El Lenguaje del sexo - Guía de Estudio Ted Cunningham 2009-06-07 Gary Smalley, experto en relaciones personales y autor de los éxitos de librería *La bendición* y *El lenguaje del amor*, finalmente habla de un tema que está en la mente de todos: las relaciones sexuales. Con su pastor y amigo Ted Cunningham, Smalley se abre paso más allá de nuestros prejuicios para responder a la pregunta: ¿Cómo puedo tener las mejores relaciones sexuales de mi vida? La respuesta tal vez le sorprenda. ¿Sabía usted que las grandes relaciones sexuales empiezan con la seguridad, lo que lleva a la intimidad, lo que a su vez conduce a unas relaciones sexuales increíbles? Es solo cuando le damos un vistazo honesto a las diferencias entre hombres y mujeres, y hallamos maneras de salvar la brecha, que podemos producir la seguridad y la intimidad que necesitan las grandes relaciones sexuales para florecer. En *El lenguaje del sexo*, Smalley y Ted Cunningham van quitando las capas de misterio y nos muestran cómo hacer precisamente eso.

The Transformation of Intimacy Anthony Giddens 2013-04-23 The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

Passion Pursuit Linda Dillow 2013-07-22 A Bible study about sex for women? Now that's different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God's Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine. Picture that as a headline on the cover of *Cosmopolitan*! By using scripture throughout the Bible, *Passion Pursuit* not only urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr. Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next!

Desire Study Guide John Eldredge 2007-10-14 "Above all else," Scripture urges, "guard your heart, for it is the wellspring of life" -Proverbs 4:23 But how? How do we follow this warning? How do we protect our hearts in this dangerous story in which we live? It all depends, says John Eldredge, on how you handle desire. "How you handle your heart's desire is how you handle your heart. And how you handle desire also reveals what you think of God. We've been told to kill desire and call it sanctification. But there is another way." In this companion to the book *Desire*, Craig McConnell and John Eldredge show you the path to a deeper, more passionate, and more fulfilling walk with God by helping you recover and navigate the deep desires of your heart. Designed for personal use and for study groups, this guide will help you: Uncover the desires God has placed in your heart when he made you. Resurrect your heart from disappointment and unmet desire, so you can hope and dream again. Expose the impostors that cheat our desires and trap our hearts in addiction. Embrace desire as an act of faith. Walk with God in the journey of desire.

In this new, paradigm-shifting book, they show you how to develop a see-through marriage, one that is marked by full transparency and confident vulnerability. Sex, God, and the Conservative Church Tina Schermer Sellers 2017-04-21 Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

Sacred Sex Tim Alan Gardner 2009-01-16 For years, Christians have been told that sex is God's creation, designed by him as a gift to husbands and wives. Yet few couples actually experience sex as a spiritual, God-ordained experience. Rather than admit their lack of fulfillment, many couples hide their disappointment and confusion, while others attempt to solve the problem through better sexual technique. Unfortunately, all the advice on improved technique fails to explain the one thing that makes sense of it all. Despite the proliferation of resources to enhance sexual satisfaction, couples continue to struggle in their sexual relationship. In fact, author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting, energizing, and soul-touching physical bond. But now, that can change. A couple's sexual relationship has a far higher purpose than pleasure or procreation. Scripture makes it clear that sex is the one thing on earth that joins two people into one. Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness. Sacred Sex shows how they can experience a beautiful, God-ordained life of intimacy that blesses them far beyond the bedroom walls, serves as an act of worship to God, and touches their hearts and souls in ways they never could have imagined.

Sex and the Supremacy of Christ John Piper 2005-06-14 The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all-men and women, married and single—from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others.
