**The Spell of the Sensuous** David Abram 2012-10-17 Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patterns) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which--even at its most abstract--echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

Though several men have taken me aside for an hour to tell me things they know' The Book of Shadows contains several hundred reflections and aphorisms on love, God, art, sex, death, work, and the spirit, imagination and conduct of the human animal. Writing with the same mixture of high seriousness, dark humour and lyric precision that define his poetry, Don Paterson has made a book to carry everywhere and open anywhere - to brighten or darken the moment, but always to administer a jolt to the idling mind. 'Falling and flying are near-identical sensations, in all but one final detail. We should remember this when we see those men and women seemingly in love with their own decline'

*Hooked* Emily McIntire 2021-09-07 He wants revenge, but he wants her more. Once Upon A Time, there was a little boy. His belly full of laughter, his life full of joy. Until one day, something changed; stripped his innocence away. The hole inside making space for the devil to come and play. His dreams gone forever, he grew up way too fast. An endless night of crocodiles, and watches made of glass. He grew into a villain, the taste of vengeance on his tongue. Craving to make his enemies pay for the misdeeds they had done. Instead he found a darling girl, and refused to let her go. For what better way to make the man pay, than to steal his little shadow. \*Hooked is a full-length, complete standalone and the first in The Never After Series: A collection of fractured fairy tales where the villains get the happy ever after. This is a DARK Contemporary romance (not fantasy) featuring mature themes and content that may not be suitable for all audiences. Reader discretion is advised.\*

*Secret of a Thousand Beauties* Mingmei Yip 2014-12-01 Set against the vibrant and intrigue-laden backdrop of 1930s China, Mingmei Yip's enthralling novel explores one woman's defiant pursuit of independence. Spring Swallow was promised in marriage while still in her mother's belly. When the groom dies before a wedding can take place, seventeen-year-old Spring Swallow is ordered to become a ghost bride to appease his spirit. Under her in-laws' protection, she will be little more than a servant, unable to know real love or bear children. Refusing to accept her fate as a "bad-luck woman," Spring Swallow flees on her wedding day. In the city of Soochow, Spring Swallow joins a community of renowned embroiderers. The women work for Aunt Peony, whose exquisite stitching once earned her the Emperor's love. But when Aunt Peony agrees to replicate a famous painting--a lucrative assignment that will take a year to complete--betrayal and jealousy emerges within the group. Spring Swallow becomes entangled in each woman's story of heartbreak, even while she embarks on a dangerous affair with a young revolutionary. On a journey that leads from the remote hillsides around Soochow to cosmopolitan Peking, Spring Swallow draws on the secret techniques learned from Aunt Peony and her own indomitable strength, determined to forge a life that is truly her own. Praise For The Novels Of Mingmei Yip "A unique and enthralling style. . .flawless."
