الصحراء والبدوين في شبه الجزيرة العربية. Clinton Bailey 1991 The desert-dwelling Bedouin have always been a subject of intense fascination. Their culture and ethics are still largely a mystery, both for the peoples with whom they share the Middle-Eastern and African lands, and for those living in the West. Like other non-literate peoples, the Bedouin have a strong oral tradition and use poetry for many forms of communication and entertainment. Clinton Bailey has spent the last twenty years among the Bedouin of Sinai and the Negev studying their culture and recording their poems as recited around campfires. This book presents the fruit of his work: 113 poems reflecting Bedouin attitudes to a variety of personal, social, and political experiences. Each poem is translated into English, appears in Arabic script and transliteration, and is accompanied by an introduction and notes on the cultural, linguistic, and historical background. This thorough and original study makes a vital contribution to our knowledge of the Bedouin, and will be of great interest to Arabists, anthropologists, linguists, sociologists, and all those who visit this part of the Arab world. Dr Bailey has lectured on Bedouin culture and history at various universities, and is a founder of the Museum of Bedouin Culture in the Negev.

*I Put A Spell On You* Nina Simone 1993-08-21 James Baldwin used to tell Nina Simone, "This is the world you have made for yourself, now you have to live in it." Simone has created for herself a world of magnificent peaks. Often compared to Billie Holiday and Edith Piaf, Simone is known as one of the greatest singers of her generation. She has recorded forty-three albums, ranging from blues to jazz to folk, and her hits like "I Loves You, Porgy," "My Baby Just Cares for Me," "I Put a Spell on You," and "Mississippi Goddam" have confirmed her as an enduring force in popular music. Her song "Young, Gifted, and Black" became the anthem for the Civil Rights Movement and thrust her beyond international stardom into the center of activism. But such worlds as Simone's are not without their grim valleys: disastrous marriages, arrest and the threat of imprisonment, mental breakdown, poverty, and attempted suicide. She has survived these trials and continues to perform throughout Europe and the United States. With undiminished passion and in her unconquerable voice, this is Nina Simone's powerful memoir of her tempestuous life.

**The Emerald Tablets of Thoth-The-Atlantean** 2002 The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. **This Music Leaves Stains** James Greene Jr. 2013-02-14 Few bands in the past three decades have proven as affecting or exciting as the Misfits, the ferocious horror punk outfit that lurked in the shadows of suburban New Jersey and released a handful of pivotal underground recordings during their brief, tumultuous time together. Led by Glenn Danzig, a singer possessed of vision and blessed with an incredible baritone, the Misfits pioneered a death rock sound that would reverberate through the various musical subgenres that sprung up in their wake. This Music Leaves Stains now presents the full story behind the Misfits and their ubiquitous, haunting skull logo, a story of unique talent, strange timing, clashing personalities, and incredible music that helped shape rock as we know it today. James Greene, Jr., maps this narrative from the band's birth at the tail end of the original punk movement through their messy dissolve at the dawn of the 1980s right on through the legal warring and inexplicable reunions that helped carry the band into the 21st century. Music junkies of any stripe will surely find themselves engrossed in this saga that finally pieces together the full story of the greatest horror punk band that ever existed, though Misfits fans will truly marvel at the thorough and detailed approach James Greene, Jr. has taken in outlining the rise, fall, resurrection, and influence of New Jersey's most frightening musical assembly.
