

Adults Need Sex Education Too

Touchy Subject - Lauren Bialystok 2022-12-23

A case for sex education that puts it in historical and philosophical context. In the United States, sex education is more than just an uncomfortable rite of passage: it's a political hobby horse that is increasingly out of touch with young people's needs. In *Touchy Subject*, philosopher Lauren Bialystok and historian Lisa M. F. Andersen unpack debates over sex education, explaining why it's worth fighting for, what points of consensus we can build upon, and what sort of sex education schools should pursue in the future. Andersen surveys the history of school-based sex education in the United States, describing the key question driving reform in each era. In turn, Bialystok analyzes the controversies over sex education to make sense of the arguments and offer advice about how to make educational choices today. Together, Bialystok and Andersen argue for a novel framework, Democratic Humanistic Sexuality Education, which exceeds the current conception of "comprehensive sex education" while making room for contextual variation. More than giving an honest run-down of the birds and the bees, sex education should respond to the features of young people's evolving worlds, especially the digital world, and the inequities that put some students at much higher risk of sexual harm than others.

Throughout the book, the authors show how sex education has progressed and how the very concept of "progress" remains contestable.

Sex Education 101: Approachable Essays on Folklore, Culture, & History - Jeana Jorgensen 2023-11-11

Do you look back at your sex ed classes and wonder WTF?! Are you a parent looking at your kid's curriculum and asking the same question? *Sex Education 101* is less of a how-to of sex education and more of a why. Why does abstinence-only sex ed receive so much federal funding?

Why do instructors show gross images of STIs to scare students? And the answers, believe it or not, have a lot to do with folklore.

Folklore—informally transmitted traditional culture—has a lot to say about sex. And it is often people's first point of contact with information and messages about sex. Folklore encompasses urban legends, moral panics, and rumors, which influenced early U.S. policies around sex, and also includes jokes, raunchy folk songs, and beliefs and slang about menstruation or STIs. And thus, folklore shapes sex ed classrooms and school sex ed policies. This book is a series of essays for anyone interested in folklore about sex, the history of sex education, and how we keep repeating history from 100 years ago in our approaches today. Whether you are a scholar of books or a scholar of life (or both), you'll find something satisfying between the sheets of *Sex Education 101*.

[Sex Education Research](#) - William J. Taverner 2023-02-20

Curated by the chief editor of the *American Journal of Sexuality Education*, this book presents engaging and accessible chapters that capture current and essential research findings from leaders in the sexuality education field. William J. Taverner brings together an impressive array of contributors to help sexuality professionals remain up-to-date on the most relevant issues in sex education today. Covering a spectrum of hot sexuality education topics, including abstinence, gender, innovative programs, pleasure, the politics of sexuality education, porn literacy, sexual orientation, and more, each chapter describes key findings on a particular topic, their significance, their practical application, and how these new developments have arrived. The book includes chapters that address individuals across all age ranges, from children to older adults, as well as sexuality education and training programs for specialized professions, such as nurses and school-based

health occupations. Practical and clear, this book identifies priorities and trends in the field, addresses marginalized audiences and overlooked topics, and hopes to encourage important discussions to come. *Sex Education Research: A Look Between the Sheets* provides a wide range of occupations and academic disciplines with a foundation of research essential to their work, such as public health professionals and students of human sexuality, gender studies, biology, psychology, sociology, as well as community educators, school nurses and health teachers, and administrative leaders affiliated with sexuality education programs at community-based organizations.

Research in Education - 1971

Yes, Your Kid - Debby Herbenick, PhD 2023-11-14

Parents of teenagers and young adults have enormous catching up to do to understand how sexting, internet porn, TikTok, and more have shaped sex for young people. Too often, parents wear blinders when it comes to the sex lives of their children. They hear the statistics—how 80% of college students have engaged in rough sex or how one in four teens have sent or received a sext—and think, “Not my kid.” Yes, *Your Kid* is the reality check parents need about what sex is like today—so they can better educate and support their tweens, teens, and college students. Combining insights from cutting-edge research, conversations with real students, and on-the-ground legal experience, *Yes, Your Kid* provides: An overview of key topics in sexuality, from communication and consent to pornography and rough sex, describing how things have changed Real-world legal stories illustrating today’s consensual sex pitfalls and clear tips for how to help your child avoid them Age-appropriate tools to talk with tweens and teens about bodies, puberty, technology, birth control, and consent Concrete advice parents can share directly with their children so that—if and when their children become sexually active with partners—they are more likely to have safer, consensual sex Inclusive sexuality education tips for parents of young people on the autism spectrum Authoritative, supportive, sex-positive, and facts-forward, *Yes, Your Kid* provides parents with the frank, accurate information they and

