How to Seduce Hot Women Online - Kent Lamarc 2013-06-08

I've been banned more than 5 times, nearly always in less than 2 weeks, and for one reason only - I was picking all the women I wanted from many online platforms. Most of these websites were not for dating, and many of the women I met had boyfriends or husbands, but this didn't stop them from contacting me and go out on a date. In this book, I reveal the secret that allowed me to pick-up dozens of beautiful women from many websites, and that allowed acquaintances to do it faster than me from Facebook and other more popular platforms. The secrets here revealed are so effective that quickly draw the attention of everyone, both jealous men and competitive women. In the end, it's a race against time, while the men try to put you out of the competition in every way they can, and women make you so popular that you start receiving

invitations to talk privately online and go on dates with those you haven't had to say whatsoever. This is about a female magnet that works every single time, even though it will eventually make you get banned as well. But, who cares about being banned, once your mobile is full of numbers of hot women and most of them expect to become your girlfriend or at least sleep with you? Don't be fooled about how simple these strategies may seem! Every single pick-up artist that teaches you online dating is either using part of them or all at the same time. Game on!

How To Pick Up Spanish Girls - Yoonj Kim 2012-02-08

ABOUT THE BOOK España. The country's Spanish name rolls off the tongue so easily, provoking images of a lazy afternoon during siesta as warm breezes gently stir you awake. Upon awakening, you would stroll over to the nearest restaurant on Las Ramblas, Barcelona's most famous street, and sit down for some steaming-hot tapas. As you knock back a glass of wine while waiting for your order, the thought hits you: if only you had a lovely Spanish lady by your side to complete this perfect moment. This book will attempt to help you find that dark-haired, boisterous woman of your dreams. Playboys and voyeurs, however, beware. Since this guide is written by a girl, respect and good intentions will be requirements on the journey. But if you heed my woman's intuition to the end, with a little bit of luck and the key foreign language phrases in this book, you will be successful no matter what your aim, be it a first date or long-term relationship. MEET THE AUTHOR Having trudged through four continents and lived in two countries by the age of 21, Yoonj considers herself a citizen of the world. It is through this perspective that she approaches everything in her life, including writing. Having studied journalism and international studies at Northwestern University, she is keen to tell stories of people and events around the world. She has previously written for The Chicago Tribune, The Orange County Register, and dabbled in documentary production at CNN. Her next stop will be e.tv, a television channel in Johannesburg, South Africa, where in her free time she hopes to indulge her other interests of food, drink, and dance. EXCERPT FROM THE BOOK So you're at the club, or cafe, or whatever your social venue of choice is, to meet people. You look around and spy over in the corner a tanned shoulder, dark eyelashes, a beautiful smile. A chica bonita. You're dying to go over and talk to her but you have absolutely no idea what to do, what to say, or even which smile to give her. My advice to you: have no worries. Spanish girls, at least the many I've met through traveling, possess a wonderful combination of qualities: they stay relaxed while being vivacious talkers.

All you will need is an interesting fact about yourself, so you're basically covered since by virtue of being a foreigner in Spain (or Mexico, or any other Spanish-speaking country), you're instantly interesting. Use that to your advantage, since one of the best ways to experience a new country is to meet new people. Now all you need to do is straighten your collar, fix that cowlick, and head on over to her armed with these Spanish terms. Buy a copy to keep reading!

How to Be Single - Kent Lamarc 2016-08-29

Everything seems cool when you have a hot girlfriend next to you. Men look at you with jealousy and water in their mouth, wondering what you have that they don't. But it's not cool when, inside walls, she's a bitch dragging you down and destroying you completely, both mentally and physically, while demanding children and marriage as if you were just a sperm machine. And it is even worse when you dump her and realize that your friends live in a worse situation and have absolutely no idea about how to be single or even deal with their crazy girlfriend when they have one. And well, this is why I wrote this book, for you to wake up and stop being a dork with false pride expecting the right woman to fall from the sky.
