Kisses from Katie - Katie Davis 2013-01-18

Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

The Book that Made Your World - Vishal Mangalwadi 2012-10-24

Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, The Book That Made Your World will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his

own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: "This is an extremely significant piece of work with huge global implications. Vishal brings a timely message." (Ravi Zacharias, author, Walking from East to West and Beyond Opinion) "In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible's profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism." (Stanley Mattson, founder and president, C. S. Lewis Foundation) "Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization." (George Marsden, professor, University of Notre Dame; author, Fundamentalism and American Culture)

I Love Jesus, But I Want to Die - Sarah J. Robinson 2021-05-11

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Strike the Rock and There Shall Come Water - Arie S. Issar 2013-10-11

This book presents an update and revision of the book *Water Shall Flow from the Rock - Hydrogeology and Climate in the Lands of the Bible* by A. Issar, published by Springer-Verlag in 1990. The enormous quantity and quality of new data added since 1990 called for a thorough update. Another reason for this work is the better understanding achieved since the initial book was published about the role which climate plays in shaping the history of the Lands of the Bible. Albeit the fact that the impact of climate change was touched upon rather widely in the first book, still, without interweaving the new data and understanding, the picture would have remained partial.

The Text of the Earliest New Testament Greek Manuscripts - Philip Wesley Comfort 2019-10-22

The manuscripts that form the Greek New Testament are scattered throughout the world and are usually only accessible to scholars and professionals. These were the manuscripts read by the earliest Christians, which comprised their "New Testament." In his volumes, Philip Wesley Comfort bridges the gap between these extant copies and today's critical text by providing accurate transcriptions of the earliest New Testament manuscripts, with photographs on the facing pages so readers can see the works for themselves. Comfort also provides an introduction to each manuscript that summarizes the contents, date, current location, provenance, and other essential information, including the latest findings. This allows students and scholars to make well-informed decisions about the translation and interpretation of the New Testament. Volume 1 includes manuscripts from Papyrus 1-72. Volume 2 includes manuscripts from Papyrus 75-139 as well as from the uncials. In addition, it features a special section on determining the date of a manuscript. This two-volume set replaces the previously published single volume *Text of the Earliest New Testament Greek Manuscripts*, as it contains many new manuscripts, updated research, and higher quality images of all manuscripts previously covered.

Daring to Hope - Katie Davis Majors 2017-10-03

New York Times bestseller How do you hold on to hope when you don't get the ending you asked for? When Katie Davis Majors moved to Uganda, accidentally founded a booming organization, and later became the mother of thirteen girls through the miracle of adoption, she determined to weave her life together with the people she desired to serve. But joy often gave way to sorrow as she invested her heart fully in walking alongside people in the grip of poverty, addiction, desperation, and disease. After unexpected tragedy shook her family, for the first time Katie began to wonder, Is God really good? Does He really love us? When she turned to Him with her questions, God spoke truth to her heart and drew her even deeper into relationship with Him. *Daring to Hope* is an invitation to cling to the God of the impossible—the God who whispers His love to us in the quiet, in the mundane, when our prayers are not answered the way we want or the miracle doesn't come. It's about a mother discovering the extraordinary strength it takes to be ordinary. It's about choosing faith no matter the circumstance and about encountering God's goodness in the least expected places. Though your heartaches and dreams may take a different shape, you will find

your own questions echoed in these pages. You'll be reminded of the gifts of joy in the midst of sorrow. And you'll hear God's whisper: Hold on to hope. I will meet you here.

The International Standard Bible Encyclopedia - Geoffrey William Bromiley 1979

A comprehensive biblical reference includes a wide range of articles about people, places, customs, events, religious concepts, and philosophical ideas mentioned in the Scriptures.

Fire Bible - Donald Stamps 2007