their children need to safely navigate today’s sexual landscape.

Young People's Views on Sex Education - Dr Lynda Measor
2012-11-12

Based on observation of sex education programmes and in-depth interviews with young people, the authors aim to understand more about adolescent's attitudes to sexuality and their sexual behaviour in order to develop policies which will meet their needs more appropriately and effectively. Issues covered in this interesting and accessible book include the ways adolescent informal culture affects sex education programmes and practice; the impact of gender inequality on sex education and safer sex behaviours; legislation and policy frameworks which effect sex education policies; the way young people see legislation and evaluate sex education programmes; and the impact health professionals can have in school sex education. The authors contend that the insights into the values and views that young people bring to bear on the sex education they receive should have an important role to play in the development of policy and practice of those involved in sex education work.

Sex and Sex Education: a Bibliography - Flora C. Seruya 1972

Over 2000 English language references, some annotated. Classified arrangement. Basically, covers last 25 years with some older works included for historical perspective. Author, title, and analytical subject indexes.

And It Was Very Good - Earthly Parents 2019-01-31

And It Was Very Good is the marital intimacy book written specifically for Latter-day Saints. "A practical, forthright guide to marital sexuality. *And It Was Very Good* offers important sex education and relationship guidance that many Latter-day Saint couples need." --Jennifer Finlayson-Fife, PhD, LCPC, host of the "Ask a Mormon Sex Therapist" podcast. "And It Was Very Good is a valuable resource of clinically accurate and comprehensive sexual education that fits within the value structure of Latter-day Saints. Many problems I see as a sex therapist could be avoided if couples had this type of information prior to or at the beginning of their marital relationship." --Natasha Helfer Parker, LCMFT, CST, host of the "Mormon Sex Info" podcast. By reading *And It*

Was Very Good, an engaged couple will prepare for the wedding night with confidence in the purity of the act. A newlywed couple will join in the marriage bed ready to make the act one of joy. A long-married couple will find new ways to share the act of marriage. And It Was Very Good is much more than the "facts of life." Subjects discussed in detail include the "thou shalt" of marriage, desire, anatomy, foreplay, female pleasure, male pleasure, the wedding night and much more. The frank but respectful advice in And It Was Very Good is presented in a tasteful manner along with framing in gospel principles. All married couples will find themselves drawing closer together by reading And It Was Very Good. And It Was Very Good is a perfect give for an engaged couple, newlyweds, or a spouse.

Handbook of Sexuality-Related Measures - Clive M. Davis 1998

Fundamental to understanding human sexual expression is reliable and valid measurement and assessment. Many instruments have been developed to measure a myriad of sexuality-related states, traits, behaviors, and outcomes. Few are easily accessible and the information is limited concerning appropriate use and psychometric properties. In *Handbook of Sexuality-Related Measures*, more than 200 instruments are reproduced, accompanied by the necessary information for their use in research, as well as educational and clinical settings. Measures relating to more than 50 topics are included. Examples are abortion, aging, arousal, general and specific attitudes and behavior, contraception, dysfunctions, education, experience, gender identity, homosexuality, ideology, jealousy, knowledge, masturbation, orgasm, rape, and sexually transmitted diseases. Each chapter describes the development and appropriate use of each instrument, giving information on timing, scoring, and interpretation. Reliability and validity data are summarized and completely referenced. Nearly all articles include the entire instrument; others provide illustrative content from the instrument and give all necessary information to obtain the instrument.

Consent - The New Rules of Sex Education - Jennifer Lang, M.D. 2018-12-11

A guide to sex education and contemporary sexual ethics answers

common questions that teens have about such topics as dating, relationships, consent, and sexual safety.

