the stern Mama and Papa G, becoming a poised and educated young woman, falling desperately in love with the forbidden son of her adoptive parents. We see her now, sequestered in an institution, questioned by men and women who call her a different name—Diana—and who accuse her husband of unspeakable

crimes. As recollections of her past collide with new revelations, Clara must question everything she thought she knew, to come to terms with the truth of her history and to summon the strength to navigate her future.

The author of *Conversations with a Fat Girl*—optioned for HBO—returns with the hilarious and heartfelt story of a woman who must learn how to be the heroine of her own life—a journey that will teach her priceless lessons about love, friendship, family, work, and her own heart. An account executive in a *Mad Men* world, Anna Wyatt is at a crossroads. Recently divorced, she's done a lot of emotional housecleaning, including a self-imposed dating sabbatical. But now that she's turned forty, she's struggling to figure out what her life needs. Brainstorming to win over an important new client, she discovers a self-help book—*Be the Heroine, Find Your Hero*—that offers her unexpected insights and leads her to a most unlikely place: a

romance writers' conference. If she can sign the Romance Cover Model of the Year Pageant winner for her campaign—and meet the author who has inspired her to take control of her life—she'll win the account. For Anna, taking control means taking chances, including getting to know Sasha, her pretty young colleague on the project, and indulging in a steamy elevator ride with Lincoln Mallory, a dashing financial consultant she meets in the hotel. When the conference ends, Anna and Lincoln must decide if their

intense connection is strong enough to survive outside the romantic fantasy they've created. Yet Lincoln is only one of Anna's dilemmas. Now that her campaign is off the ground, others in the office want to steal her success, and her alcoholic brother, Ferdie, is spiraling out of control. To have the life she wants—to be happy without guilt, to be accepted for herself, to love and to be loved, to just be—she has to put herself first, accept her imperfections, embrace her passions, and finally be the heroine of her own story.
