**Flyin' West and Other Plays** Pearl Cleage 2022-08-30 “Pearl Cleage is a passionate, challenging playwright whose concerns for the species are unmistakable and profound. As a woman, as an African-American, her artistic objectivity and sensitivity to history combine with, but do not overshadow, her capacity to dig for truth and present it flat out as she sees it - with a finger snap or a shout and sometimes with a wink. Among the most satisfying roles I’ve undertaken on stage is surely Miss Leah in Flyin’ West. She brings the bushel nuggets of drama and humor that capture the ear, the heart and the imagination. She’s devilish, too.” -Academy Award® Nominee Ruby Dee “Ms. Cleage writes with amazing grace and killer instinct.” -Alvin Klein, New York Times “Pearl Cleage is a brilliant storyteller. I am always engrossed in the drama and compassion she brings to her characters. Flyin’ West, Bourbon at the Border, Blues for an Alabama Sky, Late Bus to Mecca and Chain are marvelous examples of a playwright at the top of her form, bravely moving into the new century.” -Woodie King, Jr., Producing Director, New Federal Theatre Pearl Cleage’s body of work for the stage provides us with a remarkable and penetrating look at the African-American experience over the last 100 years. This volume collects her major full-length plays and one-acts, including Flyin’ West, Blues for an Alabama Sky, Bourbon at the Border, Chain and Late Bus to Mecca. PEARL CLEAGE is an Atlanta-based writer whose recent plays have premiered at The Alliance Theatre Company with subsequent productions throughout the country. Her first novel What Looks Like Crazy on an Ordinary Day was a recent Oprah’s Book Club Selection and a national bestseller. She is a former columnist of the Atlanta Tribune and a contributor to Essence Magazine.

David Lesser's pioneering work into the understanding of the subconscious and how to actually identify and correct the cause of symptoms remains the foundation of Curative Hypnotherapy to this day. The understanding and application of this fascinating therapy continue to advance, but the concepts so simply explained in this, his first book on the subject, provide an excellent introduction to what is now known as 'Lesserian Curative Hypnotherapy'.

the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.