Adults Need Sex Education Too - Helen Colton 1974

Sex Ed for Grown-Ups - Jonny Hunt 2021-09-23

When it comes to talking to children and young people about sex and relationships, it is difficult to know what to say. How do you answer their questions? How much is too much? And what is age appropriate? *Sex Ed for Grown-Ups* is an open and honest guide that empowers adults to talk to young people about all things sex and relationships. Written by an independent relationships and sex education consultant, this light-hearted and accessible book encourages grown-ups to think and talk about the topics that scare them the most: from body parts, gender, puberty and first-time sex, to pornography, sexting and knowing what to do when things go wrong. Full of hints, tips and first-hand stories, it is a fun, compassionate and engaging exploration of relationships and sex, which will help adults to fully support young people as they develop a healthy view of both sex and themselves. *Sex Ed for Grown-Ups* is essential reading for parents, teachers, youth workers, social workers and any adult who wants to have well-informed and positive conversations with the children and young people in their lives.

Candidates for Maturity -

ESSENTIALS OF EDUCATIONAL PSYCHOLOGY - S. K. MANGAL 2007-01-05

A harmonious blend of the theoretical and practical aspects of educational psychology, this student-friendly text provides a base for the understanding of the subject. The book discusses the various aspects of growth and development, specifically during childhood and adolescence,

and accords due importance to the cognitive aspect of human behaviour with elaborate text on intelligence, creativity, thinking, reasoning and problem-solving. Besides maintaining a logical progression of topics, the author has interspersed the text with examples and illustrations to provide an in-depth analysis of the subject matter. The book is ideally suited for the B.Ed. and B.A. (Education) courses but can also be a valuable reference for teachers, teacher-trainees, and practising counsellors at various levels of school education. KEY FEATURES • Cogent and coherent style of writing • Assignment problems and sample tests at the end of various chapters • Wide range of examples and over 50 illustrations to support and explain the topics discussed

Social Work and Child Sexual Abuse - David A Shore 2016-01-28

Here is an indispensable book highlighting information on the problem of child sexual abuse for anyone concerned with the welfare of young children. Focusing on the social worker's role in responding to the abuse of children, this highly practical volume assesses the state of knowledge about sexual abuse. It includes reviews of the historical context in which sexual abuse takes place and sheds light on issues surrounding the professional's responses to sexual abuse, alternative models of sexual abuse treatment programs, and practice knowledge developments. The contributors have also addressed a number of clinical issues including family treatment and social work treatment at a juvenile court, as well as the role of the courts and the problem of sexual abuse and sexual education in child-caring institutions.

Sex Ed - Ruby Rare 2022-01-06

Written by sex educator and body-positivity advocate Ruby Rare, *Sex Ed* is the practical and fun guide to sex that you've always wanted - but

never known how to ask for. This is the information you should have been taught at school: a no-holds-barred roadmap that covers everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff - solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. After all, sex education shouldn't start and end with putting a condom on a banana.

The Principles of Pleasure - Laura Rademacher 2017-04-21

There are tremendous benefits to discussing the subject of sexual and emotional pleasure with clients, and this book addresses the challenges and misconceptions of doing just that. Laura Rademacher and Lindsey Hoskins teach the skills necessary for mental health professionals and sex educators to build competence in this work with their clients. Readers get techniques to implement in therapeutic, clinical, and educational settings, and learn how to examine pleasure in ways that are currently lacking from academic work on sexual health. This book covers skills for working with populations of all orientations and gender expressions. Language and phrasing for addressing pleasure issues in a wide variety of educational or therapeutic settings is also provided. Information about sexual lubrication and sex toys that is rarely taught in professional training programs is included, as well as how to appropriately incorporate information about these important sexual tools into your work. Issues such as abstinence, sexual orientation, couple therapy, and sexual education will be discussed outside of the standard medical model of sex therapy. *The Principles of Pleasure* will help you feel relaxed and confident while moving clients and students closer to their pleasure goals, and provides the evidence to back up the importance of talking and teaching about pleasure, should you need to justify this work.
