Never Google Heartbreak - Emma Garcia 2013-03-14

A refreshingly honest, achingly funny read for fans of Bridesmaids, Caitlin Moran, and Pinot Grigio. When her fiance Rob breaks off their engagement for the third time, Viv does what any girl would do - she Googles heartbreak. Confronted by tales of misery, she decides to set-up her own self-help website for the broken-hearted. But as Viv passes through the three essential stages of grief (denial, vodka, disastrous haircut), she becomes determined that it's not too late to try and get Rob back. When things get out of hand after a drunken declaration of love at an extremely inappropriate moment, Viv's scruffy, tequila-swilling best friend Max is there to pick up the pieces. Viv starts to realise that maybe the real thing has been under her nose all this time, and now - one ex and a massive error of judgement later - she has to face the question: What's the craziest thing you'll do for love? Readers of Lindsey Kelk, Sophie Kinsella and Paige Toon won't be able to put this down. Never has heartbreak been so hilarious...

Notes on Heartbreak - Annie Lord 2022-06-23

'Arresting and vivid, raw and breathtaking...told with stunning originality' DOLLY ALDERTON 'Annie Lord tells us a story at once both specific and universal' SHON FAYE 'An electrifying debut' CAROLINE O'DONOGHUE Dark, fierce and raw, Notes on Heartbreak is a love story told in reverse... Reeling from a broken heart, Annie Lord revisits the past - from the moment she first fell in love, the shared in-jokes and intertwining of a long-term relationship, to the months that saw the slow erosion of a bond five years in the making. Charting her attempts to move on, Annie explores the ups and downs of being newly single, from disastrous rebound sex to sending ill-advised nudes, stalking your ex's new girlfriend on Instagram and the sharp indignity of being ghosted. This stunning exploration of love and heartbreak from cult journalist and Vogue columnist Annie Lord, is so much more than a book about one singular break-up. it is an unflinchingly honest account of the simultaneous joy and pain of being in love that will resonate with anyone who has ever nursed a broken heart. It's a book about the best and worst of love: the euphoric and the painful, the beautiful and the messy. Perfect for fans of Everything I Know About Love, Conversations on Love and Three Women.

Love Her Well - Kari Kampakis 2020-08-18

Now an ECPA Best Seller—Kari Kampakis's *Love Her Well* gives moms ten practical tips for how to build strong and lasting relationships with their daughters. For many women, having a baby girl is a dream come true. But as girls grow up, the narrative of innocence and joy changes to one of dread as moms are told, "Just wait until she's a teenager!" and handed a disheartening and too-often-true script about a daughter's teenage season of life. Author, blogger, and mom to four daughters Kari Kampakis thinks it's time to change the narrative and mind-set that leads moms to parent teen girls with a spirit of defeat instead of strength. *Love Her Well* isn't a guide to help mothers "fix" their daughters or make them behave. It's about a mom's journey, doing the heart-work necessary to love a teenager while still being a steady, supportive parent. Kari offers wisdom about how moms can: Choose their words and timing carefully. Listen and empathize with her teen's world. See the good, and love her for who she is. Take care of themselves and find a support system in the process. By working on the foundation, habits, and dynamics of the relationship; mothers can connect with their teen daughters and earn a voice in their lives that allows moms to offer guidance, love, wisdom, and emotional support. Kari gives mothers hope, wisdom, and a reminder that all things are possible through God, who is the source of the guidance and clarity they need in order to grow strong relationships with their daughters at every age—especially during the critical teen years.

As I write this book. I have so much to write about, I just never had the time to break the dam and let the river overflow . . . Fearful that the initial rush may overwhelm me, so much has happen over the last 12years . . . So many open wound screaming for the bandaid of expression bleeding for so many years . . . I'm afraid . . . Afraid to revisit each wound yet knowing I must in order to soothe each one. But they really really hurts so bad, I rather just ignore them and smile . . . nobody will notice the blood, pain n tears seeping from my pores, I am a pretender,an actress. But in order to share my gift to the world for the first time, I must revisit my pass and write. Because no matter how much I bury these wounds are really real. just a thought I always wonder where I would be today if I didn't guide myself in the right direction. 1. Maybe on somebody street corner being somebody's hoe? 2.maybe if I had to live on the streets would I be somebody's bum? 3.maybe if I had to depend on somebody on all accounts? 4.would I have the meaning to go steal for a living? Meaning that going to the store stealing clothes or what ever it takes. out of all the four things! I think I would choose none of thee above I think what ever comes your way when you live the life experience that me and most others you learn to survive the rainy storm that comes your way, I sit back and think sometimes if not all the time why me?why did I have to be born because without life there is no sorrow. Meaning that if I wasn't created you would feel no pain,or have to live your life of losing your queen,your soul your heart.,it just seems that the pain never goes away. How to Fix a Broken Heart - Guy Winch 2018-02-13

'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF THE STATE OF AFFAIRS AND MATING IN CAPTIVITY Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. How to Fix a Broken Heart argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?

Goodbye, Miss Butterfly - Kenneth A. Eaton 2010-10-26

With that, neither of them said anything for a few moments and both realized the song had ended. Looking at each other they imagined an audience applauding to that musical exchange. Benny Goodman and Lionel Hampton would have been jealous had they been there in the audience. They were perhaps busy that morning playing somewhere or maybe even rehearsing for their groundbreaking concert in Carnegie Hall that would take place a few weeks later in January. It was the first time a jazz ensemble had been allowed to perform at Carnegie. Colin and Piper didn't know it, but there had just been an opening act for themselves, music, and jazz. It would be a good year for improvisation, that year 1938, a
